**William Johnston**

## **The Eye Aware Zen Lebons For Christians:**

**The Eye Aware** Jeroen Witkam,2000-06 The attainment of a transparent heart and mind is the goal of both Christian spirituality and Zen Buddhism In this book the author an Abbot who has practised Zen for more than 20 years shows how to enrich the Christian prayer life by the integration of techniques from the tradition of Zazen      **Self, Attitudes, and Emotion Work** Christopher Bradley,2017-09-08 This book is about how Western social psychology interfaces with an Eastern Zen Buddhist perspective It is neither a purely Zen Buddhist critique of the former nor is it merely a social psychological interpretation of Zen Rather it is an attempt to create common ground between each through the systematic comparison of certain shared fundamental concepts and ideas Anglo American social psychology is not much more than a century old despite having its roots in a broad philosophical tradition Alternately the Zen version of Buddhism can trace its historical origins to roughly 1 500 years ago in China Even though the two arose at different times and at first glance appear stridently antithetical the authors show that they share considerable areas of overlap The logic of Zen contemplates the consequences of the taken for granted tyranny created by personal memories and culture These traits common to every culture include hubris greed self centeredness distrust prejudice hatred fear anxiety and violence Social psychology leans more toward a nurture rather than nature explanation for behavior Both areas of research are firmly rooted within the domain of sociological social psychology the processes are also sometimes referred to as learning or conditioning Zen challenges in radical terms key assumptions of both sociology and psychology concerning individual identity human nature and human motivation This stimulating volume will provoke new thoughts about an old tradition and a newer area of scholarly work      **Forthcoming Books** Rose Arny,2001      Arts & Humanities Citation Index ,1998      **Zen Contemplation for Christians** Elaine MacInnes,2003-06-23 This is the fascinating story of how and why a Catholic nun became an accomplished Zen Master      **Healing Breath** Ruben L. F. Habito,2013-02-08 Healing our wounded Earth is not unrelated to healing our own personal wounds The pains of the Earth and those of the individuals making up our Earth community cannot be separated Thus the healing of our individual lives can become the basis of the healing of Earth This book sheds light on Zen as a spiritual path that leads to healing in the personal social and ecological dimensions of our being If you are seeking a form of spiritual practice that addresses all three of these dimensions or simply seeking to deepen your understanding of the Zen path it is written for you If instead of fragmentation disorientation and vacuity you seek wholeness groundedness and integrity in your life it is written for you Perhaps you too have come to realize that our global community is in a sad state of affairs that we need to radically change how we live and relate to one another and to the Earth You may already be engaged in some form of social or ecological action addressing these issues and you may feel overwhelmed by the magnitude of the task If you ve been tempted to pessimism or have thrown up your hands in despair when your best efforts don t seem to make a dent this book is for you Healing Breath offers a way to integrate a spiritual path with active socio

ecological engagement as the ground This book also addresses another set of questions can a Christian genuinely practice Zen How is Zen practice compatible with a Christian faith commitment To fully engage in a Zen practice what kind of belief system is presupposed or required How can spiritual practice in an Eastern tradition inform Christian life and understanding In the process of describing the Zen way of life *Healing Breath* will consider various Christian expressions symbols and practices not as an apologetic for that belief system but to show how they too point to the transformative and healing perspectives and experiences provided by Zen

**Zen Wisdom for Christians** Christopher Collingwood,2019-05-21 As spiritual paths Zen and Christianity can learn from one another In this book Anglican priest and Zen teacher Christopher Collingwood sets out how Zen can return Christians to their roots with renewed energy and allow others to consider Christianity in a new and more favourable light For the many Christians searching for a greater depth of spirituality Zen offers a way to achieve openness Drawing on Zen experience and the teachings of Jesus as depicted in the gospels *Zen Wisdom for Christians* enables Christians to explore avenues of thought and experience that are fresh and creative Using examples of Zen koans and Zen readings of Christian texts the author provides a radical reorientation of life away from one based on self centredness and the notion of a separate isolated self to a way that is inclusive and at one with all *Zen Wisdom for Christians* proves that the practice of Zen can lead Christians towards deeper spirituality and enhance religious experience through mutual appreciation in a way that is truly eye opening and life changing

**Zen for Christians** Kim Boykin,2018-06-13 No prior knowledge of Zen philosophy is necessary for this reader friendly guide which offers Christians a way to incorporate contemplative practices into their lives without compromising their beliefs

