Smith's personality to catch blades of sun. He brings the right mixture of reverence and comic incredulity to his task. Dwight Garner, *The New York Times*. Grammy Award winning music scholar and celebrated biographer John Szwed presents the first biography of Harry Smith, the brilliant eccentric who transformed twentieth century art and culture. He was an anthropologist, filmmaker, painter, folklorist, mystic, and walking encyclopedia. He taught Patti Smith and Robert Mapplethorpe about the occult, swapped drugs with Timothy Leary, had a front row seat to a young Thelonious Monk, lived with and tortured Allen Ginsberg, was admired by Susan Sontag, and was one of the first artists funded by the Guggenheim Foundation. He was always broke, generally intoxicated, compulsively irascible, and unimpeachably authentic. Harry Smith was, in the words of Robert Frank, the only person I met in my life that transcended everything. In *Cosmic Scholar*, the Grammy Award winning music scholar and celebrated biographer John Szwed patches together for the first time the life of one of the twentieth century's most overlooked cultural figures. From his time recording the customs of Native American tribes in the Pacific Northwest and Florida to his life in Greenwich Village in its heyday, Smith was consumed by an unceasing desire to create a unified theory of culture. He was an insatiable creator and collector responsible for the influential *Anthology of American Folk Music* and several pioneering experimental films, but was also an insufferable and destructive eccentric who was unable to survive in regular society or keep himself healthy or sober. Exhaustively researched, energetically told, and complete with a trove of images, *Cosmic Scholar* is a feat of biographical restoration and the long overdue canonization of an American icon. Includes black and white and color images. **British Books**, 1912 **Library Journal**, 1890 **MARY ELIZABETH BRADDON Ultimate Collection: Mystery Novels, Victorian Romances & Supernatural Tales** Mary Elizabeth Braddon, 2023-11-10. In *Mary Elizabeth Braddon Ultimate Collection: Mystery Novels, Victorian Romances, Supernatural Tales*, readers are ushered into the intricate world of Victorian literature where Braddon's storytelling prowess shines through her diverse genres. This comprehensive anthology encapsulates Braddon's fascination with the complexities of love and moral ambiguity, featuring captivating mysteries and tantalizing supernatural elements. Her masterful command of suspense and character development, coupled with rich atmospheric settings, reflects the period's intricate social mores and Gothic influences, revealing a nuanced exploration of femininity and societal constraints. Mary Elizabeth Braddon, a prominent figure in Victorian literature, emerged as a formidable author and career woman during a time when women's voices were often stifled. Her personal experiences, including hardships and the challenges of being a single mother, undoubtedly inspired the depth and resilience found in her characters. Braddon's early exposure to the publishing world and her involvement in periodicals led to her swift rise in popularity, particularly with her sensational novel *Lady Audley's Secret*. This ultimate collection is a must-read for those seeking to investigate the intersection of mystery, romance, and the supernatural within the Victorian context. Braddon's engaging narratives and compelling themes make this anthology essential for scholars, enthusiasts, and casual readers alike, offering a rich tapestry of emotion, intrigue, and the timeless struggle for autonomy. *Congressional Record*, United States.
