The Enigma Of Colonialism British Policy In West Africa:

The Enigma of Colonialism Anne Phillips, 1989 The discussion of pre colonial slavery shows how slavery became integrated into the new colonial economy *Slavery and Colonial Rule in French West Africa* Martin A. Klein, 1998-07-28 Martin Klein's book is a history of slaves during the nineteenth and twentieth centuries in three former French colonies It investigates the changing nature of local slavery over time and the evolving French attitudes towards it through the phases of trade conquest and colonial rule The heart of the study focuses on the period between 1876 and 1922 when a French army composed largely of slave soldiers took massive numbers of slaves in the interior while in areas near the coast hesitant actions were taken against slave raiding trading and use After 1900 the French withdrew state support of slavery and as many as a million slaves left their masters A second exodus occurred after World War I when soldiers of slave origin returned home The renegotiation of relationships between those who remained and their masters carries the story into the contemporary world

Industrialisation and the British Colonial State Lawrence Butler, 2012-12-06 Taking colonial policy towards West Africa as a case study Butler shows that during the 1940s the Colonial Office evolved a policy of encouraging colonial industry as part of a broad programme of development intended to prepare colonies for independence

The Twentieth Century Judith Margaret Brown, 1999 This text looks at the growth of vibrant often new national identities movements and new nation states that reshape the political map of the late 20th century world [Triumph of the Expert](#) Joseph Morgan Hodge, 2007-02-15 The most striking feature of British colonialism in the twentieth century was the confidence it expressed in the use of science and expertise especially when joined with the new bureaucratic capacities of the state to develop natural and human resources of the empire *Triumph of the Expert* is a history of British colonial doctrine and its contribution to the emergence of rural development and environmental policies in the late colonial and postcolonial period Joseph Morgan Hodge examines the way that development as a framework of ideas and institutional practices emerged out of the strategic engagement between science and the state at the climax of the British Empire Hodge looks intently at the structural constraints bureaucratic fissures and contradictory imperatives that beset and ultimately overwhelmed the late colonial development mission in sub Saharan Africa south and southeast Asia and the Caribbean *Triumph of the Expert* seeks to understand the quandaries that led up to the important transformation in British imperial thought and practice and the intellectual and administrative legacies it left behind

The Ends of European Colonial Empires Miguel Bandeira Jerónimo, António Costa Pinto, 2016-02-16 This volume provides a multidimensional assessment of the diverse ends of the European colonial empires addressing different geographies taking into account diverse chronologies of decolonization and evaluating the specificities of each imperial configuration under appreciation Portuguese Belgian French British Dutch

Imperialism, Race and Resistance Barbara Bush, 2002-01-04 *Imperialism Race and Resistance* marks an important new development in the study of British and imperial interwar history Focusing on Britain West Africa and South Africa

Imperialism Race and Resistance charts the growth of anti colonial resistance and opposition to racism in the prelude to the post colonial era The complex nature of imperial power is explored as well as its impact on the lives and struggles of black men and women in Africa and the African diaspora Barbara Bush argues that tensions between white dreams of power and black dreams of freedom were seminal in transforming Britain's relationship with Africa in an era bounded by global war and shaped by ideological conflict

Slavery and the Birth of an African City Kristin Mann, 2007-09-26 As the slave trade entered its last illegal phase in the 19th century the town of Lagos on West Africa's Bight of Benin became one of the most important port cities north of the equator Slavery and the Birth of an African City explores the reasons for Lagos's sudden rise to power By linking the histories of international slave markets to those of the regional suppliers and slave traders Kristin Mann shows how the African slave trade forever altered the destiny of the tiny kingdom of Lagos This magisterial work uncovers the relationship between African slavery and the growth of one of Africa's most vibrant cities

A History of Modern Africa Richard J. Reid, 2012-01-17 Updated and revised to emphasise long term perspectives on current issues facing the continent the new 2nd Edition of A History of Modern Africa recounts the full breadth of Africa's political economic and social history over the past two centuries Adopts a long term approach to current issues stressing the importance of nineteenth century and deeper indigenous dynamics in explaining Africa's later twentieth century challenges Places a greater focus on African agency especially during the colonial encounter Includes more in depth coverage of non Anglophone Africa Offers expanded coverage of the post colonial era to take account of recent developments including the conflict in Darfur and the political unrest of 2011 in Egypt Tunisia and Libya

