The Faber Of Cricket:

The Faber Book of Cricket Michael Davie, Simon Davie, 1987-01-01 *Cricket, Literature and Culture* Anthony Bateman, 2016-05-13 In his important contribution to the growing field of sports literature Anthony Bateman traces the relationship between literary representations of cricket and Anglo British national identity from 1850 to the mid 1980s Examining newspaper accounts instructional books fiction poetry and the work of editors anthologists and historians Bateman elaborates the ways in which a long tradition of literary discourse produced cricket's cultural status and meaning His critique of writing about cricket leads to the rediscovery of little known texts and the reinterpretation of well known works by authors as diverse as Neville Cardus James Joyce the Great War poets and C L R James Beginning with mid eighteenth century accounts of cricket that provide essential background Bateman examines the literary evolution of cricket writing against the backdrop of key historical moments such as the Great War the 1926 General Strike and the rise of Communism Several case studies show that cricket simultaneously asserted English ideals and created anxiety about imperialism while cricket's distinctively colonial aesthetic is highlighted through Bateman's examination of the discourse surrounding colonial cricket tours and cricketers like Prince Kumar Shri Ranjitsinhji of India and Sir Learie Constantine of Trinidad Featuring an extensive bibliography Bateman's book shows that while the discourse surrounding cricket was key to its status as a symbol of nation and empire the embodied practice of the sport served to destabilise its established cultural meaning in the colonial and postcolonial contexts The Development of West Indies Cricket, Vol. 1 Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century **The Development of West Indies Cricket, Vol. 2** Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century *Cricket and the Law* David Fraser, 2005 In a readable informed and absorbing discussion of cricket's defining controversies bodyline chucking ball tampering sledging walking and the use of technology among many others Fraser explores the ambiguities of law and social order in cricket **Jacques Kallis and 12 other great SA cricket all-rounders** Ali Bacher, 2013-09-02 South Africa has produced more great cricket all rounders than any other country A century ago there was Jimmy Sinclair the first man from

any country to score a century and take six wickets in an innings in a Test match and Aubrey Faulkner still the only man with a Test batting average over 40 and a bowling average under 30 In the 1950s and 1960s there was Trevor Goddard opening batsman and the most economical bowler in Test history And then came the brilliant era of Eddie Barlow Tiger Lance Mike Procter and Clive Rice as well as Tony Greig and Basil D Oliveira South Africans who played for England A great tradition was established for the modern era Brian McMillan Shaun Pollock Lance Klusener and perhaps the greatest of them all after Sir Garfield Sobers Jacques Kallis These are the 13 men who were worth two players in one capable of winning a place as batsmen or bowlers adored by the fans and capable of changing a game with either skill Now their careers and exploits are examined for the first time in one book as are those of four players who but for apartheid might have been acknowledged as their equals Taliep Salie Gesant Tiny Abed Cecil Cec Abrahams and Sulaiman Dik Abed **South Africa's Greatest**

Batsmen Ali Bacher, 2015-09-01 South Africa has produced some of the best batsmen in the world with AB de Villiers and Hashim Amla dominating the recent ICC rankings Previous teams and generations have included their own legends But who are the greatest of them all Following the success of their book Jacques Kallis and 12 Other Great South African All rounders Ali Bacher and David Williams now turn their attention to South Africa's top batsmen The book features early legends such as Herby Taylor and Dudley Nourse the world beating Graeme Pollock and Barry Richards whose careers were cut short by isolation the unshakeable Gary Kirsten and Jacques Kallis who built the foundation of the Proteas postisolation success the big scoring captain Graeme Smith and his South African born England counterpart Kevin Pietersen and the swashbuckling Hashim Amla and AB de Villiers who dominate the current game It also considers two players who but for apartheid might have been their equals in the Test match arena South Africa's Greatest Batsmen provides fascinating insights about each man's background and career his batting technique and his main achievements at the crease Based on new interviews the book will take the reader down memory lane as former and current players reminisce about their most important innings the bowlers they most feared and the teammates they most respected Written by cricket legend Ali Bacher and top journalist David Williams this is a book that no cricket fan can be without *Berkmann's Cricketing Miscellany* Marcus

Berkmann, 2019-07-11 Marcus Berkmann author of the cricket classics Rain Men and Zimmer Men returns to the great game with this irresistible miscellany of cricketing trivia stories and more fascinating facts than Geoffrey Boycott could shake a stick of rhubarb at Which England captain smoked two million cigarettes in his lifetime Which Australian captain asked what his favourite animal was said Merv Hughes What did Hitler think of cricket Which National Hunt trainer had a dog called Sobers Who was described in his obituary as perhaps the only unequivocally popular man in Yorkshire No other sport is so steeped in oddness and eccentricity There's the only Test player ever to be executed for murder the only first class cricketer to die on the Titanic and the only bestselling author to catch fire while playing at Lord's It was Sir Arthur Conan Doyle The ball hit a box of matches in his pocket All cricket is here including an XI entirely made up of players who share their names

