The Age Of The Story Tellers:

The Story Tellers' Magazine ,1917 **The Storytellers' Journey** Joseph Daniel Sobol,1999 This is the seed of The Storytellers Journey Joseph Daniel Sobol s history of the past thirty years of American storytelling In this compelling examination of the contemporary search for myth Sobol explores the social and psychological roots of the storytelling revival and the ever resurgent power of the storyteller Drawing on interviews with dozens of storytellers around the country Sobol paints the revival as part of a larger process of cultural revitalization He traces the growth of the preeminent revival organization the National Association for the Preservation and Perpetuation of Storytelling NAPPS and details the individual passions the organizational politics and the economic social and mythic forces that have combined to transform a ragtag assemblage of enthusiasts into a national and international network of arts professionals A seemingly chance encounter between a restlessly ambitious high school teacher and a coonhunting tale on the car radio sets off a chain of inspirations that changes the face of a small southern town touches lives across America and revitalizes a homely but treasured art form

The Storyteller's Son Wesley Allan Dueck,2018-11-01 A storyteller upon realizing his life is short begins to prepare his seven year old son Wesley for a dark fatherless future Using Bible stories he tries to convince his son to be a lifetime follower of the God who loves him and longs to be his earthly father s replacement But when his father passes away Wesley is filled with bitterness Like the old tree behind his family home he is pelted by the storms of life and can only brace himself against the wind As Wesley embarks on a journey away from the God he believes is responsible for his dad s death he turns to petty crime and a path marked by bad choices until ultimately a collision course with a God Encounter changes his world In his memoir The Storyteller s Son Wesley Allan Dueck becomes a storyteller himself by skillfully recounting his stories of his journey s twisted path first away from and then towards his God and religion Sometimes truth makes a better story than fiction so buckle up grab a box of tissues and prepare for a roller coaster ride that ends in salvation

Educating by Story-telling Katherine Dunlap Cather,1918 **The Storyteller's Secret** Carmine Gallo,2016-02-23 How did a Venice Beach T shirt vendor become television s most successful producer How did an entrepreneur who started in a garage create the most iconic product launches in business history How did a timid pastor s son overcome a paralyzing fear of public speaking to captivate sold out crowds at Yankee Stadium twice How did a human rights attorney earn TED s longest standing ovation and how did a Facebook executive launch a movement to encourage millions of women to lean in They told brilliant stories In The Storyteller s Secret From TED Speakers to Business Legends Why Some Ideas Catch on and Others Don t keynote speaker bestselling author and communication expert Carmine Gallo reveals the keys to telling powerful stories that inspire motivate educate build brands launch movements and change lives The New York Times has called a well told story a strategic tool with irresistible power the proof lies in the success stories of 50 icons leaders and legends featured in The Storyteller s Secret entrepreneurs like Richard Branson Sara Blakely Elon Musk Steve Jobs and Sheryl Sandberg spellbinding

speakers like Dr Martin Luther King Jr Bryan Stevenson and Malala Yousafzai and business leaders behind famous brands such as Starbucks Southwest Airlines Wynn Resorts Whole Foods and Pixar Whether your goal is to educate fundraise inspire teams build an award winning culture or to deliver memorable presentations a story is your most valuable asset and your competitive advantage In *The Storyteller's Secret* Gallo explains why the brain is hardwired to love stories especially rags to riches stories and how the latest science can help you craft a persuasive narrative that wins hearts and minds The art of storytelling can be used to drive change says billionaire entrepreneur Richard Branson And since the next decade will see the most change our civilization has ever known your story will radically transform your business your life and the lives of those you touch Ideas that catch on are wrapped in story Your story can change the world Isn't it time you shared yours

Storytellers @ Work Nandita Bhardwaj, Tirna Ray, Smita Mishra Chaturvedi, 2004 A celebration of words An explosion of ideas The joy of storytelling From writers translators and philosophers to storytellers filmmakers and economists each of them wield the power of story to offer a glimpse into their art and craft thoughts and ideas Twenty one stimulating talks and essays that invite the reader to dip where they choose to take the book's challenge where they please *Educating by Story-Telling* Katherine Dunlap Mrs. Cather, 2022-09-04 In *Educating by Story Telling* Katherine Dunlap Mrs Cather presents an insightful exploration into the art of narrative as a pedagogical tool The book deftly intertwines storytelling with educational theory demonstrating how narratives can enhance understanding retention and moral reasoning in learners particularly in early education Cather's literary style blends earnest prose with practical examples reflecting the early 20th century educational reforms that emphasized creativity and emotional engagement over rote memorization positioning the work as both a theoretical and practical guide for educators of the time Katherine Dunlap Mrs Cather an influential educator and reformer drew from her extensive teaching experience and a deep understanding of child psychology to craft this essential work Her commitment to progressive education marked by a focus on individual student needs and the cultivation of critical thinking undoubtedly influenced her approach to storytelling as a vehicle for learning Cather's own life rooted in a rich tapestry of literature and teaching shapes her perspectives and contributes to the depth of her arguments I wholeheartedly recommend *Educating by Story Telling* to educators parents and anyone interested in the dynamic relationship between narrative and learning Cather's timeless insights into the power of storytelling will inspire readers to reconsider their approaches to education fostering environments that celebrate creativity and intellectual engagement
