The Fall of the House of Zeus Curtis

Wilkie, 2011-09-13 Masterful an epic tale of backbiting shady deal making and greed that reads like a John Grisham novel The Wall Street Journal A real life legal thriller as timeless as a Greek tragedy tracing the downfall of one of America's most famous lawyers and exposing the dark side of Southern politics from the author of When Evil Lived in Laurel Dickie Scruggs was arguably the most successful plaintiff's lawyer in America A brother in law of former U S Senate majority leader Trent Lott Scruggs made a fortune taking on mass tort lawsuits against Big Tobacco and the asbestos industries He was hailed by Newsweek as a latter day Robin Hood and was portrayed in the movie The Insider as a dapper aviator lawyer Scruggs's legal triumphs rewarded him lavishly and his success emboldened both his career maneuvering and his influence in Southern politics but at a terrible cost culminating in his spectacular fall when he was convicted for conspiring to bribe a Mississippi state judge Based on extensive interviews transcripts and FBI recordings never made public The Fall of the House of Zeus uncovers the Washington legal games and power politics the swirl of fixed cases blocked investigations judicial tampering and a zealous prosecution that would eventually ensnare not only Scruggs but his own son Zach in the midst of their struggle with insurance companies over Hurricane Katrina damages Featuring Trent Lott and Jim Biden brother of then Senator Joe Biden in supporting roles with cameos by John McCain Al Gore and other Washington insiders Curtis Wilkie's account of this uniquely American tragedy reveals the seedy underbelly of institutional power **Tricky Dick** Roger Stone, 2017-07-11 Finally there is awarts and all biography of the most enduring American politician of the 20th century Richard Milhous Nixon written by an author with unprecedented access and insight about our 37th President New York Times Bestselling Author Roger Stone Stone and his co author award winning Investigative reporter Michael Colapietro look at the totality of Nixon's entire career utilizing stunning new information either suppressed or unknown by the main stream media of the time Tricky Dick includes new and never before published documentation that the CIA infiltrated the original Watergate burglary team in order to purposely botch the break in that White House Counsel John Dean consistently lied about his true role in planning execution and cover up of the Watergate break lying to Nixon about White House involvement for nine months and concealing ties between Dean and his wife and a high priced call girl ring utilized by the Democratic National Committee to entertain visiting Democrat dignitaries Building on the blockbuster revelations of Roger Stone's previous book on the Nixon's presidency Nixon's Secrets the longtime Nixon intimate and his co author have added shocking new material that proves that the Watergate Special Prosecutor met secretly repeatedly and illegally with Watergate Trial Judge John Sirica in a successful effort to railroad Nixon and rig any appeal to a higher court Stone and his co author Colapietro trace Nixon's meteoric climb from his first race for the House in 1947 his dogged pursuit of Soviet spy Alger Hiss classified Russian documents released after the fall of the Soviet Union prove Hiss was indeed a KGB Spy Nixon's bruising campaign for the US Senate in 1950 his improbable selection by General Dwight D Eisenhower to be vice president only six years after his election to Congress the triumphs and humiliations of his vice presidential years and his razor thin loss of the presidency to John F Kennedy in 1960

Tricky Dick The Rise and Fall and Rise of Richard M Nixon proves in intricate detail how the 1960 election was stolen from a surging Nixon detailing voter fraud in both Texas and Illinois to a degree heretofore undocumented by political scientists and covered only by the New York Herald Tribune at the time These New York Times bestselling authors also detail Nixon s reinvention of himself as The New Nixon and The greatest single come back in American history which resulted in Nixon s triumphant election as president in 1968 Tricky Dick also dissects the military industrial complex unhappiness with Nixon s end to the war in Vietnam his historic strategic arms limitation agreement with the Soviets and his opening to China and the resultant plot to bring Nixon down in the scandal known today as Watergate

