Worship A down to earth guide to planning and implementing meaningful worship experiences for pastors written especially for those new to the job This practical book is for new pastors as they move into the role of worship leader and planner When faced with the weekly rhythm of planning and leading worship new pastors sometimes find themselves overwhelmed with the tasks The book centers on the pastor and his her identity as worship leader on guidelines for leadership and on the why and how of worship services Contents include The Pastor as Leader Leading on Your First Sunday Rituals The way we do it here Leading in the Worship Service Leading Prayer Leading Communion Leading Baptism Leading through the Christian Year Leading with Musicians Leading the People into Leadership To read chapter one click here I heartily commend this book to new pastors Get it and read it before you show up at your first appointment Barbara Day Miller will save you from many a heartache and embarrassment Though tagged as a new pastor s guide most pastors I know will benefit by reading the New Pastor s Guide especially the latter chapters about leading with musicians and guiding members of the congregation into worship leadership Reverend Daniel T Benedict Jr Director of Worship Resources General Board of Discipleship United Methodist Church In the past couple of years I have worshipped in about a hundred congregations After that experience I can tell you HERE IS THE BOOK WE NEED Barbara Day Miller packs this little book with a lifetime of the creative worship leadership and the inspired preparation of pastors to lead worship Combining practical help with a deep theological understanding of and heartfelt love of Christian worship she gives pastors everything they need to lead God s people in prayer and praise William H Willimon Bishop the North Alabama Conference of the United Methodist Church Barbara Day Miller is the Assistant Dean of Worship at Candler School of Theology in Atlanta Georgia Church Ministry Church Life Worship Liturgy Transitional Ministry Molly Dale Smith,2009-06 Transition is the word we use to describe the time following significant change In congregations that change might be the departure of the pastor a catastrophe such as Hurricane Katrina or 9 11 or simply the changes caused by growth Transition calls for clergy with special training to respond to the needs generated by the special time Task training and time limit are the hallmarks of transitional ministry Trained intentional interim clergy must have the skill and experience to lead congregations during transition However transitional or interim ministry has a bad reputation in some places As one diocesan leader said We have never had a church in this diocese

that was so bad off that an interim was needed Indeed there are some sick churches but most congregations have some good things happening and some things that need attention Intentional interim ministry can be medicine for the sick but in most cases it is better compared to vitamins that are taken to promote health This book seeks to clear up misconceptions about transitional ministry and present an accurate and up to date picture of transitional ministry and to describe the various settings in which this specialized ministry can be helpful Chapter authors all expert in transitional ministry in mainline Protestant denominations include Robert Friedrich John Keydel George Martin Loren Mead Barry Miller Nancy Miller Ineke Mitchell Ken Ornell Molly Dale Smith and Rob Voyle
