

The Eucharistic Memorial

Barry Hudock

The Eucharistic Memorial:

Eucharistic Memorial Max Thurian, 2002 This important study in biblical theology seeks to provide a firm basis for the liturgy of the Eucharist in the Judaeo Christian tradition represented by the Scriptures Thurian turns to a study of the Scriptural meaning of the Eucharistic memorial as seen in the Old and New testaments Part I The Old Testament **The eucharistic memorial : pt. I : the Old Testament** Max Thurian, 1960 **Eucharistic Memorial** Max Thurian, 2002 This book is an essay in liturgical theology writes Max Thurian It is in fact a study in biblical theology which seeks to provide a firm basis for the eucharistic liturgy in the great Judaeo Christian tradition represented by the Scriptures From the insights which came to him within the Brotherhood of Taizé in France Max Thurian believes that the real presence of Christ must be studied within the liturgical action and not isolated as a separate theological problem In the Reformed tradition of Taizé he turns therefore to a study of the Scriptures and opens the Scriptural meaning of the Eucharistic memorial as seen in the Old and New Testaments Volume II deals with the New Testament background **The eucharistic memorial, v.2** Max Thurian, 1960 **The Eucharistic Memorial, Part I & Part II.** Max Thurian, 1963 The Eucharistic Memorial Max Thurian, 1960 **The Eucharistic Memorial** Max Thurian, 1961 *Models of the Eucharist, Second Edition* Irwin, Kevin W., 2020 In this book updated with the texts of the third edition of the Roman Missal Kevin Irwin reflects on the jewel in the crown of Catholicism the celebration of the Eucharist His book theological pastoral and contemporary is essentially concerned with issues about the Eucharist that face us today decades after the truly historic and unprecedented revisions that took after the Second Vatican Council Some of these concerns are the result of unforeseen developments about the Eucharist resulting from other factors for example the decline in numbers of clergy which has led in some places to Sunday celebrations without the Mass Other concerns arise from a lack of proper catechesis about the Mass and a keen desire to understand why and how the Eucharist is at the center of Catholic life In addition to being expressly theological this book is also expressly pastoral in that it is a reflection on the life lived by the church as it enacts the Eucharist and seeks to live out what the Eucharist celebrates The book is aimed at the audience of educated Catholics who seek a deeper appreciation of what the Eucharist is and who want to appropriate that understanding in the way they live their lives This book will be of particular interest to pastoral ministers both those present and those in training and the communities of faith whom they serve *Become What You Receive: A Systematic Study of the Eucharist* John H. McKenna, CM, 2022-01-07 In this remarkable book theologian and teacher Rev John McKenna examines our use of sign and symbol as it pertains to the study of the Eucharist the source and summit of the Church In clear and accessible language he clarifies the use of sign and symbol from anthropological phenomenological Old and New Testament perspectives He expertly analyzes historical backgrounds as well as current eucharistic theologies The Eucharistic Liturgies Paul F. Bradshaw, Maxwell E. Johnson, 2012 Includes bibliographical references and index *The Eucharistic Liturgy* Jameson K. Pallikunnil, 2017-03-20 The Malankara Mar

Thoma Syrian Church exists as a hybrid church by blending the Eastern liturgical elements of the Oriental Orthodox Church and the evangelical ideas of the Protestant Reformation of the sixteenth century. This Church is a bridging church connecting Protestantism and Oriental Orthodoxy. The reformation in the Malankara Church 1836 instigated a new impetus for this church in constructing an ecclesial identity and pattern of mission. A major missiological imperative employed by CMS missionaries in India was solely centered on the scripture. Against this popular understanding, the Mar Thoma Church through its reformation process showed that liturgy can also be an imperative for mission. The translation and revision of the Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church. Hence, this book explicitly places how the Eucharistic liturgy of the Mar Thoma Church is observed as the foundation for mission in its course of growth. In order to accomplish this objective, the writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church, which is a revised version of the liturgy of St James. In a nutshell, this study is an appraisal of various missiological themes reflected in the Eucharistic liturgy of the church. This study throws ample light on how the Mar Thoma Church integrated liturgy and evangelism in its course of development. The writer systematically illustrates how the church made a serious effort to bring missional themes employed in the liturgy into the practical realm by its ancillary organizations, convention gatherings, and socio-charitable works. This volume asserts that an emphasis on Eucharist-centred ecclesiology guides and motivates the church to enliven a mission-oriented life, which is crucial for accomplishing a relevant mission.

The Eucharistic Memorial Max Thurian, 1961 *The Eucharistic Prayer* Barry Hudock, 2010-10-01

We somehow think that during the eucharistic prayer at Mass, we are expected to be quiet, prayerful, and attentive if we can be with our children or other neighbors in the pews distracting us. In this inviting book, Barry Hudock shows us that the eucharistic prayer is indeed the most dynamic and explosive moment of Christian worship. In fact, of Christian life, Hudock takes us back to the beginnings of formal eucharistic worship in the early church, then forward to Vatican II and beyond, unpacking and exploring the eucharistic prayers, old and new, in words and concepts accessible to all of us. He also offers us, as the fruit of the journey, a set of points for a eucharistic prayer spirituality to prepare us for the explosion into life that is the whole purpose of our being.

The Eucharistic Sacrifice Alfred Garnett Mortimer, 1901 The Celebration of the Eucharist Enrico Mazza, 2016-03-24

Eucharistic liturgy has differed through the centuries and in different Churches. Because of these differences, it is essential that eucharistic liturgy be studied from a historical perspective. In *The Celebration of the Eucharist*, Enrico Mazza offers a thorough account of the theology of the Eucharist and presents a historical analysis of the origin and variety of eucharistic liturgies and their development in the Church. Beginning with the Last Supper, Father Mazza weaves his way through interpretations elaborated by the Fathers of the Church and medieval writers to provide the rich tapestry of concepts and categories adopted by Vatican Council II. Complete with an appendix including Jewish texts and early Eucharistic Prayers, abbreviations, bibliography, and notes, *The Celebration of the Eucharist* is a comprehensive source for

The Eucharistic Sacrifice Sergius Bulgakov, 2021-09-15 This first English translation represents Sergius Bulgakov s final fully developed word on the Eucharist The debate around the controversial doctrine of the Eucharist as sacrifice has dogged relations between Catholic Orthodox and Protestant churches since the Reformation In *The Eucharistic Sacrifice* the famous Russian theologian Sergius Bulgakov cuts through long standing polemics surrounding the notion of the Eucharist as sacrifice and offers a stunningly original intervention rooted in his distinctive theological vision This work written in 1940 belongs to Bulgakov s late period and is his last and most discerning word on eucharistic theology His primary thesis is that the Eucharist is an extension of the sacrificial self giving love of God in the Trinity or what he famously refers to as kenosis Throughout the book Bulgakov points to the fact that although the eucharistic sacrifice at the Last Supper took place in time before the actual crucifixion of Christ both events are part of a single act that occurs outside of time This is Bulgakov s concluding volume of three works on the Eucharist The other two *The Eucharistic Dogma* and *The Holy Grail* were translated and published together in 1997 This third volume was only first published in the original Russian version in 2005 and has remained unavailable in English until now The introduction provides a brief history of Bulgakov s theological career and a description of the structure of *The Eucharistic Sacrifice* This clear and accessible translation will appeal to scholars and students of theology ecumenism and Russian religious thought
