parents would agree their children have to master to one degree or another from Raising a Reader Can passion be passed along from parent to child Can you in other words make someone love baseball ballet or books Of course you can t but that doesn t stop parents from trying Jennie Nash was one of those parents a parent so obsessed about getting her kids to read that her desire sometimes strayed into desperation her hope often became an obsession and instead of helping her resolve got in the way In the end she found that like so many of the things we do as parents passing along a passion for reading happens in the push and pull of digging in and letting go day in and day out both because of and in spite of our efforts Nash shares stories and misadventures from the years when her young daughters were learning what it meant to have a relationship with words and she was learning to let them She reminds us how the magic moments happen in their own sweet time by being together in the presence of good books and seeing each child as unique Each chapter of Raising a Reader ends with personal practical tips and games that spring straight from the narrative A comprehensive index discusses many of the books Nash has enjoyed with her children providing a year s worth of titles for parents and their children to explore The Indian in the Cupboard Lynne Reid Banks,2010-02-09 Full of magic and appealing characters this classic novel takes readers on a remarkable adventure It s Omri s birthday but all he gets from his best friend Patrick is a little plastic Indian toy Trying to hide his disappointment Omri puts the Indian in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great grandmother Little does Omri know that by turning the key he will transform his ordinary plastic Indian into a real live man from an altogether different time and place Omri and the tiny warrior called Little Bear could hardly be more different yet soon the two forge a very special friendship Will Omri be able to keep Little Bear without anyone finding out and taking his precious Indian from him **The Girls Take Over** Phyllis Reynolds Naylor,2009-01-21 The race is on The Hatford boys and the Malloy girls are ready to outdo one another again Eddie is the first girl to ever try out for the school baseball team Now she and Jake are competing for the same position while Caroline and Wally compete for class spelling bee champ Wally is itching to win but Caroline the show off plans to be number one As if that wasn t enough the kids decide to race bottles down the rising Buckman River to see whose will go the farthest by the end of the month The winner will be queen or king for the day while the other kids act as servants But neither team trusts the other When the girls go down to the river to try and capture the boys bottles Caroline falls into the rising water It looks like those Malloy girls may be in over their heads this time *Rip-Roaring Reads for Reluctant Teen Readers* Gale W.
