

The Guadalcanal Campaign

Mark Stille

The Guadalcanal Campaign:

The Guadalcanal Campaign United States. Marine Corps, John L. Zimmerman, 1949 **First Offensive** Henry I. Shaw, Jr., 1996-11 *Hell's Islands* Stanley Coleman Jersey, 2008 Presents battlefield accounts and first person narratives from over 200 Allied and Japanese veterans of the battle on Guadalcanal Island between August 1942 and February 1943

Guadalcanal 1942-43 Mark Stille, 2015-08-20 The Guadalcanal campaign began with an amphibious assault in August 1942 the US's first attempt to take the fight to the Japanese It escalated into a desperate attritional battle on land air and sea and by the time the Japanese had evacuated the last of their forces from the island in 1943 it was clear that the tide of the war had turned The inexorable Japanese advance and the myth of Japanese invincibility shattered In this new study of the campaign Pacific War expert Mark Stille draws on both US and Japanese sources to give a balanced and comprehensive account of a crucial brutal conflict Analyzing the three Japanese attempts to retake the island in the face of ferocious American resistance this book shows how the battle was won and lost and how it affected the outcome of the Pacific War as a whole

The Guadalcanal Campaign United States. Marine Corps, John Lee Zimmerman, 1949 *Guadalcanal 1942* Joseph N. Mueller, 2004 Hard pressed Army Marine and Navy units halted the enemy's apparently irresistible advance in its tracks on Guadalcanal This book gives a gripping account the Allied forces first victory over Imperial Japan **The Guadalcanal Campaign** United States. Marine Corps, 1949 *Marines In World War II - The Guadalcanal Campaign [Illustrated Edition]* Major John L. Zimmerman USMCR, 2014-08-15 Contains 88 photos illustrations and maps We struck at Guadalcanal to halt the advance of the Japanese We did not know how strong he was nor did we know his plans We knew only that he was moving down the island chain and that he had to be stopped We were as well trained and as well armed as time and our peacetime experience allowed us to be We needed combat to tell us how effective our training our doctrines and our weapons had been We tested them against the enemy and we found that they worked From that moment in 1942 the tide turned and the Japanese never again advanced A A Vandergrift General U S Marine Corps Major John L Zimmerman USMCR

The Turning Points in the Pacific Charles River Charles River Editors, 2018-02-25 Includes pictures Includes soldiers accounts of the fighting Includes bibliographies for further reading Although not as well remembered as D Day or even the attack at Pearl Harbor that preceded it the Battle of Midway was one of the most unique and important battles fought during World War II In fact the turning point in the Pacific theater took place between June 4-7 1942 as a Japanese fleet moved a sizable fleet intending to occupy Midway Island and draw the American navy near Instead American aircraft flying from three aircraft carriers that had been away from Pearl Harbor in December 1941 got a bearing on the Japanese fleet and sunk four Japanese aircraft carriers permanently crippling Japan's navy The Battle of Midway was one of the first major naval battles in history where the enemy fleets never actually saw or came into contact with each other By the time the Battle of Midway was over the defeat was so devastating that it was actually kept secret from all but the highest echelons of the Japanese

government Along with the loss of hundreds of aircraft and over 3 000 men killed the four Japanese aircraft carriers lost when compared to America s one lost carrier was critical considering America s huge shipbuilding superiority However the Battle of Midway could also have easily turned out differently Japan began the battle with more carriers more and better aircraft and more experienced crews than the Americans and if the battle of the Coral Sea was any indication the two sides had irrefutable proof of the dominance of the aircraft carrier in the Pacific The implications of earlier clashes were now starkly underlined and the fighting was now clearly about timing The carrier fleets were incredibly powerful and crucially important yet at the same time they were hugely vulnerable weapons systems The protagonists at Midway were putting into practice a newly emerging naval doctrine one which ultimately meted out a terrible punishment to the side that miscalculated Carrier versus carrier combat had come of age The Guadalcanal Campaign which ran from August 1942 to February 1943 was a bitter and protracted struggle that also happened to be a strange and transitional confrontation quite unlike any other in the long Pacific War In conjunction with the American victory at the Battle of Midway Guadalcanal represented the crucial moment when the balance of power in the Pacific tipped in favor of the Allies but the idea that Guadalcanal would be such a significant battle would have come as a surprise to military strategists and planners on both sides Eventually nearly 100 000 soldiers fought on the island and the ferocity with which the Japanese fought was a fitting prelude to campaigns like Iwo Jima and Okinawa The campaign would include six separate naval battles three large scale land clashes and almost daily skirmishing and shelling Not surprisingly the campaign exacted a heavy toll with more than 60 ships sunk more than 1200 aircraft destroyed and more than 38 000 dead While the Japanese and Americans engaged at sea and in the skies of the 36 000 Japanese defenders on the ground over 30 000 of them would be dead by the end of the Guadalcanal campaign while the Americans lost about 7 000 killed By the end of the fighting the Guadalcanal Campaign had unquestionably become a turning point in the Pacific War representing both the last gasp of the Japanese offensive and the first stirrings of the American onslaught The Turning Points in the Pacific comprehensively covers the events leading up to the campaign analyzes the decisions made by the battles most important leaders and explains the aftermath of the American victories Along with a bibliography and pictures of important people and places you will learn about Guadalcanal like you never have before in no time at all