with freshwater fish *WG Grace* Robert Low,2010-11-01 Using contemporary accounts of W G s greatest innings many for the first time Robert Low presents a radically new image of the sportsman who was recognised as the pre eminent athlete of his day From his emergence as a teenage prodigy to well past his fiftieth year W G dominated the game of cricket taking 2 876 wickets and scoring 54 896 first class runs in a career lasting an incredible 43 years from 1865 to 1908 His beard and massive frame made him instantly recognisable wherever he went and his gamesmanship and wit were legendary *The Cambridge Companion to Cricket* Anthony Bateman,Jeffrey Hill,2011-03-17 Perfect for fans and scholars alike this Companion explores cricket s origins global reach iconic personalities and enduring popularity *Sport Stars* David L. Andrews,Steven J. Jackson,2002-09-11 Sport Stars investigates the nature of contemporary sporting celebrity examining stars often turbulent relationship with the press and exploring themes of identity race and spectacle *Literary Sports Journalism: Beyond the Boundaries* Tom Bradshaw,2025-03-12 This book delivers a powerful argument for the centrality of sport in culture exploring how fine sports writing bestows meaning upon the human world *Literary Sports Journalism Beyond the Boundaries* explores the multiple and fertile interconnections between sports writing and mainstream creative writing including the works of Ernest Hemingway Hunter S Thompson Joyce Carol Oates and Martin Amis In so doing it delivers a reappraisal of a number of key writers As such the book aims to unite journalism studies with both literary analysis and philosophy At root it is an inquiry into aesthetics an exploration of the beauty of words the beauty and ugliness of sport and the distinctive beauty that arises when words are used to capture sport Tom Bradshaw argues that it is the writing around sport rather than about sport that is often the most profound perceptive and beautiful and which tells us much about what it is to be human **Sports Journalism** Rob Steen,2007-08-07 Sports Journalism is a comprehensive guide to the purpose principles and practice of this unique profession and is designed to be enjoyed by students of both mainstream and sports specialist journalism Providing a clear and structured approach to learning about both the craft of sports writing and the practical skills involved in becoming successful at your job Sports Journalism offers a comprehensive insiders guide to the business including key relationships in sports journalism networking and the Sports Desk print journalism for magazines tabloids broadsheets and the internet live action news radio and television sports journalism effective research managing and accessing sources information statistics practical skills for managing schedules and meeting deadlines working with sports agents and PR professionals getting the best from press conferences and interviews Laced with revealing anecdotes from the author s own twenty five years experience of domestic and international sport journalism Sports Journalism A Multimedia Primer is an invaluable student companion *International Sport: A Bibliography, 1995-1999* Richard William Cox,2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and

governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new *From Morality to Mayhem* Julian Lovelock,2018-10-25 The stories we read as children are the ones that stay with us the longest and from the nineteenth century until the 1950s stories about schools held a particular fascination Many will remember the goings on at such earnest establishments as Tom Brown s Rugby St Dominic s Greyfriars the Chalet School Malory Towers and Linbury Court In the second part of the twentieth century with more liberal social attitudes and the advent of secondary education for all these moral tales lost their appeal and the school story very nearly died out More recently however a new generation of compromised schoolboy and schoolgirl heroes Pennington Tyke Tiler Harry Potter and Millie Roads have given it a new and challenging relevance Focusing mainly on novels written for young people *From Morality to Mayhem* charts the fall and rise of the school story from the grim accounts of Victorian times to the magic and mayhem of our own age In doing so it considers how fictional schools not only reflect but sometimes influence real life This captivating study will appeal to those interested in children s literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane **The Palgrave Encyclopedia of Imperialism and Anti-Imperialism** Immanuel Ness,Zak Cope,2016-04-29 The Palgrave Encyclopedia Imperialism and Anti Imperialism objectively presents the prominent themes epochal events theoretical explanations and historical accounts of imperialism from 1776 to the present It is the most historically and academically comprehensive examination of the subject to date *The Cricketer's Almanack, for the Year* ,1871 [The Anglo Files: A Field Guide to the English \(Second Edition\)](#) Sarah Lyall,2020-02-25 New York Times Bestseller An exquisite hilarious and devastating dissection Malcolm Gladwell Why do the English keep apologizing Why are they so unenthusiastic about enthusiasm Why does rain surprise them When are they being ironic and how can you tell Even after eighteen years in London New York Times reporter Sarah Lyall remained perplexed and intrigued by its curious inhabitants and their curious customs She s since returned to the United States but this distillation of incisive and irreverent insights now updated with a new preface is just as illuminating today And perhaps even more so in the wake of Brexit and the attendant national identity crisis While there may be no easy answer to the question of how exactly to understand the English *The Anglo Files* part anthropological field study part memoir helps point the way **Famous for a Time** Jason Wilson,Richard M. Reid,2023-07-25 Celebrating Canadian athletes and sporting history The cultural impact of sport on a nation is not slight *Famous for a Time* explores a number of important if not well remembered Canadian athletes and the sports they played to help explain the nation s complicated history sporting and otherwise It is an exploration that reveals the socio cultural trends that have shaped Canada since Confederation Through the prism of some exceptional athletes the prevailing attitudes of

many Canadians about class race masculinity femininity and national identity are laid bare Here from the sidelines we learn how these attitudes have changed or not as the case may be over time From team sports such as lacrosse baseball and cricket to Canada s cycling craze track and field and boxing each chapter offers insight into an important aspect of the nation s narrative The winners and losers of Canada s games simply mirror the larger questions that have faced Canadian society across three centuries *The Encyclopedia Americana* ,1999 A thirty volume encyclopedia covering important world events while providing major new treatments of selected topics in various academic fields

Yeah, reviewing a book **The Faber Of Cricket** could add your close connections listings. This is just one of the solutions for you to be successful. As understood, carrying out does not recommend that you have fantastic points.

Comprehending as capably as settlement even more than additional will find the money for each success. neighboring to, the message as well as sharpness of this The Faber Of Cricket can be taken as without difficulty as picked to act.
