O'Brien,2012 ABSTRACT This work analyzes the theme of the Eternal Feminine and its significance within Goethe s famous drama Faust The first chapter delineates and explores the various rich definitions of the Eternal Feminine found in the realms of theology philosophy and literature The chapter concludes with the assertion that although the definitions of the Eternal Feminine are myriad and complex and that there is no one clear definition that a careful inspection of these definitions allows one to ascribe to the concept of the Eternal Feminine certain characteristics Thus the Eternal Feminine is Beauty Truth Good Love The second chapter addresses in detail the theme of evil as represented in Faust with the purpose to show that the Goethe s Eternal Feminine is a form of salvation and therefore cannot be understood without a discussion of the theme of evil to which it acts as an antidote The chapter proceeds with the analysis of the role of the Eternal Masculine or the Father Figure as represented in Faust and its relation to the Eternal Feminine in the drama The third chapter focuses on the various representations of the Eternal Feminine in Faust as the Perfect World of Platonic Ideals Eros as the Indian Feminine Goddess the Fruitful Mother Nature and the Sublimated Sexual Energy Finally

the Platonic and Pagan elements in Goethe's idea of the Eternal Feminine are examined and contrasted with the Christian idea of salvation. A conclusion is asserted that Goethe's Salvation via Eternal Feminine is the return to the pre-Christian search for life's meaning and redemption from suffering and evil. **Goethe, Nietzsche, and Wagner** T. K.

Seung, 2006-01-01 The author reads Goethe's Faust as the first epic written under Spinoza's influence. He shows how its thematic development is governed by Spinoza's pantheistic naturalism. He further contends that Wagner and Nietzsche have tried to surpass their mentor Goethe's work by writing their own Spinozan epics of love and power in *The Ring of the Nibelung* and *Thus Spoke Zarathustra*. These Spinozan epics are designed to succeed the Christian epics in the Western literary tradition. Whereas the Christian epics dared to groom human beings for their destiny in the supernatural world, the Spinozan epics try to reinstate humanity as the children of Mother Nature and overcome their alienation from the natural world which had been dictated by the long reign of Christianity. However, it has been well noted that none of these new epics seems to hang together thematically as a coherent work. By his Spinozan reading, the author not only demonstrates the thematic unity of each of them singly but further illustrates their thematic relation with each other. Of the Eternal
