The Evidence For End Time Prophecy:

The Evidence for End Time Prophecy Mark Ketchum, 2003-01 According to a recent poll commissioned by the Tyndale House Publishers over forty percent of Americans believe God will eventually intervene in human affairs and bring about an end to life here on earth Of those believers over 80% say that it is likely Jesus Christ would return and half of them believe it will occur in their lifetime With wars and environmental disasters looming around the globe we may very well be living to witness the end times When he broke open the fourth seal I heard the voice of the fourth living creature cry out Come Forward I looked and there was a pale green horse Its rider was named Death and Hades accompanied him They were given authority over a quarter of the earth to kill with sword famine and plague and by means of the beasts of the earth Revelation 6 7

THE EXCITING TRUTH ABOUT THE END-TIMES B. Vincent Shelton, 2014-10-29 The prophets of old warned that certain key end time prophecies wouldn't be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the time of the end has come Today we can scripturally prove the answers to questions like Will the Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John's vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you

Chronicles of the End Times Mark Davidson, 2018-10-05 Mark Davidson author of *Daniel Revisited* has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In *Daniel Revisited* Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in *Chronicles of the End Times* chiasmic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiasmic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What's the purpose of Daniel's Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true

The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy

The evidence of prophecy Alexander Keith, 1872 *End-Time Prophecy* Børge Beck, 2023-03-09 Along with a correct understanding of the Bible as the God breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God's dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2:3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulational Rapture of the Church

All the Evidence You Will Ever Need Paul D. Baba, 2008-10-20 In *All the Evidence You Will Ever Need* scientist Paul Baba expounds on numerous areas of evidence that support the concept of a Creator of the universe the Bible as a document given to mankind by the Creator and the process that the Bible teaches as the way to eternal life in Heaven The purpose of the book is to reach non believers and seekers with a rationale for the gospel The book will also be useful in college classes youth groups study groups and Sunday School classes It will be especially important to parents of students who encounter teachers and professors who seek to undermine faith in a Creator There are key chapters on the problems with evolution the case for the Bible as God's word fulfilled prophecy the basics of Christianity transformed lives and a number of other areas of evidence to support faith

The Day of the Lord, the Key to Understanding End-Time Prophecy Allen M. Barber, 2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church

before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy

The Evidence of Prophecy: Historical Testimony to the Truth of the Bible

Alexander Keith,1874 **The End Times, Again?** Martyn Whittock,2021-10-15 From the Middle Eastern politics of Donald Trump to the UK s 2016 EU Referendum large numbers of Christians are making decisions based on the alleged end times aspects of modern politics Such apocalyptic views often operate beneath the radar of much Christian thought and expression In this book historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy Such believers are usually unaware that they stand in a long line of such well intended but failed predictions In this book Whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture When Christians ignore such past mistakes they are in danger of repeating them Jesus Whittock argues taught a different way

Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death Gabriel Ansley,2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride

Understanding End Times Prophecy Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together

first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

The GOSPEL PROPHECY: the Bible as Allegory ,2009-05-17 The church fathers were much closer to the time when the original manuscripts of the Bible were written than we are so doesn t it make sense to use the methods of interpretation they used rather than forcing an understanding based on history and a literal sense of language Especially when interpreting such cryptic books as The Revelation A universe without God is different than the one a believer sees An atheist sees a universe of randomness Where are purpose design and meaning A Godless universe is a chaotic place ruled by chance The Christian sees a universe under God s control God gives purpose and meaning and is the designer His order is maintained throughout the domain If that is the case shouldn t the Bible God s Word represent something other than random bits of history and prose Shouldn t it be considered something more than the uninspired writings of ancient men

Revelation for the Common Man Margaret Sturgill Jeys,2010-03 Refusing to become entangled in the complex confusing and contradictory methods of Biblical interpretation that abound the author kept her eyes and ears open to the obvious meaning of the words of Scripture She followed the method of interpretation revealed in the Bible and explained in the first chapter of this book The resulting exposition of Revelation chapters 1 11 has elicited words of appreciation such as the following The message is so clear so valuable and so fresh For me it was like a drink of living water Thank you again Your manuscript was easy reading with good summaries and clear ideas that were manifestly yours It was a breath of fresh air This is a very impressive piece of work It is well written and a beautifully clean manuscript It is easy to follow and quite convincing with the many references clearly recorded Your study on Revelation is outstanding I would not presume to make a judgment on the theological accuracy of the manuscript but it sounds very logical and the conclusions seem obvious

America in Prophecy John Quiles,2019-01-30 Is our Lord s return imminent Many Christians believe it isemphasizing that He has promised to return and that as His disciples we must be ready Yet in spite of their

assurance surprisingly few of God's people may actually be prepared for His appearing. Of the many signs suggesting that our Lord's return is near two in particular are of great interest: the rise of Babylon and the restoration of Israel. These two major end time events as foretold in Scripture have great implications for us as Americans and more specifically as Christians. *America in Prophecy* A Nation at a Crossroads examines these two major prophetic indicators and not only reveals their importance in determining how close to our Lord's return we actually are but also their connection to what it truly means to be a disciple of Jesus Christ. It unveils the big picture regarding end time Bible prophecy as it relates to America and shows how we are indeed standing at a crossroads not only as a nation but as God's corporate body the Church and as its individual members. In particular *America in Prophecy* seeks to answer the question of where and how we as Christians living in the United States of America at this particular juncture in history fit into God's end time scenario. Most importantly it explains what we must do to ensure that we are ready for our Lord's return. Of all the books currently on the market one may be hard pressed to find a more pertinent timely and compelling message for today's Christian. Outside of the Bible this is quite possibly one of the most exciting books you will ever read on the subject of end time Bible prophecy and the necessity for believers everywhere to make certain they are ready for our Lord's return. **The Time of Great Tribulation** John

Shackelfree, 2012-09-12 Today we see financial and environmental disaster facing the whole world human trafficking on a global scale family breakdown at unprecedented levels and wars being fomented by cynical profiteers. In the so called democratic West we see democracy being gradually eroded by vested interests manipulating the electoral system and people being prosecuted for thought crimes. The images of society painted by George Orwell in his books *Animal Farm* and *1984* look very much like the society we are building today. It might surprise many to know that a time of great tribulation was predicted a very long time ago. These times are known as The End Times after which there will be an end to transgression and peace would reign over the whole world. The question addressed in this book is whether we are in the End Times now and whether we are entering the time of darkness predicted over two thousand years ago. *Messianic and Utopian*

Influences on Imperial Spain George M. Roure, 2025-04-17 Roure draws a novel connection between Tommaso Campanella's utopian ideas for Imperial Spain and Catholicism and Portuguese navigator Pedro Fernandez de Quir's vision of an idyllic society and a mythical city of New Jerusalem in the antipodes. The book presents newfound evidence suggesting Spain experimented with Messianism to secure their empire in the late Renaissance. The case is made that the Spanish monarchy contemplated Campanella's Messianic ideas and sent Quir's to initiate them on the imagined Terra Australis Incognita. Campanella and Quir's shared idiosyncratic beliefs that by means of divine providence Spanish power would imminently transform the world elevate humanity to a higher spiritual plane dominate politics and religion and prepare for the second coming. The work advances our understanding of previously unknown links amongst Campanella's religious solutions for idealising temporal government Quir's objective of a utopian society in the great south land and Spain's tentative

experimentation with Messianism It also permits the drawing of inferences on the possible rationale behind political messianism in the contemporary world This book is a valuable resource for scholars students researchers and professionals interested in European and World History of the late Renaissance as well as those interested in the religious and political imperatives of Imperial Spain during the Habsburg period
