Eldredge,2004-06 Here for the first time is the story of the 2nd Chemical Mortar Battalion told in the pictures and memories of the veterans themselves with the son of a mortar company commander as their voice **The Liberator** Alex Kershaw,2013-10-15 The untold story of the bloodiest and most dramatic march to victory of the Second World War now a Netflix original series starring Jose Miguel Vasquez Bryan Hibbard and Bradley James Exceptional worthy addition to vibrant classics of small unit history like Stephen Ambrose s Band of Brothers Wall Street Journal Written with Alex Kershaw s trademark narrative drive and vivid immediacy The Liberator traces the remarkable battlefield journey of maverick U S Army officer Felix Sparks through the Allied liberation of Europe from the first landing in Italy to the final death throes of the Third Reich Over five hundred bloody days Sparks and his infantry unit battled from the beaches of Sicily through the mountains of Italy and France ultimately enduring bitter and desperate winter combat against the die hard SS on the Fatherland s borders Having miraculously survived the long bloody march across Europe Sparks was selected to lead a final charge to Bavaria where he and his men experienced some of the most intense street fighting suffered by Americans in World War II And when he finally arrived at the gates of Dachau Sparks confronted scenes that robbed the mind of reason and put his humanity to the ultimate test **Infantry** ,1973 *Dwight Eisenhower and the Holocaust* Jason Lantzer,2023-10-24 Dwight Eisenhower s encounter with the Holocaust altered how he understood the Second World War and shaped how he led the United States and the Western Alliance during the Cold War This book is the first to blend scholarship on Eisenhower World War II and the Holocaust together constructing a narrative that offers new insights into all three all while uncovering the story of how he became among the first to vow that such atrocities would never again be allowed to happen From the moment he stepped foot in the concentration camp Ohrdruf in April 1945 defeating Nazi Germany took on a moral hue for Eisenhower that had largely been absent before It spurred the belief that totalitarianism in all its forms needed to be confronted This conviction shaped his presidency and solidified American engagement in the postwar world Putting these pieces of the story together alters how we view and understand the second half of the twentieth century **The Holocaust** National Jewish Resource Center (U.S.),1985 **The Liberation of the Camps** Dan Stone,2015-05-19 A moving deeply researched account of survivors experiences of liberation from Nazi death camps and the long difficult years that followed When tortured inmates of Hitler s concentration and extermination camps were liberated in

1944 and 1945 the horror of the atrocities came fully to light It was easy for others to imagine the joyful relief of freed prisoners yet for those who had survived the unimaginable the experience of liberation was a slow grueling journey back to life In this unprecedented inquiry into the days months and years following the arrival of Allied forces at the Nazi camps a foremost historian of the Holocaust draws on archival sources and especially on eyewitness testimonies to reveal the complex challenges liberated victims faced and the daunting tasks their liberators undertook to help them reclaim their shattered lives Historian Dan Stone focuses on the survivors their feelings of guilt exhaustion fear shame for having survived and devastating grief for lost family members their immense medical problems and their later demands to be released from Displaced Persons camps and resettled in countries of their own choosing Stone also tracks the efforts of British American Canadian and Russian liberators as they contended with survivors immediate needs then grappled with longer term issues that shaped the postwar world and ushered in the first chill of the Cold War years ahead

Hitler's Last Day: Minute by Minute Jonathan Mayo, Emma Craigie, 2015-04-09 On 30th April 1945 Germany is in chaos Russian troops have reached Berlin All over the country people are on the move concentration camp survivors Allied PoWs escaping Nazis and the civilian population is fast running out of food The man who orchestrated this nightmare is in his bunker beneath the capital saying his farewells This is the gripping story of Hitler's final hours as seen through the eyes of those who were with him in the bunker those fighting in the streets of Germany and those pacing the corridors of power in Washington London and Moscow 30th April 1945 was a day that millions had dreamed of and millions had died for

