Marty, 2012-09-01 The reality of the secular has come to obsess modern religious thinkers notes Martin E Marty This volume analyzes from the first time the complex story of THE MODERN SCHISM an episode in the cultural and spiritual history of the West which has had fateful consequences for contemporary society Dr Marty argues that during the previous century there occurred a cluster of events more devastating to and potentially more hopeful for Christianity than anything that happened during such similar periods as the Renaissance and the Enlightenment He traces three different types of secularization which together make up the modern schism shows how they have developed in the West and where they are leading man today By contrasting the ways in which the old Christian order
