

# THE EVANGELICAL RENAISSANCE

**donald q. bloesch**

"A forthright call to evangelicals to take seriously the catholic and evangelical roots of faith in these times of burgeoning religious interest." **Louis H. Gunnemann**

# The Evangelical Renaissance

**Steve Wilkens, Don Thorsen**

## **The Evangelical Renaissance:**

*The Evangelical Renaissance* Donald G. Bloesch, 1974      **The Unformed Conscience of Evangelicalism** J. Daryl Charles, 2002-01-01 J Daryl Charles urges the evangelical church to better equip in character and moral vision its pastors leaders and members to constructively and effectively engage the ethical debates of the twenty first century      **The Scandal of the Evangelical Mind** Mark A. Noll, 2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism s most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections      **The Evangelical Tradition in America** Leonard Sweet, Leonard I. Sweet, 1997 The essays collected in *The Evangelical Tradition in America* range over a vast plain of historical inquiry Yet they are linked by a common purpose and vision of the exploration through ever widening avenues of research into one of the most important movements in American culture and the uncovering of forgotten ill conceived or half perceived features of the Evangelical tradition This volume opens up new territory recharts the old and challenges and corrects several gaps in the historical topography of American Evangelicalism Emerging from the Charles G Finney Historical Conference at Colgate Rochester Divinity School Bexley Hall Crozer Theological Seminary in October 1981 these essays offer exciting interdisciplinary insights into the role of Evangelical religion in American society As major contributions to scholarship in American religion these investigations forge beyond the borders of Evangelicalism s role in issues now being explored by many American historians on the South blacks women urban centers millennialism and organizational structures They also provide directions from which to view Evangelicalism s impact on American history from the perspective of Southern popular religion the psychological aspects of black evangelicalism the stream of intellectual history and the Enlightenment and evangelical roots of millenarian ideology      **The Evangelicals** Christopher Catherwood, 2010 An overview of the global evangelical Christian movement including its historical roots doctrinal distinctives current strength influence in politics and society and teaching about the future      **The Age of Evangelicalism** Steven P. Miller, 2014-04-10 At the start of the twenty first century America was awash in a sea of evangelical talk *The Purpose Driven Life* Joel Osteen

The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times Latin American Evangelical Theology in the 1970's Daniel Salinas,2009 The story of Latin American evangelicals doing theology is mostly unknown In the 1970s there was an important development with the formation of the Latin American Theological Fraternity FTL This group spearheaded the theological production in Latin America marking the beginning of a critical stage in the history of evangelicals in the region This book deals with the reception history in North America of the FTL and its program Interamerican theological dialogue is documented and analysed **Awakening the Evangelical Mind** Owen Strachan,2015-10-06 The first major study to draw upon unknown or neglected sources as well as original interviews with figures like Billy Graham Awakening the Evangelical Mind uniquely tells the engaging story of how evangelicalism developed as an intellectual movement in the middle of the 20th century Beginning with the life of Harold Ockenga Strachan shows how Ockenga brought together a small community of Christian scholars at Harvard University in the 1940s who agitated for a reloaded Christian intellect With fresh insights based on original letters and correspondence Strachan highlights key developments in the movement by examining the early years and humble beginnings of such future evangelical luminaries as George Eldon Ladd Edward John Carnell John Gerstner Gleason Archer Carl Henry and Kenneth Kantzer **Encyclopedia of Religion in the South** Samuel S. Hill,Charles H. Lippy,Charles Reagan Wilson,2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original

publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history

**Contemporary Theology: An Introduction, Revised Edition** Kirk R. MacGregor, 2020-07-28 Accessible and comprehensive Contemporary Theology An Introduction by professor and author Kirk R MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing Unique among introductions to contemporary theology MacGregor includes Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life Contemporary Theology An Introduction is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well organized and easy to follow manner

*American Evangelicals and the 1960s* Axel R. Schäfer, 2013-08-23 In the late 1970s the New Christian Right emerged as a formidable political force boldly announcing itself as a unified movement representing the views of a moral majority But that movement did not spring fully formed from its predecessors American Evangelicals and the 1960s refutes the thesis that evangelical politics were a purely inflammatory backlash against the cultural and political upheaval of the decade Bringing together fresh research and innovative interpretations this book demonstrates that evangelicals actually participated in broader American developments during the long 1960s that the evangelical constituency was more diverse than often noted and that the notion of right wing evangelical politics as a backlash was a later creation serving the interests of both Republican conservative alliances and their critics Evangelicalism s involvement with rather than its reaction against the main social movements public policy initiatives and cultural transformations of the 1960s proved significant in its 1970s political ascendance Twelve essays that range thematically from the oil industry to prison ministry and from American counterculture to the Second Vatican Council depict modern evangelicalism both as a religious movement with its own internal dynamics and as one fully integrated into general American history

*Evangelicalism and Fundamentalism in the United Kingdom During the Twentieth Century* David W. Bebbington, David Bebbington, David Ceri Jones, 2013-10 A detailed look at the history of Christian fundamentalism in the

