The Faith Crisis:

Faith Crisis, Volume 1: We Were NOT Betrayed! L. Hannah Stoddard, James F. Stoddard III, 2020-04-06 After working with thousands of struggling members of The Church of Jesus Christ of Latter day Saints over many years the authors decided to write a book offering hope and answers for those struggling with faith crisis Unbeknownst to the general Church membership the 20th century would witness an organized effort to rewrite Latter day Saint history from within its own ranks In a head to head behind the scenes battle traditional leaders resisted intellectual progressives working in the Church History Department and at BYU who claimed some forty years ago that it would take a generation to re educate the Church membership Where are we in this attempted re education What is the New Mormon History and how does it personally affect you and your family Join us as we explore newly available diaries review old books and bring untold history into the light Progressives claim the Church covered up its history for nearly 200 years Is the current faith crisis stemming from unmasked history or new interpretations Why did New Mormon Historians insist Hofmann s forgeries were legitimate even when investigators provided convincing evidence to them of the hoax How did Bruce R McConkie know Hofmann s Joseph Smith III blessing was a fake despite authentication by document experts and pressure by historians calling him incompetent for questioning Who were the Swearing Elders How did this group of progressive Latter day Saints reshape the identity of Mormonism Why did Carol Lynn Pearson and Leonard Arrington share cards that read History is on our side as long as we can control the historians Leonard Arrington shared that an invisible higher power commissioned him to rewrite or reconstruct our dominant narrative of the Restoration Did God want our history changed Why did Leonard Arrington say the First Vision Nephites and gold plates were part of the Mormon myth Why did Leonard Arrington note that if he were honest about his beliefs not many Latter day Saints would want him to teach their children How did this affect his career as Church Historian and later at BYU Progressives working in the Church History Department and at BYU claimed 40 years ago it would take a generation to re educate the Church Where are we in this re education The research and findings in this volume are truly history altering Using newly released documents combined with deep knowledge of Church History the Stoddards are bringing to light what could be termed a soft coup d tat of the Church s scriptures and prophets by progressive historians bent on altering its history Hold tight to your faith in the history held by the church for over 150 years and the teachings of our prophets as you discover how deep this attempted takeover has infiltrated and altered our sacred history Rod Meldrum researcher best selling Latter day Saint author international lecturer Years ago we stopped going to church Suddenly God awakened me and brought me back into the fold As I hungered and learned more about the restoration it was upsetting to hear things being said about Joseph that I KNEW were not true I hit a major faith crisis Right as I was about to leave the church and follow another sect that follows the teachings of the Book of Mormon I read the Stoddard s Faith Crisis book This book along with promptings and teachings from the spirit helped me navigate through many questions This book only helped

grow my testimony of the truthfulness of the restoration of the gospel and of the church of Jesus Christ of Latter Day Saints I now stand strong in the Faith and know that I am in the only true church I m so thankful for the Joseph Smith Foundation and the many hours put in toward helping others stay strong in the Church of Jesus Christ of Latter Day Saints Latter day Saint mother of six **The Faith Crisis** Ronald Dunn,1984-01-01 *Shaken Faith* Sanejo Leonard,2015-04-23 When your faith no longer works and the catch phrases and Christianese that got you to where you are cannot take you past your current crisis what do you do Is doubt okay Is it okay for Christians to struggle with what they believe Is it okay to question God This book takes an honest and in depth look at faith crises experiences from interviews with sixty people and five biblical narratives addressing head on the issues of doubt and times of questioning one s faith Shaken Faith outlines a biblical perspective and a fresh way of viewing doubt the questions Christians experience in their faith and faith crisis moments In order for faith to be real it must be challenged and shaken so that the depth of the faith can be rooted in an unshakable God

Faith Crisis - We Were NOT Betrayed! L. Hannah Stoddard,James F. Stoddard III,2020-04-06 After working with thousands of struggling Latter day Saint members the authors have written a book offering hope and answers for those struggling with faith crisis In a head to head behind the scenes battle 20th century traditional leaders resisted intellectual progressives working in the Church History Department and at BYU Faith Crisis, Volume 2: Behind Closed Doors L. Hannah Stoddard,James F. Stoddard,2020-10-05 During the 20th century an organized objective to rewrite Latter day Saint history from within unbeknownst to the general Church membership went head to head behind the scenes with traditional leaders of the Church Meet the main players of this conflict Leonard Arrington progressive Father of New Mormon History Ezra Taft Benson traditionalist defender and many other advocates of traditionalist and progressive Latter day Saint history As traditionalists and progressives sparred during the 1970s 1980s a covert cold war commenced in Salt Lake City Utah with the progressives spying on the traditionalists and the traditionalists spying on the progressives Secret informants leaked documents falsified reports and even employed pseudonyms all were part of this struggle to dominate Latter day Saint history But how did and does this secret conflict affect you Progressives working in the Church History Department and at Brigham Young University claimed 40 years ago that it would take a generation to re educate the Church Where are we now in that re education Crisis of Faith, Crisis of Love Thomas Keating,1995-02-01 Working from the experiences of the later mystics Keating offers the spiritual sense of scripture elaborated by the Fathers and Mothers of the Church which has been used repeatedly to illustrate insights useful to the various stages of spiritual development This rich storytelling tradition traces a spiritual journey outlining a way of listening to God by sharpening the habit of contemporary prayer **Faith Crisis** Ron Dunn,2013-06 Late pastor Ron Dunn s acclaimed book clarifies the differences between true and counterfeit faith showing faith s rewards to be more about experiencing God s presence than in earthly blessings *Mid-Faith Crisis* Catherine McNiel,Jason Hague,2025-06-03 Navigating the Storm Understanding the Crisis of Faith Many of us embarked on