The First Team and the Guadalcanal Campaign John B Lundstrom, 2005-07-01 From huddled command conferences to cramped cockpits John Lundstrom guides readers through the maelstrom of air combat at Guadalcanal in this impressively researched sequel to his earlier study Picking up the story after Midway the author presents a scrupulously accurate account of what happened describing in rich detail the actual planes and pilots pitted in the ferocious battles that helped turn the tide of war Based on correspondence with 150 American and Japanese veterans or their families he reveals the thoughts pressures and fears of the airmen and their crews as he reconstructs the battles These are the story of the Wildcat and Zero fighters and the Dauntless Avenger Betty Kate and Val bombers Lavishly illustrated with

drawings maps and photographs this fresh look at the campaign set a standard for aviation histories when first published in 1994

Guadalcanal Eric Hammel, 2020-12-15 GUADALCANAL Decision at Sea The Naval Battle of Guadalcanal November 13 15 1942 Eric Hammel Guadalcanal Decision at Sea is a full blown examination in vivid detail of the Naval Battle of Guadalcanal November 13 15 1942 a crucial step toward America's victory over the Japanese during World War II The three day air and naval action incorporated America's most decisive surface battle of the war and the only naval battle of this century in which American battleships directly confronted and mortally wounded an enemy battleship This American victory decided the future course of the naval war in the Pacific indeed of the entire Pacific War Hammel has brilliantly blended the detailed historical records with personal accounts of many of the officers and enlisted men involved creating an engrossing narrative of the strategy and struggle as seen by both sides He has also included major new insights into crucial details of the battles including a riveting account of the American forces failure to effectively use their radar advantage Originally published in 1988 as the concluding volume in Eric Hammel's series of three independent books focusing on the Guadalcanal campaign and exploring all the elements that made it a turning point of the war in the Pacific Guadalcanal Decision at Sea lives up to the high standards and expectations that have marked this author's many historical books and articles Praise for Guadalcanal Decision at Sea and Eric Hammel Hammel's description of surface tactics naval gunnery and what happens when the order to abandon ship is given is vivid and memorable Publishers Weekly Hammel's detailed and fast paced chronicle includes a number of incidents and anecdotes not found in the more prosaic official histories Sea Power Meticulously well researched and scholarly but still readable Author Hammel presents an interesting account of the three phase battle with frequently gripping ship by ship plane by plane blow by blow narratives laden with many human interest vignettes from both sides The Hook Hammel mixes action with his history the result being a highly readable story difficult to put down Riverside Press Enterprise Hammel's painstaking reconstruction affords not only a wealth of strategic and tactical detail but also a full measure of critical judgements a kaleidoscopic but invariably intelligible accounts of key actions Kirkus Reviews Hammel does not write dry history His battle sequences are masterfully portrayed Library Journal

Guadalcanal: Starvation Island Eric Hammel, 2020-12-23 Guadalcanal Starvation Island Eric Hammel The Japanese defeats at Midway and Guadalcanal decided the outcome of the Pacific War Guadalcanal was the classic three dimensional campaign On land at sea and in the air fierce battles were fought with both sides stretching their supplies and equipment to the breaking point The campaign lasted six months involved nearly one million men and stopped Japanese expansion in the Pacific When the campaign began on August 7 1942 no one on either side quite knew how to conduct it as Eric Hammel shows in this masterly account Guadalcanal Starvation hand corrects numerous errors and omissions in the official records that have been perpetuated in all the books previously published about the campaign Hammel also draws on the recollections of more than 100 participants on both sides especially the enlisted men at the sharp end Their words bring us into the heart of the battle