Finding Home and Homeland Avinoam J. Patt, 2009 Patt argues that Zionism was highly successful in filling a positive function for young displaced persons in the aftermath of the Holocaust because it provided a secure environment for vocational training education rehabilitation and a sense of family One of the foremost expressions of Zionist affiliation on the part of surviving Jewish youths after the war was the choice to live in kibbutzim organized within displaced persons camps in Germany and Poland or even on estates of former Nazi leaders By the summer of 1947 there were close to 300 kibbutzim in the American zone of occupied Germany with over 15 000 members as well as 40 agricultural training settlements hakhsharot with over 3 000 members Ultimately these young people would be called upon to assist the state of Israel in the fighting that broke out in 1948 Patt argues that for many of the youth who joined the kibbutzim of the Zionist youth movements and journeyed to Israel it was the search for a new home that ultimately brought them to a new homeland From publisher description

Military Review, 1973 *Professional Journal of the United States Army*, 1973 Fantasies of the Master Race Ward Churchill, 1998 Chosen an Outstanding Book on the Subject of Human Rights in the United States by the Gustavus Myers Center for the Study of Human Rights In this volume of incisive essays Ward Churchill looks at representations of American Indians in literature and film delineating a history of cultural propaganda that has served to support the continued colonization of Native America During each phase of the genocide of American Indians the media has played a critical role in creating easily digestible stereotypes of Indians for

popular consumption Literature about Indians was first written and published in order to provoke and sanctify warfare against them Later the focus changed to enlisting public support for civilizing the savages stripping them of their culture and assimilating them into the dominant society Now in the final stages of cultural genocide it is the appropriation and stereotyping of Native culture that establishes control over knowledge and truth The primary means by which this is accomplished is through the powerful publishing and film industries Whether they are the tragically doomed noble savages walking into the sunset of *Dances With Wolves* or Carlos Castaneda's Don Juan the exotic mythical Indians constitute no threat to the established order Literature and art crafted by the dominant culture are an insidious political force disinforming people who might otherwise develop a clearer understanding of indigenous struggles for justice and freedom This book is offered to counter that deception and to move people to take action on issues confronting American Indians today

The Publishers Weekly, 1995 **The Medical Department** Graham A. Cosmas, Albert E. Cowdrey, 1992 United States Army in World War II, 1992 **Holocaust Mosaic** Helen Weber, 2006-10-29 Survivors especially will appreciate Weber's account of Hitler's war against the Jews from killing Jews at the edge of the pit to Zyklon B and the crematoria

The Bitter Road to Freedom William I. Hitchcock, 2008-10-21 Reading Group Guide for *The Bitter Road to Freedom* by William I. Hitchcock

- 1 The story of the liberation of Europe has been told many times What new and surprising things did you learn from this book that you didn't know before
- 2 The book makes use of so many primary sources letters diaries old records and as a result we hear many voices Did these first hand accounts change the way you previously perceived the liberation of Europe Why or why not
- 3 Americans remember the end of WWII as a time of triumph and universal celebration in Europe when the occupied countries were finally freed from Hitler's tyranny What was life really like for Europeans during and after the Liberation Why do you think Americans remember the Liberation so differently from Europeans
- 4 The book discusses the violence and suffering that occur to the civilian population in even the most just of wars Do you think what happened in Europe after the war has present day applications especially regarding the war in Iraq and our escalating campaign in Afghanistan
- 5 Some might see this book as disparaging to the accomplishments of The Greatest Generation How do you think veterans of WWII will react to this book
- 6 Americans were surprised to find that they got along well with the Germans upon entering their country In what ways does Eisenhower's failed ban on American soldiers fraternizing with German civilians illustrate the differences between political ideology and basic human experience How might these differences still be true today
- 7 Were you surprised to find that survivors of the Holocaust faced such difficulties in the immediate aftermath of their liberation How might that treatment influence their view of the end of the war
- 8 Why do you think the large scale relief effort that America led in Europe through many charitable organizations and volunteer groups is not better known in the United States Should historians write as much about the humanitarian side of war as they do about battle field history