Africa since Independence Paul Nugent, 2012-06-13 An indispensable introductory textbook that provides students with a genuinely comparative study of the different trajectories and experiences of independent African states Paul Nugent explores a range of key concerns including the impact of HIV and AIDS the contagion of warfare and efforts at achieving national reconciliation both in the past and today This is an ideal core text for modules on Modern African History African Politics or Africa since Independence or a supplementary text for broader modules on African History which may be offered at the upper levels of an undergraduate History Politics or African Studies degree In addition it is a crucial resource for students who may be studying modern African history for the first time as part of a taught postgraduate degree in African History African Politics or African Studies New to this Edition Revised and updated throughout in light of the latest research Reflects recent developments on issues such as AIDS urbanization the secession of South Sudan questions of citizenship and the importance of transnational spaces This second edition now features photographs

Imperial persuaders Anandi Ramamurthy, 2017-03-01 The first book to provide an historical survey of images of black people in advertising during the colonial period Analyses the various conflicting and changing ideologies of colonialism and racism in British advertising Reveals the historical and production context of many well known advertising icons as well as the specific commercial interests that various companies images

projected Provides a chronological understanding of changing colonial ideologies in relation to advertising while each chapter explores images produced to sell specific products such as soap cocoa tea and tobacco

Beyond Slavery

Frederick Cooper, Thomas Cleveland Holt, Rebecca J. Scott, 2014-06-30 In this collaborative work three leading historians explore one of the most significant areas of inquiry in modern historiography the transition from slavery to freedom and what this transition meant for former slaves former slaveowners and the societies in which they lived Their contributions take us beyond the familiar portrait of emancipation as the end of an evil system to consider the questions and the struggles that emerged in freedom s wake Thomas Holt focuses on emancipation in Jamaica and the contested meaning of citizenship in defining and redefining the concept of freedom Rebecca Scott investigates the complex struggles and cross racial alliances that evolved in southern Louisiana and Cuba after the end of slavery and Frederick Cooper examines the intersection of emancipation and imperialism in French West Africa In their introduction the authors address issues of citizenship labor and race in the post emancipation period and they point the way toward a fuller understanding of the meanings of freedom

The State and the Legacies of British Colonial Development in Malawi Gift Wasambo Kayira, 2023-01-09 What were the origins of British ideas on rural poverty and how did they shape development practice in Malawi How did the international development narrative influence the poverty discourse in postcolonial Malawi from the 1960s onwards In *The State and the Legacies of British Colonial Development in Malawi Confronting Poverty 1939 1983* Gift Wasambo Kayira addresses these questions Although by no means rehabilitating colonialism the book argues that the intentions of officials and agencies charged with delivering economic development programs were never as ill informed or wicked as some theorists have contended Raising rural populations from poverty was on the agenda before and after independence How to reconcile the pressing demand of stabilizing the country s economy and alleviating rural poverty within the context of limited resources proved an impossible task to achieve Also difficult was how to reconcile the interests of outside experts influenced by international geopolitics and theories of economic development and those of local personnel and politicians As a result development efforts always fell short of their goals Through a meticulous search of the archive on rural and industrial development projects Kayira presents a development history that displays the shortfalls of existing works on development inadequately grounded in historical study

Undesirable Practices Jessica Cammaert, 2016-07 *Undesirable Practices* examines both the intended and the unintended consequences of imperial feminism and British colonial interventions in undesirable cultural practices in northern Ghana Jessica Cammaert addresses the state management of social practices such as female circumcision nudity prostitution and illicit adoption as well as the hesitation to impose severe punishments for the slave dealing of females particularly female children She examines the gendered power relations and colonial attitudes that targeted women and children spanning pre and postcolonial periods the early postindependence years and post Nkrumah policies In particular Cammaert examines the limits of the male colonial gaze and argues that the power lay not in the gaze