and portray the fighting accurately realistically and very powerfully Guadalcanal Starvation Island follows the men and the commanders of this decisive World War II campaign in an integrated brilliantly told narrative of the desperate struggle at sea on land and in the air Praise for Guadalcanal Starvation Island and Eric Hammel A comprehensive history of the Guadalcanal Campaign and a well balanced account Well written and fast moving Marine Corps Gazette Hammel has written the most comprehensive popular account to date and exposes controversial aspects often passed over Publishers Weekly Hammel takes the reader behind the scenes and details how decisions were made and how they impacted on the troops carrying them out He tells the story in a very human way Leatherneck Magazine A splendid record of this decisive campaign Hammel offers a wealth of fresh material drawn from archival records and the recollections of 100 odd surviving participants A praise worthy contribution to Guadalcanal lore Kirkus Reviews Hammel's ability to reveal both the immediacy and the humanity of war without judgment or bias makes all his books both readable and scholarly San Francisco Chronicle Hammel does not write dry history His battle sequences are masterfully portrayed Library Journal

Japanese Combined Fleet 1942-43
Mark Stille, 2024-09-24 A superbly illustrated account of the Japanese Navy during the fierce battles of Guadalcanal and the Solomons explaining how and why it fought as it did Contrary to myth the Imperial Japanese Navy was not a shattered force after its defeat at Midway In this book Pacific War expert Mark Stille examines the IJN's Combined Fleet during the Guadalcanal and Solomons campaigns when it was reorganized and was forced to fight a grinding battle of attrition against the US Navy The early surface battles in the Guadalcanal campaign played into the strength of the Combined Fleet which had long trained for night combat The IJN's rebuilt carrier force also performed well and managed to score its most clearcut victory against the USN's carriers of the entire war at the battle of Santa Cruz but the overall Guadalcanal campaign ended in disaster The result was that the IJN was unwilling to engage in a major struggle for the Central and Northern Solomons instead using only its destroyer force and land based air power to fight a delaying action However this was costly and weakened the Combined Fleet for the rest of the war Using the most recent sources and illustrated with superb artwork 3D diagrams and maps the book is the first attempt to focus on how the Combined Fleet fought these campaigns and most importantly how their results affected the rest of the war

No Bended Knee Merrill B. Twining, 2004-03-30 A VIVID NARRATIVE A splendid first person account of the costly campaign that enabled Allied forces to wrest Guadalcanal from the Japanese in World War II's Pacific theater Kirkus Reviews By reading and studying No Bended Knee the military professional can gain an appreciation for war at the strategic operational and tactical levels Twining writes as he served his corps boldly and straightforwardly with impeccable detail and superb understanding of things strategic Airpower Journal A VIEW FROM THE NERVE CENTER COMPLETE WITH TELLING PERSONAL ANECDOTES Journal Inquirer Manchester CT Twining adds notably to the literature on Guadalcanal and provides one of the best accounts of war as seen from the perspective of the often maligned yet absolutely indispensable headquarters staff Booklist CANDID AND REVEALING Publishers Weekly

