The Feminist Architecture of Postmodern Anti-Tales Kendra Reynolds, 2019-10-23 This monograph aims to counter the assumption that the anti tale is a subversive twin or dark side of the fairy tale coin instead it argues that the anti tale is a genre rich in complexity and radical potential that fundamentally challenges the damaging ideologies and socializing influence of fairy tales *The Feminist Architecture of Postmodern Anti Tales Space Time and Bodies* highlights how anti tales take up timely debates about revising old structures opening our minds up to a broader spectrum of experience or ways of viewing the world and its inhabitants They show us alternative architectures for the future by deconstructing established spatio temporal laws and structures as well as limited ideas surrounding the body and ultimately liberate us from the shackles of a single minded and simplistic masculine reality currently upheld by dominant social forces and patriarchal fairy tales themselves It is only when these masculine fairy tales and social architectures are deconstructed that new more inclusive feminine realities and futures can be brought into being

Ibsen: A Doll's House Egil Törnqvist, 1995-04-27 This 1995 critical study of Ibsen's *A Doll's House* addresses fundamental questions of text reception and performance What is the definitive version of *A Doll's House* original text translation stage presentation radio version adaptation to film or television What occurs when a drama intended for recipients in one language is translated into another or when a play written for the stage is adapted for radio television or film And to what extent do differences between the media and between directorial approaches influence the meaning of the play text Discussions of these issues include an internal analysis of the dramatic text and comparative performance analysis framed by the biographical background to the play and its impact on dramas by Strindberg Shaw and O'Neill and on films by Ingmar Bergman The book concludes with a list of productions and a select bibliography
