The Explorer Race Books I & II Robert Shapiro,2013-09-01 While the original print editions of The Explorer Race and ETs and the Explorer Race were arranged according to subject this digital edition combines and rearranges the channeled material into chronological order to enhance the energetic flow and readability for our readers The descriptions below are the original About texts for the two books The Explorer Race Book 1 You individuals reading this are truly a result of the genetic experiment on Earth You are beings who uphold the principles of the Explorer Race The information in this book is designed to show you who you are and give you an evolutionary understanding of your past that will help you now The key to empowerment in these days is not to know everything about your past but to know that which will help you now Your souls have been here for a while on Earth and have been trained in Earthlike conditions This education has been designed so that you would have the ability to explore all levels of responsibility results effects and consequences and take on more responsibilities Your number one function right now is your status of Creator apprentice which you have achieved through years and lifetimes of sweat You are constantly being given responsibilities by the Creator that would normally be things that Creator would do The responsibility and the destiny of the Explorer Race is not only to explore but to create Zoosh ETs and the Explorer Race Book 2 In ETs and the Explorer Race Robert Shapiro channels Joopah a Zeta Reticulan now in the ninth dimension who continues the story of the great experiment the Explorer Race from the perspective of his race The Zeta would have been humanity's future selves had not humanity re-created the past and changed the future Fascinating information on The true nature of the Zetas Abduction and contacts Who the different Grays are The three Zeta human hybrid races How the hybrids will interact with Earth Our extraterrestrial chromosomes [Ultimate UFO Series](#) Robert Shapiro,2003-11-01 Time Traveling Eighth Dimensional Andromedans Visit Earth They Share Advanced

The Realization Book](#) Janet McClure,Lillian Harben,1997-06-01 What is a realization It is bringing together making real and understanding where you are now with respect to a certain area of your life usually a certain large area in your life Suddenly something that you didn t see or understand previously becomes crystal clear especially to the mental body If you recognize that you create your own life from your beliefs about yourself and this book is based on that premise then you know also that you can change your life improve it by changing the beliefs that are not serving you well Usually however to make a complete change it is necessary to recognize or realize more than just mentally Your emotional body s beliefs and needs must be met The emotional body needs to feel supported as you change this pattern The emotional works through feelings and symbols but its conclusions are just as valid just as meaningful and even more powerful than the mental conclusions In this book I Vywamus have given many possible causes of a lot of undesirable or unclear circumstances that you may be mirroring in your life You can read the sections and see if they seem to apply to what you are mirroring into your life from your beliefs If you are

manifesting into your life in a way that is not clear then reading this book may give you a light bulb or a realization that you are holding a specific erroneous belief **Shining the Light III** Robert Shapiro, Arthur Fanning, Robert Meyer, 1996-06-01