The Myth of the Fall in Nineteenth-Century Literature Linda Freedman,2025-07-15 Why does the myth of the Fall continue to matter in an increasingly secularised world Why do we continue to imagine a point where everything went wrong and why must we imagine that things were once better than they are now Modern political theodicies repeatedly play to the myth of the Fall as empowering human authorship promising to take back control or make America great again The myth of the Fall is so absorbed into western culture that we sometimes don t even notice it s there let alone think about why and how it has persisted through secularisation It is often pernicious playing on feelings of innate supremacy and lost dominion Linda Freedman shows that it is also creative the first act of disobedience and resistance which set new human stories in motion and gave narrative shape to existence Nineteenth century writers were so steeped in Christian traditions that the Fall remained an ineluctable structure of thought and even those who resisted or tried to secularise its doctrinal orthodoxies tended to affirm its logic It was a political social and cultural force as well as an aesthetic preoccupation a way of reflecting on the limitations and possibilities of art and literature driving innovations in prose poetry and the novel Rethinking narratives of American exceptionalism with transatlantic and anti racist writings Freedman captures some of the most theologically imaginative and aesthetically and politically interesting textures of the Fall in nineteenth century literature The myth of the Fall survives as much more than a judgmental and repressive social mechanism and mattered to people living vastly different lives this is partly due to the adaptability and force of its narrative logic and partly because it gives narrative time the feel of a quest an infinite search for meaning The Fall holds onto the otherworldly and the unworldly It serves as a formal metalanguage a residually and sometimes explicitly religious aesthetic an origin myth of modernity a source for being in time

Inflated R. Christopher Whalen,2010-12-07 Americans as a whole view themselves as reasonably prudent and sober people when it comes to matters of money reflecting the puritan roots of the earliest European settlers Yet as a community we also seem to believe that we are entitled to a lifestyle that is well beyond our current income a tendency that goes back to the earliest days of the United States and particularly to get rich quick experiences ranging from the Gold Rush of the 1840s to the real estate bubble of the early 21st Century Inflated examines this apparent conflict and makes the argument that such a world view is so ingrained in us that to expect the United States to live in a deflated world is simply unrealistic It skillfully seeks to tell the story of money

inflation and public debt as enduring and perhaps endearing features of American life rather than something we can one day overcome as our policy makers constantly promise Features interviews with today s top financial industry leaders and insiders Offer a glimpse into the future of the Federal Reserve and the role it will play in the coming years Examines what the future may hold for the value of the U S dollar and the real incomes of future generations of Americans The gradual result of the situation we find ourselves in will inevitably lead to inflation loss of economic opportunity and a decline in the value of the dollar This book will show you why and reveal how we might be able to deal with it **A Young General and the Fall of Richmond**

G. William Quatman,2015-02-13 Despite his military achievements and his association with many of the great names of American history Godfrey Weitzel 1835 1884 is perhaps the least known of all the Union generals After graduating from West Point Weitzel a German immigrant from Cincinnati was assigned to the Army Corps of Engineers in New Orleans The secession of Louisiana in 1861 with its key port city of New Orleans was the first of a long and unlikely series of events that propelled the young Weitzel to the center of many of the Civil War s key battles and brought him into the orbit of such well known personages as Lee Beauregard Butler Farragut Porter Grant and Lincoln Weitzel quickly rose through the ranks and was promoted to brigadier general and eventually to commander of Twenty Fifth Corps the Union Army s only all black unit After fighting in numerous campaigns in Louisiana and Virginia on April 3 1865 Weitzel marched his troops into Richmond the capital of the Confederacy capturing the city for the Union and precipitating the eventual collapse of the Southern states rebellion G William Quatman s minute by minute narrative of the fall of Richmond lends new insight into the war s end and his keen research into archival sources adds depth and nuance to the events and the personalities that shaped the course of the Civil War The Abridgment ... Containing the Annual Message of the President of the United States to the Two Houses of Congress ... with Reports of Departments and Selections from Accompanying Papers United States.

