Drew, 2023-03-07 In the early days of motion pictures before superstars before studio conglomerates before even the advent of sound there was a woman named Pearl White 1889 1938 A quintessential beauty of the time with her perfectly tousled bob and come hither stare White s rise to stardom was swift her assumption of the title of queen of American motion picture serials equally deserved Born the youngest of five children in a small rural Missouri farm town White first began performing in high school She would eventually make the decision to cut her education short dropping out to go on the Trousdale Stock Company A bit player in the early years of her career she was eventually spotted by the Powers Film Company in New York She made her film debut in 1910 and soon set herself apart from her female colleagues with her reputation for fearless performances that often involved her own stunt work It was that same daring attitude that would put her on the map internationally as an actress From flying airplanes to swimming across rapid rivers to racing cars in serials like *The Perils of Pauline* 1914 White was undaunted by the demands of her onscreen career She went on to star in popular serial classics such as *The New Exploits of Elaine* 1915 *The Iron Claw* 1916 *The Fatal Ring* 1917 and *The Lightning Raider* 1919 As active socially as she was professionally White would also lend her audacious spirit to activism as she took part in the early feminist movement Her bravery and mastery of her craft made her a positive role model for suffragettes who battled for women s

rights in the United States The Woman Who Dared The Life and Times of Pearl White Queen of the Serials is the first full length biography of this pioneering star In this study of film history and female agency Drew delves into the cultural impact of White s work and how it evolved along a concurrent trajectory with the social upheavals of the Progressive Era **The Exploits of Elaine. A Detective Novel, Etc** Arthur Benjamin REEVE,1915 **The Craig Kennedy Series** Arthur B. Reeve,2018-05-15 Reproduction of the original The Craig Kennedy Series by Arthur B Reeve Silent Serial Sensations Barbara Tapa Lupack,2020-04-15 The first book length study of pioneering and prolific filmmakers Ted and Leo Wharton Silent Serial Sensations offers a fascinating account of the dynamic early film industry As Barbara Tapa Lupack demonstrates the Wharton brothers were behind some of the most profitable and influential productions of the era including The Exploits of Elaine and The Mysteries of Myra which starred such popular performers as Pearl White Irene Castle Francis X Bushman and Lionel Barrymore Working from the independent film studio they established in Ithaca New York Ted and Leo turned their adopted town into Hollywood on Cayuga By interweaving contemporary events and incorporating technological and scientific innovations the Whartons expanded the possibilities of the popular serial motion picture and defined many of its conventions A number of the sensational techniques and character types they introduced are still being employed by directors and producers a century later *THE EXPLOITS OF ELAINE (& Its Sequel The Romance of Elaine)* Arthur B. Reeve,2018-11-02 The Exploits of Elaine tells the story of a young woman named Elaine who with the help of a detective Craig Kennedy tries to find the man known only as The Clutching Hand who murdered her father The Romance of Elaine is the sequel of the story of Elaine and Professor Kennedy who this time get involved in a conflict with Wu Fang the master of The Clutching Hand Professor Craig Kennedy is a scientist detective at Columbia University He uses his knowledge of chemistry and psychoanalysis to solve cases and uses exotic devices in his work such as lie detectors gyroscopes and portable seismographs **Hollywood's Melodramatic Imagination** Geoff Mayer,2021-12-22 Melodrama is the foundation of American cinema It is however a poorly understood term While it is a pervasive and persuasive dramatic mode it is not tied to any specific moral or ideological system It is not a singular genre rather it operates as a genre generating machine capable of determining the aesthetics and structure of the drama within many genres Melodrama centers the conflict around the clash between good and evil and provides a sense of poetic justice but the specific values embedded in notions of good and evil are determined by the culture and they shift from nation to nation region to region and period to period This book explores the populist westerns of the 1930s the propaganda films that followed the Japanese attack on Pearl Harbor and the popularity of Sax Rohmer s master villain Fu Manchu Melodramas of passion and film noir also offer a challenge to melodrama with its seemingly alienated protagonists and downbeat endings Yet with few exceptions Hollywood was able to assimilate these genres within its melodramatic imagination **Supreme Court ,** By Blow and Kiss Boyd Cable (pseud.),1916 Provenance and Early Cinema Joanne Bernardi,Paolo Cherchi Usai,Tami Williams,Joshua

Through extensive archival research Ilka Brasch details the aesthetic appeals of film serials within their context of marketing and exhibition looking at how they adapted the pleasures of a flourishing crime fiction culture to both serial visual culture and the affordances of the media modernity of the early 20th century The study furthermore traces the relationship of film serials to the broadcast models of radio and television and thereby shows how film serials introduced modes of storytelling that informed popular culture even beyond the serial s demise