our spiritual journeys filled with hope and certainty only to find ourselves questioning the very foundation of our beliefs as life unfolded The faith that once seemed unshakeable may falter in the face of broken trust unanswered prayers and the harsh realities of worldly suffering But you're not alone mid faith crises are a shared human experience that can feel isolating yet are a crucial part of our spiritual journey In Mid Faith Crisis authors Catherine McNiel and Jason Hague provide a compassionate exploration of this challenging phase With backgrounds in theology and personal narratives of their own spiritual upheavals they guide readers through the complex landscape of doubt and disillusionment Mid Faith Crisis candidly addresses the often unspoken realities of faith's evolution offering solace and practical insights for navigating through turbulent waters Through storytelling and reflection McNiel and Hague offer practices and disciplines that help reclaim what is genuine and discard what is not They reassure us that the crisis of faith is not an endpoint but a transformative stage that can lead to a more sincere and robust belief system If you're in the midst of a spiritual reevaluation Mid Faith Crisis will serve as a beacon of hope reminding us that while the road may be rocky the destination holds the promise of deeper faith and connection

The Faith Louis A. Marini, 2022-04-25 Faith is a word frequently used these days as we continue to struggle through a pandemic that took the lives of over eight hundred thousand Americans and rising Amid unsolved questions posed to the world of medicine in the throes of political and social unrest the darkness of this nightmare has left many with a growing skepticism in the leadership of many traditional institutions of Church and State Why are people so concerned over the existential issues of life and faith during these unprecedented times where the world seems to have gone topsy turvy Louis Marini suggests that faith has always been a multidimensional reality inherent in people's lives People have always aspired to faith to unite a nation in times of distress and social unrest The human act of believing is the first step to walking in faith Believing is always believing in another human being Faith always necessitates and is sustained only in relationships whether faith is solely based upon human interaction or seeking communion with the Divine These reflections open the possibility for discussions that faith is not just a human phenomenon but a natural gift that may transition into a relationship with the Divine Faith which is fundamentally a human reality can become a divine mystery This realization hopefully can console and heal us from the scars left from the angst of these uncertain times

God's Intelligent Design for Christ-Centered Spiritual Transformation Eric vonAnderseck, 2016-11-03 When the Holy Spirit directed me to write this thesis it was after God had implemented the changes and corrections for the church and believers began to benefit fully from the transition I hope you will be blessed by the many wonderful testimonies throughout The apostolic thesis is the first of its kind Not only does the Holy Spirit explain faith crisis and spiritual exploitation but also uncovers the underlying root causes God is addressing a faith in crisis a spiritual government in crisis and belief systems that He did not authorize or sanctify in the name of Jesus Christ The church had suffered under the hands of many spiritual butchers slicing and dicing faith this way and that Each area of spiritual exploitation has had a catastrophic and blinding influence on all facets of

Christian life Believers were led into a very confusing era Ministers were constantly rehashing faith programs as they sorted out their own failings reducing covenant to a psychology Ideas were tabled as quickly as they were introduced Thankfully the church has now entered into a new apostolic era God has restored His true culture of faith and heritage to the church helping believers understand once again the apostolic authority calling and anointing **Faith Crisis - Not Really** Michael Christian Bell,2014-06-25 So why does an established fifty year old Pastor become discontented with his existence and situation in life It really does defy imagination and all that seems sensible and rational in life Like the pounding of waves against the rocks and stirring of the wind among the mulberry trees so he felt the ruffling and discomfort of the need for change Come Sunday mornings heaviness came over him and his life seemed like one constant and dreary Sunday to Sunday existence Worshipping among his church congregation he sensed conflict in his emotions and a strong feeling that he wanted to be far away Crying out in his soul he pleaded God what is happening to me why do I feel like this The Faith of Israel William J. Dumbrell,2002-08 This comprehensive survey introduces students to the theological emphases of the entire Old Testament from Genesis through Malachi *Still* Lauren F. Winner,2012-01-31 Following up her highly acclaimed *Girl Meets God* author Lauren F Winner has written an engrossing reflection of literary grace and spiritual wisdom with *Still* Notes on a Mid Faith Crisis As she lives through a failed marriage and the loss of her mother Winner finds her Christian faith slipping away Through reading religious works and tomes and being counseled by leaders of the church she learns she must find the courage to trust in God in order to find His presence Elegantly written and profound *Still* offers reflections on how murky and gray the spiritual life can be while at the same time shows us how to see the light we do encounter more clearly

