Shehadeh, 2018-09-30 The revelation of the Trinity establishes that the relationship of the one true God with us springs from the relationship within himself without us The Trinity is not a problem to be solved but a beauty to be discovered Dr Imad N Shehadeh uses careful exegetical and theological analysis to explore the presentation of the triune God in Scripture and expertly navigate the reader through the errors and pitfalls regarding the Trinity This book explains the essential role that the perfect truth of a three in one God plays in being able to know God and be sure of his character Dr Shehadeh doesn't fear to tread on controversial ground but instead addresses key issues in theology the study of God such as the logic of the Trinity and whether the God of the Bible is the same as the god of other religions This first of two volumes is a valuable contribution to the theological academy but also is an accessible guide for anyone to encounter the perfect holy triune God **The Existence and Attributes of God** Stephen Charnock, 2021-02-08 The Existence and Attributes of God comprises the second volume of the work of Stephen Charnock 1628 1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God's attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes Charnock

displays God's attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks. The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation. Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible. The substance of his doctrine is characteristically Puritan and representatively Reformed. Dr James I Packer in *The Encyclopedia of Christianity* Volume II p 410: The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before. To know Him better is to love Him more.

**The Existence and Attributes of God, Volumes 1 and 2** Stephen Charnock, 2016. God With Us and Without Us, Volumes One and Two Imad N. Shehadeh, 2020-09-30. God as Trinity is at the core of the mystery and otherness of the divine nature of God. It has also been a frequent barrier to those who hold to the Absolute Oneness of God. In this combined work, Dr Imad Shehadeh demonstrates the inevitability of the Trinity by exposing the conflict that Absolute Oneness faced historically. Dr Shehadeh presents the beautiful logic of the Trinity and explains how the display of God's attributes in creation derives from the self-sustaining relationships in his triune nature as Father, Spirit, and Son. The book climaxes in revealing the transforming power of the Trinity when applied to life. Followers of Christ will find their worship and love of God enhanced through the rich truths this book contains. Followers of Islam will find confusion about the Triune God cleared up, removing stumbling blocks to understanding the Bible's message.
