The Bride of Christ Mark Fenison, 2013-12-05 How many times have you heard that Baptists think they are the only ones going to heaven or they believe you must be a Baptist to be saved Nothing could be further from the truth The reason Baptists are charged with believing this is because other denominations confuse the church with salvation Hence when Baptists identify themselves as the only true church of Christ the conclusion is wrongly drawn that one must be a member of a Baptist Church in order to be saved Baptists however believe that the church has nothing to do with positional salvation in Christ They also believe that God has left those who are saved here on earth to serve Him In this book Mr Fenison presents the belief that just as there is but one way of salvation there is but one way of service by one kind of church and this church is the Bride of Christ

Tertullian and the Church David Rankin,1995-08-17 Was Tertullian of Cathage a schismatic How did he view the church and its bishops How did he understand the exercise of authority within the church In this study David Rankin sets the writings of Tertullian in the context of the early third century church and the developments it was undergoing in relation to both its structures and its self understanding He then discusses Tertullian s own theology of the church his imagery and his perception of church office and ministry Tertullian maintained throughout his career a high view of the church and this in part constituted the motivation for his vitriolic attacks on the church s hierarchy after he had joined the New Prophecy movement His contribution to the development of the church has often been misunderstood and this thorough exploration provides a timely reassessment of its nature and importance
