## **The European Union And The Commonwealth Caribbean:**

*The European Union and the Commonwealth Caribbean* Stephen J.H. Dearden, 2018-02-06 This title was first published in 2002 The Commodity Protocols of the EU have become a major focus of conflict with the USA This illuminating volume reviews the significance of the banana rum and sugar Protocols for the Commonwealth Caribbean while placing them in the context of the Lom and Cotonou Agreements In an era of transition in the international trading environment it provides an interesting case study of the implications for some of the smaller economic players in the world economy of these global changes Timely and thought provoking this study will be of critical interest to students academics and professionals in the field of development economics and European studies

**The Commonwealth and the European Union in the 21st Century** Melanie Torrent, Virginie Roiron, 2018-02-02 Should the United Kingdom remain a member of the European Union Is the Commonwealth of Nations still relevant for its very diverse member states ranging from small island states to Australia and India In contemporary British politics both organisations have come under fierce criticism sometimes leading to hasty assessments of historical experiences and current policies Given the fact that the United Kingdom Cyprys and Malta are members of both organisations and that Brexit would have far ranging consequences much beyond British shores relations between the EU and the Commonwealth have featured surprisingly rarely in major debates of international policy This edited volume suggests possible and even desirable connections between the two organisations by investing current contacts fault lines external critique and outside perspectives Focusing on soft power development humanitarianism and modes of intervention the authors investigate disputes over international norms and trade patterns Through global approaches and specific case studies drawn from Asia Africa and the Caribbean they demonstrate where opportunities for international cooperation were missed and how useful partnerships might be found The EU and the Commonwealth are undoubtedly very different organisations but distinctions can provide grounds for meaningful relevant cooperation More strategic dialogue between the Commonwealth and the EU this volume argues would be a valuable asset for the two international organisations their member states and their citizens This book was originally published as a special issue of *The Round Table* The Commonwealth Journal of International Affairs

*Commonwealth Caribbean Law and Procedure* Alina Kaczorowska-Ireland, Westmin James, 2019-07-26 Commonwealth Caribbean Law and Procedure The Referral Procedure under Article 214 RTC in the Light of EU and International Law is about the referral procedure set out in Article 214 of the Revised Treaty of Chaguaramas RTC which Treaty established the Caribbean Community Single Market and Economy CSME Article 214 RTC bears clear parallels to Article 267 of the Treaty on the Functioning of the European Union TFEU the most important being that that both articles pursue the same objective i e they seek to ensure that CSME law and EU law respectively are uniformly applied in all Member States Although Article 214 RTC was inspired by and modelled on Article 267 TFEU it is not its exact replica The similarities and differences between Article 214 RTC and Article 267 TFEU are

critically assessed in this book Also the book Examines how Article 214 RTC operates in the Caribbean context how it interacts with other provisions of the RTC and how it fits into the various national legal systems of the Member States of the CSME Explores possible reasons why so far national courts of the Member States of the CSME have not made any referrals to the Caribbean Court of Justice CCJ Puts Article 214 RTC in a comparative perspective in particular the book compares and contrasts it with Article 267 TFEU Examines some of the aspects of Article 214 RTC in the light of public international law bearing in mind that under Article 217 1 RTC the CCJ is required when exercising its original jurisdiction under Article 211 RTC to apply such rules of international law as may be applicable This is to ensure that the CCJ will not bring in a finding of non liquet on the ground of silence or obscurity of CSME law which Article 217 2 RTC expressly prohibits This book will be of interest to academics and students studying CSME law EU law and comparative law as well as judges lawyers and governmental and non governmental organizations from the Caribbean region

**The European Union and Global Governance** Dr Jens-Uwe Wunderlich, David J. Bailey, 2010-12-14 The European Union and Global Governance A Handbook aims to analyse contemporary debates in European Studies in order to provide lessons for the development design and normative evaluation of global governance It brings together scholars of European studies and international relations where much of the literature on regional and global governance is located thereby providing interdisciplinary lessons from the study of European Union and its governance that can be used to re evaluate processes of global governance Each chapter examines methodological theoretical or empirical discussions within European studies in order to draw insights for current developments in global governance

**The European Union's Economic Substance Rules in Commonwealth Caribbean Jurisdictions : what is the Purpose?.** R.R.F. Yearwood, 2020 This article criticizes the EU concept of economic substance regarding Commonwealth Caribbean international financial jurisdictions refuting the arguments on which it is based and demonstrating the impracticality of the test of substance under Criterion 2 2 It also argues that common law is effective in addressing tax avoidance and determining substance

**Education in the European Union: Post-2003 Member States** Trevor Corner, 2015-07-30 The volume provides a comprehensive reference resource for education in the countries that joined the European Union between the signing of the Treaty of Nice to the present time Bulgaria Croatia Cyprus the Czech Republic Estonia Hungary Latvia Lithuania Malta Poland Romania Slovakia and Slovenia Many of these countries have previously been under the influence of the Soviet Union and are moving through transitional phases towards more western models The chapters in this volume written by regional experts examine the educational heritage of these countries and how these education systems evolved in response to changing national needs European agreements including the Treaty of Nice and The Bologna Process and international evaluations such as the Programme for International Student Assessment PISA The chapters on Cyprus and Malta show the very special circumstances of these two Mediterranean islands and the international influences that have underpinned their developments in education
