Clifton Black,2011-09-01 Mark s genius lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God s good news The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another What is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs Jesus closest adherents the Twelve are among the most muddled Who can blame them They ask for an obscure parable s interpretation and receive an answer even more confounding They are told to feed thousands with next to nothing Their boat almost capsizes while their teacher sleeps As they oar in rough waters the teacher strides the waves intending to bypass them Putting the reader in the same boat Mark structures conversations with Jesus that make little sense if any The Twelve are craven stupid self serving and disobedient meet the average Christian Besides their hearts were hardened Who hardens hearts God Should not God s Messiah lift the burdens of those following him What kind of Christ heads to a cross handing his disciples another for themselves Do you not yet understand from the Introduction The Reader's Adviser ,1977 *Acts ()* Mikeal C. Parsons,2008-12-01 In Acts the third of eighteen volumes in the Paideia commentary series leading biblical scholar Mikeal Parsons gleans fresh theological insight into Acts by attending carefully to the cultural and educational context from which it emerges Parsons see Acts as a charter document explaining and legitimating Christian identity for a general audience of early Christians living in the ancient Mediterranean world Pastors graduate and seminary students and professors will benefit from this readable commentary as will theological libraries The Paideia commentaries are designed to be read through and used not shelved and referenced The main text is supplemented with maps sidebars and photographs Indexes and reference lists help readers locate discussions in the commentary and in other secondary literature The Experience of Literature; Fiction ,1967 *The Crisis Of Modernity* Gunter H.
