Retelling Cinderella Nicola Darwood,Alexis Weedon,2020-11-12 Cinderella's transformation from a lowly overlooked servant into a

princess who attracts everyone's gaze has become a powerful trope within many cultures. Inspired by the Cinderella archive of books and collectables at the University of Bedfordshire, the essays in this collection demonstrate how the story remains active in various different societies where social and family relationships are adapting to modern culture. The volume explores the social arenas of dating apps and prom nights as well as contemporary issues about women's roles in the home and gender identity. Cinderella's cultural translation is seen through the contributors' international perspectives from Irish folklore to the Colombian *Cenicienta*, to a Cinderella of the coast and Spanish literary history. Its transdisciplinarity ranges from fashion in Charles Perrault and the Brothers Grimm's publications to a comparison of Cinderella and Galatea on film and essays on British authors Nancy Spain, Anne Thackeray Ritchie, and Frances Hodgson Burnett.

Queen of

the Underworld: A Hades and Persephone Myth Retelling Paranormal Romance Felicity Heaton, 2023-01-31. Hades, the wickedly dark god king of the Underworld, needs a queen. And he's chosen Persephone. All Persephone has ever desired is control of her own life and someone noticing her once in a while. Kept in her mother's shadow and overlooked by the entirety of Olympus, her dream seems impossible, and now she's doomed to wed a dull god of her mother's choosing. Until she crosses paths with a handsome dark warrior who rouses wildfire heat in her veins, a male whose immense power is unmistakable and who matches the fearful tales whispered in Olympus stories of a cruel, heartless king who rules his realm of death with an iron fist. When Hades abducts her and imprisons her in the depths of the Underworld, a dormant part of her awakens. And as she slowly discovers the truth about him, Persephone isn't sure whether the snarling dark beast of a king is her doom or her saviour, but she knows one thing: She will embrace the fire he awakens in her with every heated glance and every vicious growl. And use it to tame him and forge her dreams into reality. Because Persephone, the quiet, gentle goddess of nature, desires a king. And nothing will stop her from claiming his black heart. **Queen of the Underworld** is a forced proximity enemies-to-lovers paranormal romance novel retelling the Greek myth of Hades and Persephone and a prequel in my *Guardians of Hades* series. In the vein of *An Adult Beauty and the Beast*, it features a grumpy sunshine pairing that will steal your heart with a secretly cinnamon roll hero and a secretly fiery heroine and a powerful, forever kind of love. All *Guardians of Hades* books have no cliffhangers, a guaranteed happily ever after, and some strong language. **Keywords:** paranormal, paranormal romance, paranormal romance books for adults, Greek gods, Greek gods romance, gods romance, gods goddesses, goddess romance, Greek goddesses, immortals, immortal romance, Greek mythology, Greek myths, fantasy romance, alpha hero, strong heroine, action, long series, adventure, no cliffhangers, guaranteed HEA, happily ever after.

Retelling Sacred Stories: Fetzer Institute , 2025-10-29
Retelling Stories, Framing Culture John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived

from European cultures One chapter is devoted to various retellings of classics from Shakespeare to *Wind in the Willows* The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included
