The Guns Of Navarone Widescreen Edition:

The Distorters of History: Unexpected Changes in the Media and the Motion Picture Industry with Movies Forever Expanded-Updated Edition Robert D. Ronson, 2013-06-20 If some authorities say the political history is Ronson's interpretation then ask them why the facts are found in the World Almanac Controversial issues in politics and greed dominate our society with power struggles for change My book tries to show how past mistakes lead up to how our system is working now but also discusses what I think are enjoyable films that adequately entertain the average person looking for temporary escapism Most critics or journalists analyze evaluate and review films in terms of production values or political reasons I simply buy a ticket and walk in as a member of the audience After the movie asking myself questions how well I liked it is what I pass on to the viewer

Picture Composition Peter Ward, 2002-11-12 Behind each shot there lies an idea or purpose When setting up a shot the camera operator can employ a range of visual techniques that will clearly communicate the idea to an audience Composition is the bedrock of the operator's craft yet is seldom taught in training courses in the belief that it is an intuitive personal skill Peter Ward shows how composition can be learned to enhance the quality of your work Based on the author's own practical experience the book deals with the methods available for resolving practical production questions such as Does the shot composition accurately reflect the idea that initiated the shot Will the content and method of presenting the subject accurately convey the idea Major innovations in television and film production since the previous edition have affected the styles of composition such as wide screen and the use of mini DV cameras These new technologies and their implications for picture composition are addressed in this new edition A new colour plate section is also being included to update the section on colour If you are a practising camera operator trainee camera operator student or lecturer on a television or film production course or simply a video enthusiast wishing to progress to a more professional standard you will find this book essential in enhancing the quality of your work

The Gunslingers of '69 Brian Hannan, 2019-10-04 In 1969 the counter cultural moment when Easy Rider triggered a youthquake in audience interests Westerns proved more dominant than ever at the box office and at the Oscars It was a year of masterpieces The Wild Bunch Butch Cassidy and the Sundance Kid Once Upon a Time in the West and True Grit Robert Redford achieved star status Old timers like John Wayne Gregory Peck and Robert Mitchum appeared in two Westerns apiece Raquel Welch took on the mantle of Queen of the West Clint Eastwood and Lee Marvin tried their hand at a musical Paint Your Wagon New directors like George Roy Hill reinvigorated the genre while veteran Sam Peckinpah at last found popular approval Themes included women's rights social anxieties about violence and changing attitudes of and towards African Americans and Native Americans All of the 40 plus Westerns released in the U S in 1969 are covered in depth offering a new perspective on the genre
