

THE EROS OF THE BABY BOOM ERAS

Straddling my thigh, her legs
tense, grip my knee, so
truly hard and soft in one,
so like a remembered lover,
I bounce her
to the classical beat, popping
her toe from my mouth on
the down-strokes, she gurgles
with glee, mounted she rides horsey
as I play mad conductor, my head
thrown around, hair over eyes,
great romantic lover, she comes
very near total surrender
to senses. Light rays, like
still life in a classical room,
attach themselves on white sofas,
as her eyes fix on my brow,
settle like dust.

imagery of the Baby Boomer era Lucky Rimpila takes you back to a time of strife love war and music Oh To Mend Straight is a poetry collection bursting with the events of the 1960s through today from a man who lived them firsthand From the Vietnam era and the draft to dating music marriage and the corporate world Rimpila recalls these moments through a rich tableau of profound emotion compelling description and intriguing symbolism Whether the topic is controversial momentous or deeply personal Rimpila expresses this era in a fresh new way Rimpila has a way of involving each reader into his verses and also turns phrases into colorful pictures Numerous of his poems contain hidden meanings waiting for the reader to draw them out For Baby Boomers this compilation offers a chance to relive this often tumultuous yet enthralling time in American history Journey to the past and remember the emotions of your youth with Oh To Mend Straight **Precious Were The Hours** John Larrabee,2020-08-20 If poetry is not your thing this book will change your mind C S Lewis wrote We ought not write about our actions but about our thoughts We busy ourselves talking about the weather and the little trivial happenings of each day while the thoughts of our hearts the really great experiences of ourselves are seldom mentioned Approaching the end of a long and fulfilling life an aging Baby Boomer publishes his first book a collection of poems originally written for his grandchildren and never intended to be made public Writing in verse the author reminisces about the joys of family friends nature and living a simple but rewarding life Opening with a nostalgic reverence for our ancestral beginnings and hope for future generations A Grandparent s Message sets the stage for a wide ranging series of poems that will take you for a ride along life s emotional roller coaster Thirteen years ago the author s niece suffered a severe spinal cord injury at the age of 27 and has been confined to a wheelchair since then Prior to the injury she was an avid outdoor adventurer enjoying mountain climbing hiking biking and camping Following two unsuccessful years of complete bed rest to heal lower body pressure wounds she spent four months at Maine Medical Center in 2020 for reconstructive surgery All proceeds from the sale of Precious Were The Hours will go toward the purchase of a standing wheelchair for Rebecca to help reduce the risks of future pressure wounds *Memoirs of a Baby Boomer in Poetry-From the Plow to the Computer* Jerry Yates,2006-08 *Poetry of Love* Belva Carey,1987-01-01 *Eros and Other Poems* Theodore Dwight Woolsey,1880 *Eros, and Other Poems* Edmund Deacon Peterson,1912 **Baby Boomers to Bust** Jacque Stephan Le Grande,2004 Baby Boomer Ramblings Gene McParland,2014-04 What a gift life is It comes ready to open every morning Each day is totally unique Each day can be a new adventure It can be a source of joy or of sorrow It all depends on how we approach it The secret to joyful living is learning to look at life through the eyes of a small child As a bona fide baby boomer I have lived a life filled with many joys and some regrets Today I choose to live life in joy and with a sense of childlike wonderment This book is a reflection on how to recapture the sense of wonder and joy we were born with This book is a collection of thoughts ramblings and experiences about our special gift of life Baby Boomer Ramblings offers my thoughts observations and suggestions on living life in a more positive and happier way All of this is wrapped around a poem or more correctly a poem wrapped around life s gifts

Personally I prefer to live life as a poem Poetry adds magic to life It s the mind s and heart s way of expressing one s inner voice That is what this book does Unlike a textbook of life that one reads and studies poetry is recited by one s mind and speaks to one s heart and spirit At the minimum this book offers some food for thought on how to live in the moment Learn how to live life with a sense of awe and childlike glee As a baby boomer who has experienced around two thirds of my life I m finally at that stage where I ve finally got it Read this book and discover how to have contentment and laughter Become a childlike poet of life and be forever young **Are You Experienced?** Pamela Gemin,2003 Nearly 100 established and rising baby boom poets address the joys fears and challenges of middle age Been There Done That Mary Elizabeth,2023-04-12 Mary Elizabeth tells it like it is in her book of poetry and prose She has lived a full life and has insight wit and wisdom to share Not only does this book talk about growing older but she expounds on love relationships parenthood and the expectations of her generation from society and parents Both the cover art and the drawings in the book are from Mary s artwork If you are of a certain age you will find this book a delightful and enlightening read **Pleasant Street** Tom Lyford,2005