itself but in the act of looking away a calculated aversion of attention intended to maintain the tribal community and retain control over the movement sexuality and labor of women and children With its examination of broader time periods and topics and its complex analytical arguments *Undesirable Practices* makes a valuable contribution to literature in African studies contemporary advocacy discourse women and gender studies and critical postcolonial studies *Empire, Development & Colonialism* Mark Duffield, Vernon Hewitt, 2013 This book makes a unique contribution to the renewed debate about empire and imperialism and will be of great interest to all those concerned with understanding the historical antecedents and wider implications of today's emergent liberal interventionism and the various logics of international development This collection explores the similarities differences and overlaps between the contemporary debates on international development and humanitarian intervention and the historical artefacts and strategies of Empire It includes views by historians and students of politics and development drawing on a range of methodologies and approaches The parallels between the language of nineteenth century liberal imperialism and the humanitarian interventionism of the post Cold War era are striking The American military both in Somalia in the early 1990s and in the aftermath the Iraq invasion used ethnographic information compiled by British colonial administrators Are these interconnections which are capable of endless multiplication accidental curiosities or more elemental The contributors to this book articulate the belief that these comparisons are not just anecdotal but are analytically revealing From the language of moral necessity and conviction the design of specific aid packages the devised forms of intervention and governmentality through to the life style design and location of NGO encampments the authors seek to account for the numerous and often striking parallels between contemporary international security development and humanitarian intervention and the logic of Empire MARK DUFFIELD is Professor of Development Politics at the University of Bristol VERNON HEWITT is Senior Lecturer in Politics at the University of Bristol Southern Africa South Africa Botswana Lesotho Swaziland Zimbabwe and Namibia HSRC Press **The State, Counterinsurgency, and Political Policing in Colonial and Postcolonial Malawi, 1891-1994** Paul Chiudza Banda, 2020-10-05 Using the *longue duree* approach and the political economy approach *The State Counterinsurgency and Political Policing in Colonial and Postcolonial Malawi 1891-1994* studies Malawi's colonial and post colonial history Malawi is a former British Protectorate formerly known as the Nyasaland Protectorate Paul Chiudza Banda analyzes the story of the rise of insurgencies in Malawi and adopts the concept of counterinsurgency to address the reactions of the state to those who challenged its legitimacy and authority Banda explores the factors behind the rise of insurgency such as land alienation high taxation elements of forced labor and denial of development opportunities Banda also examines the counterinsurgency measures used by the state such as the use of brutal force especially through the police and other para military groups the codification of strict laws and the offer of development opportunities Through Malawi's history Banda provides an analysis on why citizens challenge state authority how the state responds and what methods the state uses to defeat insurgencies

Mediators, Contract Men, and Colonial Capital Cassandra Mark-Thiesen, 2018 An innovative study of labor relations particularly the interactions of recruitment agents and migrant workers in the mining concessions of Wassa Gold Coast Colony 1879 to 1909

The Temne of Sierra Leone Joseph J. Bangura, 2017-11-09 Much of the research and study of the formation of Sierra Leone focuses almost exclusively on the role of the so called Creoles or descendants of ex slaves from Europe North America Jamaica and Africa living in the colony In this book Joseph J Bangura cuts through this typical narrative surrounding the making of the British colony and instead offers a fresh look at the role of the often overlooked indigenous Temne speakers Bangura explores however the socio economic formation establishment and evolution of Freetown from the perspective of different Temne speaking groups including market women religious figures and community leaders and the complex relationships developed in the process Examining key issues such as the politics of belonging African agency and the creation of national identities Bangura offers an account of Sierra Leone that sheds new perspectives on the social history of the colony

Britain and Empire, 1880-1945 Dane Kennedy, 2014-07-22 Britain and Empire 1880 1945 traces the relationship between Britain and its empire during a period when the two spheres intersected with one another to an unprecedented degree The story starts with the imperial expansion of the late nineteenth century and ends with the Second World War at the end of which Britain was on the brink of decolonisation The author shows how empire came to figure into almost every important development that marked Britain's response to the upheavals of the late nineteenth century and first half of the twentieth century He examines its influence on foreign policy party politics social reforms cultural practices and national identity At the same time he shows how domestic developments affected imperial policies Written in an engaging and accessible manner this book integrates British and imperial history in a single narrative provides a useful synthesis of recent historical research in the area analyses topics ranging from ideology and culture to politics and foreign affairs contains a chronology glossary who's who and guide to further reading Britain and Empire 1880 1945 provides an up to date accessible survey ideal for students coming to the subject for the first time

The Oxford Handbook of Disability History Michael Rembis, Catherine J. Kudlick, Kim Nielsen, 2018-06-19 Disability history exists outside of the institutions healers and treatments it often brings to mind It is a history where disabled people live not just as patients or cure seekers but rather as people living differently in the world and it is also a history that helps define the fundamental concepts of identity community citizenship and normality The Oxford Handbook of Disability History is the first volume of its kind to represent this history and its global scale from ancient Greece to British West Africa The twenty seven articles written by thirty experts from across the field capture the diversity and liveliness of this emerging scholarship Whether discussing disability in modern Chinese cinema or on the American antebellum stage this collection provides new and valuable insights into the rich and varied lives of disabled people across time and place