United Kingdom during the twentieth century examining the inter relation between fundamentalism and evangelical theology Using detailed empirical evidence the authors challenge generalisations and enable a more nuanced understanding of the roots of fundamentalism today American Evangelicalism Darren Dochuk, Thomas S. Kidd, Kurt W. Peterson, 2014-10-15 No living scholar has shaped the study of American religious history more profoundly than George M Marsden His work spans U S intellectual cultural and religious history from the seventeenth through the twenty first centuries This collection of essays uses the career of George M Marsden and the remarkable breadth of his scholarship to measure current trends in the historical study of American evangelical Protestantism and to encourage fresh scholarly investigation of this faith tradition as it has developed between the eighteenth century and the present Moving through five sections each centered around one of Marsden s major books and the time period it represents the volume explores different methodologies and approaches to the history of evangelicalism and American religion Besides assessing Marsden s illustrious works on their own terms this collection s contributors isolate several key themes as deserving of fresh rigorous and extensive examination Through their close investigation of these particular themes they expand the range of characters and communities issues and ideas and contingencies that can and should be accounted for in our historical texts Marsden s timeless scholarship thus serves as a launchpad for new directions in our rendering of the American religious past *Everything You Know about Evangelicals Is Wrong (Well, Almost Everything)* Steve Wilkens, Don Thorsen, 2010-08-01 While evangelicals make up a significant portion of American society they still constitute a mystery for many They exert considerable influence on virtually every aspect of American life and culture yet by those who don t appreciate them they re seen as rednecks crypto fundamentalists and people without education Wilkens and Thorsen contend that evangelicals are tired of being caricatured and provide an insider s look at myths and realities surrounding the movement They winsomely and sometimes humorously assess the breadth and depth of evangelical beliefs values and practices arguing that evangelicalism is identifiable by a family resemblance vitality and relevance that transcends particular theological and political stereotypes that arise inside as well as outside of it The book provides a synthetic presentation of contemporary evangelical Christianity as well as critiques of it

**Survival and Resistance in Evangelical America** Crawford Gribben, 2021-02-23 Over the last thirty years conservative evangelicals have been moving to the Northwest of the United States where they hope to resist the impact of secular modernity and to survive the breakdown of society they anticipate This book examines the origins evolution and cultural reach of the migration and considers what it might tell us about the future of American evangelicalism *Evangelicalism and the Church of England in the Twentieth Century* Andrew Atherstone, John G. Maiden, 2014 An important contribution to the understanding of twentieth century Anglicanism and evangelicalism This volume makes a considerable contribution to the understanding of twentieth century Anglicanism and evangelicalism It includes an expansive introduction which both engages with recent scholarship and challenges existing narratives The book locates the diverse Anglican evangelical

movement in the broader fields of the history of English Christianity and evangelical globalisation Contributors argue that evangelicals often engaged constructively with the wider Church of England long before the 1967 Keele Congress and displayed a greater internal party unity than has previously been supposed Other significant themes include the rise of various neo evangelicalisms charismaticism lay leadership changing conceptions of national identity and the importance of generational shifts The volume also provides an analysis of major organisations conferences and networks including the Keswick Convention Islington Conference and Nationwide Festival of Light ANDREW ATHERSTONE is tutor in history and doctrine and Latimer research fellow at Wycliffe Hall Oxford JOHN MAIDEN is lecturer in the Department of Religious Studies at the Open University He is author of *National Religion and the Prayer Book Controversy 1927-1928* The Boydell Press 2009 *Are Southern Baptists "Evangelicals"?* James Leo Garrett, E. Glenn Hinson, James E. Tull, 1983 [The Making and Unmaking of an Evangelical Mind](#) Rudolph Nelson, 2002-11-07 The first half of this book takes a biographical approach to its subject examining Carnell's early life and education while the second half of the book looks topically at the issues that shaped Carnell's career and as the author proposes may have led to his psychological undoing Through the lens of Carnell's personal struggle this book offers a provocative view into the larger cultural tensions unleashed by new modes of secular thought that challenged the framework of American religious life during the middle years of the twentieth century

**Reinventing English Evangelicalism, 1966-2001** Robert E. Warner, 2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition **Evangelicalism in Modern Britain** David W. Bebbington, 2003-09-02 This major textbook is a newly researched historical study of Evangelical religion in its British cultural setting from its inception in the time of John Wesley to charismatic renewal today The Church of England the Church of Scotland and the variety of Nonconformist denominations and sects in England Scotland and Wales are discussed but the book concentrates on the broad patterns of change affecting all the churches It shows the great impact of the Evangelical movement on nineteenth century Britain accounts for its resurgence since the Second World War and argues that developments in the ideas and attitudes of the movement were shaped most by changes in British culture The contemporary interest in the phenomenon of Fundamentalism especially in the United States makes the book especially timely

This is likewise one of the factors by obtaining the soft documents of this **The Evangelical Renaissance** by online. ### **The Evangelical Renaissance Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Evangelical Renaissance has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Evangelical Renaissance has opened up a world of possibilities. Downloading The Evangelical Renaissance provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Evangelical Renaissance has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Evangelical Renaissance. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Evangelical Renaissance. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Evangelical Renaissance, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Evangelical Renaissance has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About The Evangelical Renaissance Books

**What is a The Evangelical Renaissance PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Evangelical Renaissance PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Evangelical Renaissance PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Evangelical Renaissance PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Evangelical Renaissance PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat,

Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