The Faith of Divine Love, a progressive faith experience Zara Borthwick,Nicholas Arnold,2016-11-28 Today the Divine Love is being experienced by men and women worldwide This Book of Faith *The Faith of Divine Love* provides assistance and companionship for the individual faith experience as one connects with the Divine Love From *The Padgett Messages* to the *Faith of Divine Love* the Celestial teachers have provided the immediate necessary and vital Truth as to why faith is necessary in a soul's life in its natural love and as that soul evolves and progresses in Divine Love here and in the spirit world Toward faith a faith in Divine Love Celestial spirits teach and guide **Turning the Tables on Apologetics** Jeffery L. Hamm,2018-05-22 Does apologetic method matter Helmut Thielicke argues that the method should conform to its own message He thus rejects traditional apologetic methodologies beholden to supposedly neutral scientific and philosophical paradigms Seeking to reform Christian conversation Thielicke discovers a lost way of persuasion that is the table turning approach found in Christ's conversations Whenever Jesus is questioned he seldom answers directly For he refuses to allow the conversation to be framed by an autonomous mindset and instead responds with a counterquestion Christ's style of persuasion as the controller of the question subverts his hearers presuppositions and challenges their unbelief This approach is the reverse of the defensive answer giving mode of traditional apologetics In view of renewing Christ's method Thielicke

insists that the task of apologetics is something which is always on the offensive and far from giving ready made answers to the doubtful questions of men turns the tables by putting questions on its own account aggressive violent radical questions and striking straight to the hearts of men Christian conversation must integrate Christ's method with his message in order to advocate the message itself For it is not the world that questions Christ but rather Christ questions the world *Bridges: Ministering to Those Who Question* David B. Ostler, 2022-04-05 Second Edition with a new chapter on ministering to and within mixed faith marriages and families With the advancement of the internet changing worldviews and the rising generation of millennials Latter day Saints today face unique challenges to faith on an unprecedented scale Unlike most books written to help those struggling with their testimonies Bridges Ministering to Those Who Question is geared at helping local leaders and family members better understand the sources of these challenges and how to minister to those affected by them This ministering is done through building bridges of love empathy and trust regardless of whether or not someone retains their belief or continues to participate Author David B Ostler a former mission president utilizes surveys with local leaders and disaffected members research from social science and religious studies and teachings from Church leaders to show how Latter day Saints can work to better support those who have questions and create church environments where all can feel welcome **The Faith and Friendships of Teenage Boys** Robert C. Dykstra, Allan Hugh Cole Jr., Donald

Capps, 2012-09-13 Drawing on research and case studies three pastoral care experts argue that one of the primary contexts in which the faith formation of teenage boys takes place is in their relationships with other adolescent males Written by the authors of Losers Loners and Rebels The Spiritual Struggles of Boys this book is an important resource for anyone interested in helping adolescent males navigate years often marked by isolation and loneliness to develop a meaningful spiritual identity

Surprised by Faith Joy McBride, Daryl McCarthy, Bob VanderVennen, 2009-03-26 Surprised by Faith celebrates the 75th anniversary of C S Lewis kicking and screaming his way into Christianity his 1931 conversion Lewis described himself as the most dejected and reluctant convert in all England But a convert nonetheless surprised by joy This volume was inspired by Lewis's autobiographical account of the life events which led to his coming to faith an event that had a profound effect on his work and his relationships In Surprised by Faith Lewis's conversion is explored as both a rational quest for truth and a romantic quest for meaning This collection of essays commemorates Lewis's conversion but also celebrates examines and discusses what conversion means to us as scholars academicians and most importantly as human beings It's a kind of conversation about conversion The conversation's participants are individuals from a variety of backgrounds who themselves have been converted in the classic Christian sense Surprised by Faith hopefully will challenge the reader to think more deeply biblically and theologically about the transformation that takes place in each life that embraces Christ and moves from unbelief to belief The essays look at the influence of conversion on perspectives as they relate to various disciplines such as anthropology poetry psychology education philosophy and culture Because He Has Spoken to Us Brad Bursa, 2022-05-11

Pope John XXIII called the Second Vatican Council so that the Church's doctrine might be more widely known more deeply understood and more penetrating in its effects However since the close of the Council in 1965 the results are wanting Rather than announcing the gospel boldly in the present age the Church has been seemingly reduced to silence How did she lose her voice How did the structures of proclamation intended to hand on the Catholic faith devolve and even contribute to vaporizing a Catholic culture Because He Has Spoken to Us traces such developments from fixed points drawn from the fluid theology of Karl Rahner to their postmodern condition successive steps that usher in the crisis by subduing dismissing and silencing the tradition This postconciliar anthropocentric structure can now be better understood critiqued and displaced by a Ratzingerian approach Rather than embracing a given demanded by contemporary context Ratzinger proposes the revelation of the Logos in Jesus Christ as the given the true object of Christian faith His alternate proposal requires the courage to face the full scope of the Christian structure accessed through the Church's tradition and a willingness to proclaim the gospel personally and with humble confidence *The Faith Code* Terry Brisbane, Rusty Rueff, 2023-09-12 A bold yet reaffirming approach to achieving a more fulfilling productive and sustainable existence both at home and work
