The Everyman Of Theatrical Anecdotes:

The Everyman Book of Theatrical Anecdotes Donald Sinden, 1987 **The Oxford Book of Theatrical Anecdotes** Gyles Brandreth, 2020-10-08 This is the ultimate anthology of theatrical anecdotes edited by lifelong theatre lover Gyles Brandreth in the Oxford tradition and covering every kind of theatrical story and experience from the age of Shakespeare and Marlowe to the age of Stoppard and Mamet from Richard Burbage to Richard Briers from Nell Gwynn to Daniel Day Lewis from Sarah Bernhardt to Judi Dench Players playwrights prompters producers they all feature The Oxford Book of Theatrical Anecdotes provides a comprehensive revealing and hugely entertaining portrait of the world of theatre across four hundred years Many of the anecdotes are humorous all have something pertinent and illuminating to say about an aspect of theatrical life whether it is the art of playwriting the craft of covering up missed cues the drama of the First Night the nightmare of touring or the secret ingredients of star quality Edmund Kean Henry Irving John Gielgud Laurence Olivier Ellen Terry Edith Evans Maggie Smith Helen Mirren the great names are all here of course but there are tales of the unexpected too and the unknown This is a book presented in five acts with a suitably anecdotal and personal prologue from Gyles Brandreth where once in a while the understudy takes centre stage and Gyles Brandreth treats triumph and disaster just the same including stories from the tattiest touring companies as well as from Broadway the West End and theatres large and small in Australia India and across Europe

Death by Drama and Other Medieval Urban Legends Jody Enders, 2005-05-15 Part of every legend is true Or so argues Jody Enders in this fascinating look at early French drama and the way it compels us to consider where the stage ends and where real life begins This ambitious and bracing study explores fourteen tales of the theater that are at turns dark and dangerous sexy and scandalous humorous and frightening stories that are nurtured by the confusion between truth and fiction and imitation and enactment until it becomes impossible to tell whether life is imitating art or art is imitating life Was a convicted criminal executed on stage during a beheading scene Was an unfortunate actor driven insane while playing a madman Did a theatrical enactment of a crucifixion result in a real one Did an androgynous young man seduce a priest when portraying a female saint Enders answers these and other questions while presenting a treasure trove of tales that have long seemed true but are actually medieval urban legends On topics ranging through politics religion marriage class and law these tales Enders argues do the cultural work of all urban legends they disclose the hopes fears and anxieties of their tellers Each one represents a medieval meditation created or dramatized by the theater with its power to blur the line between fiction and reality engaging anyone who watches performs or is represented by it Each one also raises pressing questions about the medieval and modern world on the eve of the Reformation when Europe had never engaged more anxiously and fervently in the great debate about what was real what was pretend and what was pretense Written with elegance and flair and meticulously researched *Death by Drama and Other Medieval Urban Legends* will interest scholars of medieval and Renaissance literature history theater performance studies and anyone curious about urban legends
