Teachings of Silver Birch Silver Birch (Spirit),1998 *TEACHINGS OF SILVER BIRCH* Silver Birch,2013-07-30 Yes it is necessary to keep on spreading the teachings of Spiritualism even in Italy Throughout the centuries Spiritualism has always been hindered yet with different definitions from the one we use today it is the oldest movement known in the world it is always the same force of the Spirit that is in operation The philosophy of teachings like the ones you will find in this book reveals a true knowledge of the concept of God one that does not need intermediaries like churches or theology It reveals the bond of mediumship with God it brings back to us the instruments we need to reason on religiosity The demonstration mediumship gives us that life is eternal that the spirit and the soul are immortal has the purpose of bringing us back to the authentic knowledge of God as Jesus already did But Jesus Christ s teaching has been lost in many of its aspects by churches and by theology themselves The teachings of Spiritualism lead us to understand why each form of mediumship is a sacred gift at God s service always whose purpose is not only to prove us that life is eternal but also to make us aware that everything is in communion with God we are all part of the infinite Spirit of God The book is available with English text and Italian translation *A Voice in the Wilderness* Silver Birch (Spirit),Tony Ortzen,1986 **Silver Birch Companion** Silver Birch (Spirit),Tony Ortzen,1999-12-01 **Philosophy of Silver Birch** Silver Birch (Spirit),Maurice Barbanell,1969 **Guidance from Silver Birch** Silver Birch,1966 **Guidance from Silver Birch** Birch Silver (pseud.),1971 **Spirit Speaks** Michael Mayo,2022-12-08 Discover How and Why Evidential Mediumship Works Join world renowned medium Michael Mayo on a step by step journey through the mechanics of spirit communication where you will learn to sense the subtle energy around you and promote healing in yourself and others With Michael s practical approach to evidence based mediumship you can build a reliable connection to the spirit world and develop the authentic abilities that have always been within you Covering everything you need to cultivate effective mediumship skills Spirit Speaks features lessons in developing a relationship with spirit guides recognizing spirit people by their essence finding quality evidence during a reading and troubleshooting problems that may arise You will also explore the history of mediumship ponder ethical considerations dispel common myths and gain a deeper understanding of grief This book helps you connect with who you truly are and live more meaningfully *AB Bookman's Weekly* ,1994 **Redefining Shamanisms** David Gordon Wilson,2013-01-31 Spiritualism and mediumship are often regarded as the product of lingering superstition in the Victorian era and as having limited relevance in modern Anglo American society Scholarship to date which has considered Spiritualism as a distinct religious tradition has focussed on analysing the phenomenon in terms of spirit possession only This volume analyses the development of shamanism communication with the spiritual world as a concept within North American English speaking scholarship with particular focus on Mircea Eliade s influential cross cultural presentation of shamanism By re examining the work of Sergei Shirokogoroff one of Eliade s principal sources the traditional Evenki shamanic apprenticeship is compared and identified

with the new Spiritualist apprenticeship The author demonstrates that Spiritualism is best understood as a traditional shamanism as distinct from contemporary appropriations or neo shamanisms He argues that shamanism is the outcome of an apprenticeship in the management of psychic experiences and which follows the same pattern as that of the apprentice medium In doing so the author offers fresh insights into the mechanisms that are key to sustaining mediumship as a social institution *Guidance from Silver Birch* Anne Dooley,1966 **River of Life** Marilyn J. Awtry,2007-06 **Subject Guide to Books** ,1944 Contents v 1 History travel description *Life Before Death* Colin Fry,2012-04-24 As Britain's leading psychic medium perhaps it's not surprising that more than 200 000 people buy tickets every year to see Colin Fry's theatre tour up and down the country and in New Zealand It's also not surprising that his top rating TV show *Sixth Sense* is now in its 7th series and continues to hold an average of 100 000 viewers per month With such an enormous fan base there is therefore huge interest in Colin Fry's first book *Life Before Death* A compelling read full of extraordinary stories from his life and work it also investigates a theme which comes up time and again in his conversations with people who come to him for readings how do you make the most of your time in this world Colin Fry has a gift for being able to receive messages from souls in the spirit world Remarkable and fascinating as this is he feels strongly that the messages he receives should be used to help us maximise our life's potential *Life Before Death* explains how he was able to develop his gift and what being a psychic medium actually means But it also gives advice on how to make better connections with your friends and family how to be open to new things in life how to both forgive and give more readily and how to accept all that happens to you