*Zen Spirit, Christian Spirit* Robert Kennedy,1995-06-01 Kennedy shows other Christians a way of integrating Zen Buddhism and Christian belief He does this convincingly and gracefully by weaving together Zen poetry and koans Western poetry and literature scriptural texts and personal experience National Catholic Reporter

**Christian Zen** William Johnston,1974

**Be Still and Know** Habito, Ruben,2017-04-20

**Zen and the Kingdom of Heaven** Tom Chetwynd,2001-03 Using the teachings of Christ and the writings and stories of Christian spiritual masters Chetwynd delves into the history of the tradition of meditation within Christianity *Zen the Kingdom of Heaven* offers provocative insights into the role of meditation in the East and the West

**Zen Way-Jesus Way** Tucker N. Callaway,2013-01-08 This groundbreaking book successfully fuses the two overlapping traditions of Zen Buddhism and Christianity Very few Christians who are interested in Zen Buddhism understand the fundamentals of the religion itself Most of the books which are available on Zen are superficial and fraught with caricatures and erroneous generalizations concentrating more on meditation than on the real essence of Zen Now the Christian who has been waiting for a clear and thorough explanation of Zen in terms he can understand has been provided with *Zen Way Jesus Way* a unique inside look at Christianity and Zen Buddhism by Dr Tucker N Callaway a committed Christian missionary who for twenty years has practiced zazen in Japanese temples in an effort to reach the heart of the faith Calloway has a knack for

making philosophical concepts clear to the general reader and begins Zen Way Jesus Way by presenting the fundamental presuppositions of Zen and several of the concepts which are logically deduced from them Next he relates some of his experiences in Buddhist temples while explaining the practical applications of Zen philosophy Finally he interprets the Jesus Way in a manner that makes possible a genuine comparison with the Zen way Embracing the Inconceivable Birx, Ellen, 2020-03-18 A highly readable guide for Christians who are interested in or already engaged in the interspiritual practice of Christianity and eastern forms of meditation and mindfulness Living Zen, Loving God Ruben L. F. Habito, 2013-02-08 The release of Ruben Habito's new book Living Zen Loving God has coincided with a rave review from Publishers Weekly magazine Habito may not seem himself as a revolutionary but his humble life calling to illuminate the commonalities between Zen Buddhism and Christianity seems a profound gift Habito excels in illuminating the connective spiritual tissue between the two religions while explaining the principles of Buddhism This is an excellent book for readers who want to deepen their understanding of Christianity as well as Buddhism Publishers Weekly Exactly right This wonderful book in its friendly informative tone carefully explains Buddhist ideas from key concepts like Emptiness and The Truth of Suffering to an in depth and enlightening examination of the Heart Sutra all in terms that will help modern Christian practitioners to deepen their faith and Buddhists to revitalize and broaden their perception and understanding This is a book with immense value to anyone interested in interreligious dialogue and studies and as such has already won accolades from Habito's contemporaries See below Habito a practicing Catholic and former Jesuit priest as well as an acknowledged Zen master and professor in the School of Theology at Southern Methodist University makes a clear case that Zen practice can deepen a Christian's connection to God further clarify the Gospel teachings of Jesus and enable one to live a more joyous compassionate and socially engaged life Habito demonstrates that the practice of Zen meditation and even some elements of the Buddhist worldview can enable one to love God more constantly and commit to the service of the Realm of Heaven and the human community more wholeheartedly Ruben L F Habito is the author of numerous publications in both Japanese and English on Zen and Christianity and is a prominent figure in the Buddhist Christian Dialogue A native of the Philippines Habito served as a Jesuit priest in Japan under the guidance of the great spiritual pioneer Father Hugo Enomiya Lassalle and studied Zen with renowned teacher Koun Yamada He lives in Dallas Texas Zen and the Birds of Appetite Thomas Merton, 2010-07-27 Merton one of the rare Western thinkers able to feel at home in the philosophies of the East made the wisdom of Asia available to Westerners Zen enriches no one Thomas Merton provocatively writes in his opening statement to Zen and the Birds of Appetite one of the last books to be published before his death in 1968 There is no body to be found The birds may come and circle for a while but they soon go elsewhere When they are gone the nothing the no body that was there suddenly appears That is Zen It was there all the time but the scavengers missed it because it was not their kind of prey This gets at the humor paradox and joy that one feels in Merton's discoveries of Zen during the last years of his life a joy very

