The Eternal Life:

Is There More? Leslie D. Weatherhead, A. Kingsley Weatherhead, 2011-06-01 Think you know everything there is to know about the life that lies beyond this one Think again Questions about life beyond death are always with us In this classic volume Leslie Weatherhead answers personal and important questions about heaven hell and the future God has in store for us Eternal life is a quality and not just a quantity a quality of communion with God that clearly begins now You know people talk about the afterlife and they say He's gone to be with God But he has always been with God and the highest heaven doesn't mean that God exists in any fuller measure It can only mean that our power of communion deepens But one of the marvelous things about the Christian gospel is that the offer of eternal life is here and now from chapter 1 Check out other resources by Dr Weatherhead including *The Will of God* in the Related Products Section below *Eternal God, Eternal Life* Philip G. Ziegler, 2016-09-22 How ought Christian faith and theology understand the concept of human immortality today And what if anything might be distinctively Christian about such a concept The contributors to this volume explore how our thinking about the prospect of human immortality is decisively determined by what we receive of the limitless life of the triune God of the gospel and how our understanding of immortality is made concrete by the Christian hope in the resurrection of the body and the life everlasting Debates about how best to understand the eternal life of God are directly significant to how we can imagine the promise of eternal life While immortality is generally conceived to be a future qualification of human reality theological approaches to the question of personal immortality must investigate the difference that the hope and promise of such eternal life makes in the living of present day spiritual life as well as in our common moral and political existence To understand immortality as an eschatological gift of God requires that we take account of it as a formative factor at the foundations of the Christian life **I Am the Eternal Life** Grace Dola Balogun, 2013-04 The author invites all to understand the true meaning of eternal life through Jesus Christ Addressing Once saved always saved the book offers keen insight from scripture from the Old Testament to the New Testament giving understanding that God and His Son are eternal and that eternal life comes from above Revealing this truth one will discover the aspects of eternal life in Jesus Christ Rich with scripture this book gives sound interpretation to the authenticity of eternal life that is offered through salvation One will come to understand that life has an eternal perspective in that humans are spirits within a fleshly body When the body dies the spirit lives on the spirit is therefore eternal Explaining that this eternal life is from God who is the giver of all life on Earth the author addresses the many questions that one may have about eternal life One will find solid biblical answers through reading and understanding this book giving all believers and non believers alike a monumental decision to make Will they choose Jesus Christ and choose life Eternal life only comes from God the Father and Jesus Christ

The Truth About Eternal Life Al Danks, 2016-06-20 The issue of eternal life where and how we will spend eternity is the most consequential issue we will face in life The difference in the consequences to us if we receive eternal life or fail to

receive it are as extreme as they could possibly be Moreover we will have to live with the consequences forever Jesus tells us that entering into eternal life is difficult many will seek to enter and will not be able to Strive to enter through the narrow door For many I tell you will seek to enter and will not be able Luke 13 24 The cost of failing to enter eternal life is so great that we would be beyond foolish not to seek the truth about eternal life with commensurate diligence The Truth About Eternal Life is written to help in that search A Eternal Life We significantly help ourselves find the path leading to eternal life by seeking out what eternal life is This simple step is easily overlooked A good understanding of what eternal life is helps us find the path leading to it perceive our status relative to that path and perceive our status relative to eternal life itself There is a type of life available to us that we are not born with This life is characterized by shalom love peace truth and freedom including freedom from fear and anxiety This is eternal life and we may partake of it now during our temporal life God gives us eternal life through his Word B Our Current Condition We are born with a type of life characterized by corrupt desires These desires bring forth death and are incompatible with eternal life To receive eternal life we must remove the corrupt desires from our being C God s Provision God has given us provision to help us remove the corrupt desires become compatible with eternal life and receive it God sends his Spirit of Truth to guide us into all truth If we ask him he will send him to guide us into the truth of eternal life God has also given truth to us in 1 John that helps us know if we have received eternal life D What Must We do We must enter into a new covenant with God through which he helps us remove corrupt desires become compatible with eternal life and receive it We must be cleansed from the sin caused by the corrupt desires and sow God s Word into our hearts so it can produce eternal life in us **Eternal Life.....What Is It?
