## **The Aims Of History Values Of The Historical Attitude:**

*The Aims of History* David Thomson, 1974      **The Study of History**, 2000 History is a subject which never stands still It is always changing its philosophies its contours its leading questions its politics its conceptual status and its methodologies This bibliographical guide to the study of history is wide ranging in scope extending from the ancient world to the 20th century It deliberately concentrates on modern historians views provides a substantial section on the philosophy of history charts controversies and highlights the continual evolution and diversification of history The material is logically organized in major areas and subsections and cross references are given where appropriate An index of authors editors and compilers is also provided      Thinking Historically Stephane Levesque, 2009-10-17 Two simple but profound questions have preoccupied scholars since the establishment of history education over a century ago what is historical thinking and how do educators go about teaching it In *Thinking Historically* St phane Lt vesque examines these questions focusing on what it means to think critically about the past As students engage in a new century already characterized by global instability uncertainty and rivalry over claims about the past present and future this study revisits enduring questions and aims to offer new and relevant answers Drawing on a rich collection of personal national and international studies in history education Lt vesque offers a coherent and innovative way of looking at how historical expertise in the domain intersects with the pedagogy of history education *Thinking Historically* provides teacher educators and all those working in the field of history education ways of rethinking their practice by presenting some of the benchmarks in terms of procedural concepts of what students ought to learn and do to become more critical historical actors and citizens As questions regarding history education compel educators with greater force than ever this study explores different ways of approaching and engaging with the discipline in the twenty first century      **Herbert Butterfield** C.T. McIntire, 2008-10-01 Herbert Butterfield 1900 1979 was an important British historian and religious thinker whose ideas in particular his concept of a Whig interpretation of history remain deeply influential In this intellectual biography the first comprehensive study of Butterfield C T McIntire focuses on the creative processes that lay behind Butterfield s intellectual accomplishments Drawing on his investigations into Butterfield s vast and diverse output of published and unpublished work McIntire explores Butterfield s ideas and methods He describes Butterfield s lifelong devotion to his Methodist faith and shows how his Christian spirituality animated his historical work He also traces the theme of dissent that ran through Butterfield s life and work presenting a man who found himself at odds with prevailing convictions about history morality politics religion and teaching a man who elevated the notion of dissent into an ethic of living in tension with any established system      **Heritopia** Jes Wienberg, 2021-03-09 *Heritopia* investigates the meanings of the past in the present focusing on Abu Simbel in Egypt and other World Heritage sites It explores and resolves a number of paradoxes the past is impossible to preserve for eternity all preservation implies change preservation of one site normally means destruction of others threats are important in the creation of heritage but at the same time heritage may become a

threat and threats can become heritage themselves heritage stands in contrast to modernity and is at the same time part of it both the increase and the decrease of modernity create heritage and finally heritage may be global and local at the same time Heritopia will appeal to students and professionals in heritage studies and related subjects such as archaeology history ethnology and museology An electronic edition of this book is freely available under a Creative Commons CC BY NC ND

**Religion** Amalendu Misra, 2004-08-30 A sensitive and intelligent account of the Indian nationalist thought and the difficulties it faced in doing justice to India's Islamic inheritance Lord Parekh Fellow of the British Academy A thoughtful well researched and original analysis of the nationalist conceptualisation of the Muslim presence in India Professor Noel O Sullivan University of Hull Amalendu Misra shows that while some eminent nationalist leaders were implacably hostile to Muslims even wholly secular ones were uneasy with India's Muslim past and had a generally unfavourable disposition towards both Muslims and Islam The book explicates this by focusing on the writings of Vivekananda Gandhi Nehru and Savarkar supported by a wealth of examples from a wide range of contexts It argues that the views of these four prominent individuals were heavily shaped by British historiography as well as their respective visions of independent India The author goes on to suggest how modern India needs to redefine itself to flourish as a genuinely secular democracy **Theology in**

**Japan** Nelson J. Jennings, 2005-01-21 Japanese Christian leader Takakura Tokutaro 1885 1934 is the focus of this exhaustive historical and theological study Takakura's life spanned a critical period in developing Japan a new member of the modern family of nations At the age of 21 through the preaching of the immensely influential church leader Uemura Masahisa Takakura converted to the Christian faith He later spent over two years in the West reading extensively in British and German theology Takakura thus faced the challenge of absorbing numerous lines of influence and re articulating the Christian faith within his own generation's distinctly Japanese linguistic and religious cultural context His personal religious experience was a microcosm of the universalization of Christian theology during the nineteenth and twentieth centuries Despite having played important leadership roles within the Protestant Church in Japan during the 1920s and early 1930s Takakura's name is scarcely known outside limited Japanese theological circles This study lends recognition to his influential role in the Christian Church It also utilizes Takakura's example to provide further insight into the universalizing trend in Christian thought that continues even today **Levelling Wind** Brij V.