North Carolina and Indiana that are also contained in the Tennessee State Museum collection Complete with nearly 300 color illustrations and meticulous notes on textiles and preservation efforts this volume is much more than an encyclopedic log of Tennessee related Civil War flags Stephen Cox and his team also weave the history behind the flags throughout the catalogues including the stories of the women who stitched them the regiments that bore them and the soldiers and bearers who served under them and carried them Civil War Flags of Tennessee is an eloquent hybrid between guidebook and chronicle and the scholar the Civil War enthusiast and the general reader will all enjoy what can be found in its pages Unprecedented in its variety and depth Cox s work fills an important historiographical void within the greater context of the American Civil War This text demonstrates the importance of Tennessee state heritage and the value of public history reminding readers that each generation has the honor and responsibility of learning from and preserving the history that has shaped us all and in doing so honoring the lives of the soldiers and civilians who sacrificed and persevered Nixon's Secrets Roger Stone,2014-08-11 Learn the inside scoop on Watergate the Ford Pardon and the 18 minute Gap Roger Stone The New York Times bestselling author of The Man Who Killed Kennedy the Case Against LBJ gives the inside scoop on Nixon s rise and fall in Watergate in his new book Nixon s Secrets Stone charts Nixon s rise from election to Congress in 1946 to the White House in 1968 after his razor thin loss to John Kennedy in 1960 his disastrous campaign for Governor of California in 1962 and the greatest comeback in American Presidential history Just as the assassination of JFK prevents a balanced analysis of Kennedy and his times the myth of Watergate prevents a reappraisal of our 37th President said Stone who s book on LBJ was the second biggest selling book during the 50th anniversary of Kennedy s murder Stone reveals how the Kennedy s wiretapped Nixon s hotel room the night before the Nixon Kennedy debate and stole Nixon s medical records from his psychiatrist s office Stone lays out how Kennedy running mate Lyndon Johnson stole Texas from JFK through vote fraud while Mayor Richard Daley stole Illinois and how JFK actually lost the popular vote Stone looks at the Nixon Presidency the desegregation of the public schools the progressive social programs Nixon s struggle to end the war in Vietnam the historic SALT arms reduction agreement with Russia the saving of Israel in the Six Days War the opening to China and the disastrous decision to take America off the Gold standard The mainstream media s interpretation of the facts surrounding the Watergate episode are a fantastic and grotesque distortion of historical truth said Stone Cursory examination of the facts in Watergate will reveal that the actions which caused the fall of Nixon cannot be reduced to the simplistic account summarized by Bob Woodward and Carl Bernstein of the Washington Post The author outlines how White House Counsel John Dean planned pushed and covered up the Watergate break in then sought to avoid responsibility for it Stone examines the bungled Watergate break in to determine what exactly Nixon s agents were looking for and how the CIA infiltrated the burglar team and sabotaged the break in to gain leverage over Nixon Find out why Nixon demanded the CIA turn over the records of the Bay of Pigs and Kennedy Assassination Learn how a cabal of military and intelligence hard liners spied on and undermined

Nixon to stop his pro peace détente foreign policy his withdrawal of troops from Vietnam his arms limitation agreement with the Soviets and his opening to Red China Discover how Vice President Spiro Agnew was setup to move him out of the line of presidential succession Stone makes the compelling case that General Alexander Haig orchestrated Nixon's removal from office in a coup d'état and brokered the deal for his pardon Finally the public will learn what is on the 18 minute gap in the White House Tapes Stone a Washington Insider for forty years outlines why FBI Man Mark Felt is not deep throat why there is no deep throat and why Bob Woodward and Carl Bernstein lie about it even today Stone reveals how Nixon used the dark secrets he knew to avoid prosecution by blackmailing Gerald Ford for a full free and unconditional pardon Nixon's secret would not only destroy his presidency it would save him from prison and allow him to launch his final comeback advising President Bill Clinton on Foreign Affairs despite Hillary's attempts to block him and her being fired from the 1974 House Impeachment Committee for lying and violating Nixon's rights