Japanese Combined Fleet 1942-43 Mark Stille, 2024-09-26 A superbly illustrated account of the Japanese Navy during the fierce battles of Guadalcanal and the Solomons explaining how and why it fought as it did Contrary to myth the Imperial Japanese Navy was not a shattered force after its defeat at Midway In this book Pacific War expert Mark Stille examines the IJN's Combined Fleet during the Guadalcanal and Solomons campaigns when it was reorganized and was forced to fight a grinding battle of attrition against the US Navy The early surface battles in the Guadalcanal campaign played into the strength of the Combined Fleet which had long trained for night combat The IJN's rebuilt carrier force also performed well and managed to score its most clearcut victory against the USN's carriers of the entire war at the battle of Santa Cruz but the overall Guadalcanal campaign ended in disaster The result was that the IJN was unwilling to engage in a major struggle for the Central and Northern Solomons instead using only its destroyer force and land based air power to fight a delaying action However this was costly and weakened the Combined Fleet for the rest of the war Using the most recent sources and illustrated with superb artwork 3D diagrams and maps the book is the first attempt to focus on how the Combined Fleet fought these campaigns and most importantly how their results affected the rest of the war **Guadalcanal** John Miller, 1989 **The Island** Herbert Laing Merillat, 2010 This is the real story soberly honestly authoritatively told New York Times This is a tale of dogged resistance courage and sacrifice that will remain imperishable in our history Weekly Book Review In August 1942 U S Marines landed on the island of Guadalcanal in the South Pacific and defeated Japanese forces for the first time turning the tide of World War II against Japan Written by a historian who fought alongside his fellow marines for the entire four month campaign The Island is an indispensable story of this hard fought victory **The naval battles for Guadalcanal 1942** Mark Stille, 2013-05-20 The battle for Guadalcanal that lasted from August 1942 to February 1943 was the first major American counteroffensive against the Japanese in the Pacific The battle of Savo Island on the night of 9 August 1942 saw the Japanese inflict a severe defeat on the Allied force driving them away from Guadalcanal and leaving the just landed marines in a perilously exposed position This was the start of a series of night battles that culminated in the First and Second battles of Guadalcanal fought on the nights of 13 and 15 November One further major naval action followed the battle of Tassafaronga on 30 November 1942 when the US Navy once again suffered a severe defeat but this time it was too late to alter the course of the battle as the Japanese evacuated Guadalcanal in early February 1943 This title will detail the contrasting fortunes experienced by both sides over the intense course of naval battles around the island throughout the second half of 1942 that did so much to turn the tide in the Pacific [The Greatest Battles in History](#) Charles River Charles River Editors, 2018-02-14 Includes pictures Includes accounts of the fighting Includes a bibliography for further reading You ran a fever of 106 degrees And you still had to try to stay and stay with your position You had dengue fever which is even worse than malaria Men that were scratched with coral became infected with a rundown condition It was a war of attrition mostly for the Marines Major Vincent Kramer 5th Defense Battalion US Marines The names of history's most famous battles

still ring in our ears today with their influence immediately understood by all Marathon lent its name to the world's most famous race but it also preserved Western civilization during the First Persian War Saratoga won by one of the colonists most renowned war heroes before he became his nation's most vile traitor Hastings ensured the Normans success in England and changed the course of British history Waterloo which marked the reshaping of the European continent and Napoleon's doom has now become part of the English lexicon In Charles River Editors Greatest Battles in History series readers can get caught up to speed on history's greatest battles in the time it takes to finish a commute while learning interesting facts long forgotten or never known The Guadalcanal Campaign which ran from August 1942 to February 1943 was a bitter and protracted struggle that also happened to be a strange and transitional confrontation quite unlike any other in the long Pacific War In conjunction with the American victory at the Battle of Midway Guadalcanal represented the crucial moment when the balance of power in the Pacific tipped in favor of the Allies but the idea that Guadalcanal would be such a significant battle would have come as a surprise to military strategists and planners on both sides Nonetheless by the time the Guadalcanal campaign was underway it was a confrontation that neither side actively sought but that both sides came to believe they could not afford to lose When Allied forces landed on the island it was an effort to deny the Japanese the use of the island and other nearby islands but the Japanese defenders fought bitterly in an effort to push them off the island resulting in a rather unique battle that consisted mostly of a Japanese offensive against Americans that invaded amphibiously and dug in While the Americans closed the campaign with a substantial material advantage the American garrison on Guadalcanal was initially undermanned and terribly undersupplied Eventually nearly 100 000 soldiers fought on the island and the ferocity with which the Japanese fought was a fitting prelude to campaigns like Iwo Jima and Okinawa The campaign would include six separate naval battles three large scale land clashes and almost daily skirmishing and shelling Not surprisingly the campaign exacted a heavy toll with more than 60 ships sunk more than 1200 aircraft destroyed and more than 38 000 dead While the Japanese and Americans engaged at sea and in the skies of the 36 000 Japanese defenders on the ground over 30 000 of them would be dead by the end of the Guadalcanal campaign while the Americans lost about 7 000 killed By the end of the fighting the Guadalcanal Campaign had unquestionably become a turning point in the Pacific War representing both the last gasp of the Japanese offensive and the first stirrings of the American onslaught In the wake of the Japanese defeat Major General Kiyotake Kawaguchi asserted Guadalcanal is no longer merely a name of an island in Japanese military history It is the name of the graveyard of the Japanese army The Greatest Battles in History The Guadalcanal Campaign comprehensively covers the entire military situation that led up to the campaign analyzes the decisions made by the battle's most important leaders and explains the aftermath of the American victory

Guadalcanal: the First Offensive John Miller, 1949

When somebody should go to the books stores, search inauguration by shop, shelf by shelf, it is in reality problematic. This is why we offer the books compilations in this website. It will completely ease you to look guide **The Guadalcanal Campaign** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections.
