The Factory Owner & the Convict Glenn C.,2005-03 William E Correll Life Treatment Center This book describes the way alcoholics actually think better than anything I have ever read The world of the good old timers of the early Alcoholics Anonymous movement comes alive in this book It tells the interlocking stories of seven people from diverse backgrounds men women black white wealthy poor who lived and taught the A A program with such clarity and spiritual depth that people came from miles away to sit at their feet and be taught by them This account was originally written for the local intergroups to tell how A A began during the 1940 s and 50 s in the cities and towns along the St Joseph river as it wound its way through Indiana and Michigan to empty into the Great Lakes But then all across the country people struggling with alcoholism and addiction began asking for copies and psychotherapists and counselors too It spoke to the heart they said It made the twelve step program come alive and showed how it really worked And above all they reported they had found that the words of these men and women were filled with a kind of spiritual wisdom and deep compassion which had the power to heal the soul So this new edition of *The Factory Owner the Convict* has now been prepared with the last half now printed as a separate volume entitled *The St Louis Gambler the Railroad Man*

Changed by Grace Glenn Chesnut,2006-08 Victor C Kitchen was a New York City advertising executive who wrote one of the Oxford Group s most important books He also went to the same Oxford Group meetings as Bill Wilson who later became the co founder of Alcoholics Anonymous This is a book about A A s roots in the Oxford Group as seen through the pages of Kitchen s work It explains how the key ideas which the two movements shared arose out of the evolution of the modern evangelical movement The author begins with John Wesley s Aldersgate experience in 1738 and traces this understanding of the healing power of grace down to Kitchen s and Bill W s time traversing en route the world of

nineteenth century revivalism the Keswick holiness movement and the early twentieth century foreign missionary effort The great theme around which all of this is centered is that of God's grace as the power to change human character itself This book shows what faith and grace are really about It shows how even faith mixed with doubt can lead us into true spiritual awakening and it explains the basic nuts and bolts required to obtain a constant conscious contact with a God of our understanding Each century produces a small handful of great spiritual books I believe strongly that *Changed by Grace* is going to prove one of the greatest of our present century The best way to describe it is to say that it does for us today what William James *Varieties of Religious Experience* did for the world of a hundred years ago John Barleycorn in *The Waynedale News*

God and Spirituality Glenn F. Chesnut, 2010-11-05 This book takes us on a journey through three thousand years of history showing us men and women searching for God and finding the answers to their quest in an amazingly diverse variety of life experiences The author introduces us to pagan Greeks and Romans ancient Hebrew authors Christians Catholic Eastern Orthodox and Protestant from all periods of history the physicists Albert Einstein and Stephen Hawking the mathematician Kurt Godel existentialist philosophers process theologians New Thought teachers and the great spiritual masters of the modern twelve step program

Father Ed Dowling Glenn F. Chesnut, 2015-07-17 The story of Father Ed Dowling S J the Jesuit priest who served for twenty years as sponsor and spiritual guide to Bill Wilson the co founder of Alcoholics Anonymous An icy evening in December 1940 saw the first meeting of two extraordinary spiritual leaders Father Ed said that the graces he received from meeting Bill Wilson were as great as those he had received from his ordination as a priest and Bill in turn described encountering the Jesuit as being like a second conversion experience where he could feel the transcendent presence of God filling the entire room with grace The good priest taught Wilson about St Ignatius Loyola's Spiritual Exercises about the eternal battle between good and evil which the Spanish saint described in that book and explained the Jesuit understanding of the way we can use our deepest emotions to receive guidance from God while serving on that battlefield The co founder of the twelve step movement in turn supplied Father Ed with some of the most valuable tools he possessed for carrying out small group therapy on a wide range of different kinds of troubled people Together the two men discussed Poulain's *Graces of Interior Prayer* and Bill's attempts to make spiritual contact with both spooks and saints and explored the world of LSD experiences and the teachings of the Catholic Hindu and Buddhist mystics in Aldous Huxley's *Perennial Philosophy* And we will see how Father Ed with his deep social conscience helped Bill W turn his book on the Twelve Traditions into a Bill of Rights for the twelve step movement and how he laid out his own spiritual vision of Alcoholics Anonymous at the A A International in St Louis in 1955