much present in this collection of essays Exploring the relationship between Christianity and Zen especially through his dialogue with the great Zen teacher D T Suzuki the book makes an excellent introduction to a comparative study of these two traditions as well as giving the reader a strong taste of the mature Merton Never does one feel him losing his own faith in these pages rather one feels that faith getting deeply clarified and affirmed Just as the body of Zen cannot be found by the scavengers so too Merton suggests with the eternal truth of Christ      *Zen Gifts to Christians* Robert Kennedy,2004-10-08 Robert Kennedy is one of three Jesuits in the world who answer to both the titles Father and Roshi or venerable Zen teacher In 1991 after ten years of practicing Zen meditation he was installed as a Zen teacher at the recommendation of his teacher Glassman Roshi and of Glassman Roshi s teacher Maezumi Roshi Today he directs a dozen groups of people from many religious persuasions even atheists and agnostics who sit weekly in Zen meditation throughout the greater New York metropolitan area This book is specifically addressed to the Christian practitioners of Zen meditation or those who are curious about it It is structured around ten well known ox herding pictures that have been a consistent source of inspiration to Zen students for centuries Each picture represents a specific Zen insight to life and these insights says Kennedy are not only fully compatible with Christianity but can help Christians achieve the spiritual goals enshrined in a Christian classic For example The Cloud of Unknowing to be silent and attentive to be wholly present to life to be able to separate one s true self from one s false self the self seeking part of the personality that so often brings on pain      **Total Liberation** Ruben L. F. Habito,2006-09-01 What is Zen Buddhism What is its value for Christians How does it relate to Christian beliefs How does Zen relate to the world and to changing it Total Liberation explores these and other questions about Zen and Christianity Habito has two basic aims First he demonstrates the relevance of Zen to a contemporary Christian spirituality comparing Zen insights to the often overly cerebral qualities of Western Christianity Second he shows how a blending of Zen and Christian spirituality complement and sustain a social active role in the world While an important dimension of Zen involves contemplation and personal growth Habito points out that this basic ideal ultimately expands to embrace all of creation and not just the individual self Similarly the Christian spiritual relationship with God finds its expression not only in the personal and contemplative but in action Total Liberation defines true spirituality as engagement with rather than disassociation from the social dimension It shows that Zen no less than Christian spirituality must lead to active involvement and struggle against social violence and oppression      *Zen Catholicism* Aelred Graham,1994 The author s reflection upon Zen Buddhism and Catholicism has shown many points of contact between them in spite of their divergent rituals and philosophies Although he warns against the weaknesses of Zen he urges Westerners in general and Catholics in particular to draw from its strengths suggesting that the harmony Zen points to at the heart of religion could bring the West freedom from unnecessary anxiety and a new awareness of the peace of God      *Evangelical Zen, Second Edition* Paul Louis Metzger,2024-11-07 Evangelical Zen is part Augustine s Confessions and part Robert Pirsig s Zen and the Art of Motorcycle Maintenance Here Paul Louis

Metzger an Evangelical Christian theologian reflects on his spiritual journey an inner pilgrimage of sorts that weaves through a physical forty day journey with his family to Japan The experiences of that journey the beauties of Japan its culture and its religion become for him a lens on a deeper quest here he is searching for and he believes finding a global humanity in conversation with the late Zen Buddhist priest Kyogen Carlson his Buddhist friend This second edition includes a new foreword by esteemed missionary statesman and scholar Thomas John Hastings a new introduction and new concluding essay by the author and an afterword by the acclaimed Buddhist author Sallie Jiko Tisdale

## Whispering the Secrets of Language: An Psychological Journey through **The Eye Aware Zen Lebons For Christians**

In a digitally-driven earth where monitors reign supreme and quick connection drowns out the subtleties of language, the profound secrets and mental subtleties concealed within words frequently get unheard. Yet, located within the pages of **The Eye Aware Zen Lebons For Christians** a fascinating fictional treasure pulsating with fresh feelings, lies an extraordinary journey waiting to be undertaken. Penned by a talented wordsmith, this charming opus encourages visitors on an introspective trip, gently unraveling the veiled truths and profound affect resonating within the very cloth of each word. Within the emotional depths of this emotional review, we will embark upon a heartfelt exploration of the book is primary subjects, dissect their interesting writing model, and fail to the strong resonance it evokes heavy within the recesses of readers hearts.
