

The Executive Branch Of The Us Government

Joel D. Aberbach

The Executive Branch Of The Us Government:

The Executive Branch of the U.S. Government, 1989 Designed to assist librarians students researchers and government personnel in locating information on the executive branch of the federal government this work is the first book length bibliography devoted to the subject Focusing on the history and development of the executive branch and its organization procedures rulings and policy the bibliography provides selected listings for the chief executive and his staff as well as cabinet level departments and major sub agencies The work is divided into fifteen subject chapters dealing with the executive branch in general and individual departments and agencies Drawn from a systematic search of eleven major indexes and a variety of other sources the citations include books scholarly articles dissertations and selected research reports The book is divided into fifteen subject chapters dealing with the executive branch in general and individual departments and agencies Drawn from a systematic search of eleven major indexes and a variety of other sources the citations include books scholarly articles dissertations and selected research repotts Works in the fields of political science economics law public administration the social sciences and related disciplines are represented The volume concludes with comprehensive author and subject indexes Offering broad coverage and a convenient format this new bibliography will be a valuable addition to the reference collections of academic legal governmental and public libraries *The Executive Branch of the Federal Government* Britannica Educational Publishing, 2009-10-01 The founders of the Constitution created the office of the President to be the Chief Executive of the United States as well as an important figure the nation could turn to This book covers the role and duties of the executive in the office of President describing how those duties have changed and evolved throughout the history of the United States There is also plenty of helpful information detailing the complicated election process from the caucus to the Electoral College helping to educate a new generation of voters about their impact on electing the next executive officer *The Executive Branch* Joel D. Aberbach, Mark A. Peterson, 2005-10-27 This collection of essays edited by Joel D Aberbach and Mark A Peterson and written by leading scholars examines the evolution of the presidency and the executive branch as related to civic participation and democracy itself It provides an analysis of the president s role in developing foreign and domestic policy and how they influence the policy process and other policy makers The Executive Branch provides a historical assessment of the role of the person of the president the favorable and problematic attributes that past presidents have brought to the challenge of leadership and the measure of overall success captured in notions of presidential failure or greatness **The Executive Branch of Federal Government** Brian R. Dirck, 2007-07-27 This volume gives students professors and the general public a single comprehensive source on the key themes in the historical development of the presidency from America s founding era through the presidency of George W Bush How has the role of the president changed since George Washington How does the president interact with Congress The courts The states Other nations These are just a few of the overarching questions addressed in this volume in ABC CLIO

s About Federal Government set devoted to the president and the executive branch he manages The Executive Branch of the Federal Government provides a brief history of the presidency then looks at the constitutional powers of the office the day to day functions of the federal bureaucracy general elections and presidential relationships with Congress and the courts But perhaps most compelling are the insights into the officeholders themselves the individuals who have served as president each fashioning a term reflective of his own personality **The President and the Executive Branch** Bryon

Giddens-White,2005-09-05 Presents an exciting look into the executive branch of the United States government **What Is the Executive Branch?** Jason Porterfield,2015-07-15 In this book readers will learn about the Constitution checks and balances and how the executive branch of government is organized The president and vice president s powers are studied as well as those of the cabinet and staff who offer help to the executive office *Exploring the Executive Branch* Barbara

Krasner,2019-08-01 What are the functions of the Executive Branch of government Sidebars historical information and modern examples of the Executive Branch in action illustrate how it works Provide readers important context ahead of the 2020 presidential election Article II: Building the Executive Branch Katie Kawa,2020-07-15 Americans often have

questions about what the president can and can t do Many of these questions are answered in Article II of the U S Constitution From declaring war to appointing ambassadors and Supreme Court justices the powers of the presidency are explained in this helpful book The informative narrative connects the past and present using language from the Constitution that is explained in an accessible way Current examples of the executive branch in action are presented Featuring primary sources graphic organizers fact boxes and sidebars this engaging reading experience helps foster a sense of informed and active citizenship **The Executive Branch** Joel D. Aberbach,2005 Presents a collection of essay that provide an

examination of the Executive branch in American government explaining how the Constitution created the executive branch and discusses how the executive interacts with the other two branches of government at the federal and state level

Commission on Organization of the Executive Branch of the Government United States. Congress. House. Committee on Government Operations,1956 **EXECUTIVE BRANCH** Brian Duignan,2018-07-01 This book focuses primarily on the president s role in government and the choices and considerations afforded by this position such as the formation of a cabinet and the power to create executive orders By illuminating both high and low points in this historic position the reader gains a sense of the intricacies of this nation s system of checks and balances and how differences in style have influenced the direction of history By featuring the stories of the women and men surrounding the president this book creates a well rounded depiction of this branch of the U S government **General Management of the Executive Branch**

United States. Commission on Organization of the Executive Branch of the Government (1947-1949),1949 **The United States Government Manual** United States. Office of the Federal Register,2005 **Learn about the United States** U.S. Citizenship and Immigration Services,2009 100 questions and answers for the naturalization test Accompanying sound disc

label **US Government Information Policies and Practices** United States. Congress. House. Government Operations,1972 **The United States Government Manual** ,2003 **Guide to the Presidency and the Executive Branch** Michael Nelson,2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions *U.S. Government Information Policies and Practices--the Pentagon Papers: Problems of Congress in obtaining information from the Executive Branch* United States. Congress. House. Committee on Government Operations. Foreign Operations and Government Information Subcommittee,1972 **Learn about the United States** U.S. Citizenship and Immigration Services,2013 American Government In the United States the government gets its power to govern from the people We have a government of the people by the people and for the people Citizens in the United States shape their government and its policies so they must learn about important public issues and get involved in their communities Learning about American government helps you understand your rights and

responsibilities and allows you to fully participate in the American political process The Founders of this country decided that the United States should be a representative democracy They wanted a nation ruled by laws not by men In a representative democracy the people choose officials to make laws and represent their views and concerns in government This book will help you understand the principles of American democracy the U S system of government and the important rights and responsibilities of U S citizenship

A Theory of the Executive Branch Margit Cohn, 2021 The executive branch in Western democracies has been granted a virtually impossible task expected to imperially direct the life of the nation through thick and thin it is concurrently required to be subservient to legislation meted out by a sovereign parliament Drawing on a general argument from constitutional theory that prioritizes dispersal of power over concepts of hierarchy this book argues that the tension between dominance and submission in the executive branch is maintained by the adoption of various forms of fuzziness under which a guise of legality masks the absence of substantive limitation of power Under this internal tension vision of constitutionalism the executive branch is simultaneously submissive to law and dominant over it while concepts of substantive legality are compromised Building on legal and political science research this volume classifies and analyses thirteen forms of fuzziness ranging from open ended or semi written constitutions to unapplied legislation The study of this unavoidable yet problematic feature of the public sphere is addressed descriptively and normatively Adding detailed examples from two fields of law emergency law and air pollution law in two systems the UK and the US the book ends with a call for raising the threshold of judicial review grounded in theories of participatory and deliberative democracy This book addresses an area that is surprisingly under researched Despite the increase in executive power across democratic polities and increasing public interest in the executive branch and executive powers this much needed book offers a theoretical foundation that should ground all analysis of arguably the most powerful branch of modern government

When people should go to the books stores, search launch by shop, shelf by shelf, it is truly problematic. This is why we offer the ebook compilations in this website. It will totally ease you to look guide **The Executive Branch Of The Us Government** as you such as.
