**The Heart of the Matter** Douglas Westveer, Sandra Jordan, 2009-08-01 If you're browsing through The Heart of the Matter the threat of cardiac disease is lurking in your mind and with good reason Although national programs to contain this killer are highly successful and ahead of schedule heart disease remains highly prevalent and deadly Medical research during the last 15 years has successfully defined many treatment strategies that work and many that don't Your task is not to understand this mountain of information but to know the critical questions to ask your doctor when you are in trouble The Heart of the Matter will highlight for you the right questions to ask after your heart attack or if you're afflicted by hypertension high cholesterol or heart failure Before you need a pacemaker defibrillator heart surgery or angioplasty the right questions need to be asked and you'll find out why they're important Take advantage of all of the recent research and years of clinical experience by the authors in managing heart disease

The Heart of the Matter Dr. Darren R. Weissman, Cate Montana, 2013-09-02 How do we access the authentic self in order to live fulfilling meaningful lives In straightforward terms The Heart of the Matter Gifts in Strange Wrapping Paper explains a simple but extraordinarily powerful technique called the See Feel Hear Challenge that enables people to easily gain entry into the storehouse of their subconscious core beliefs In the process it cracks the coded messages that those beliefs release in the form of disease suffering addictions unhappy relationships and victimized circumstances Based in the latest findings in neuroscience and neurocardiology this book guides readers to an uncomplicated understanding of the astounding power of our emotions and how life automatically delivers experiences that trigger negative reactions that subconsciously impact us These emotions form the foundation of core beliefs that create unhealthy attitudes and disease patterns that keep us from experiencing the authentic satisfying lives we desire Using clear examples and true stories from clients Dr Weissman's latest work demonstrates how we can release these stored emotions and their wisdom via the See Feel Hear Challenge It then explains how to use this simple method to evoke feelings that positively impact the quantum field remolding our bodies minds and everyday lives into purposeful expressions of inner joy and radiant well being Whether you're dealing with addictions dysfunctional relationships or illness or are focused on becoming an Olympic champion The Heart of the Matter gives you a potent tool for positive change and transformation that you can use for the rest of your life

**The Heart of the Matter** Bob Edwards, 2002-07-24 Psychiatrist and Holocaust survivor Viktor Frankl said Man's search for meaning is the primary motivation in his life Yet some contemporary voices claim that increased knowledge of the material world must diminish our sense of meaning Physicist Steven Weinberg said The more the universe seems comprehensible the more it also seems pointless Many people hold the material and meaningful perspectives separate in their minds in a state of uneasy truce The

Heart of the Matter A Case for Meaning in a Material World tells us that this split vision is not necessary and shows us how the two views can be harmonized to give depth to our picture of the world It looks at current scientific observations from astronomy biology and physics as well as insights from mathematics philosophy psychology and religion We are left with a sense of wonder at both the mechanics and the values of the world the how and the why of events This book will appeal to everyone fascinated by how our world works and especially to those who wonder how such marvelous mechanisms can leave room for the values and purpose that give meaning to our lives and to our world **The Heart of the Matter** Peter

Pugh,2015-09-17 Papworth Hospital in Cambridgeshire founded in 1916 to tackle the great killer disease of tuberculosis is famous for carrying out the UK s first heart transplant operation in 1979 It followed this up not only with many other heart transplants but also with the UK s first heart and lung operation in 1984 and the world s first heart lung and liver transplant in 1986 With unique access to Papworth s archives historian Peter Pugh here tells the story of this ground breaking hospital for the first time Alongside the background to that first UK heart transplant and the ethical controversies that surrounded it Pugh explores the opposition to heart operations in general Papworth s difficulties dealing with NHS authorities especially over funding and the discussions for over 50 years as to whether the hospital should move alongside Addenbrooke s hospital in Cambridge As an insight into the history of medicine and surgery in the UK as well as a story literally of life and death The Heart of the Matter will be compelling reading **The Matter of the Heart** Thomas Morris,2018-01-16 More than a litany

of medical advances it s the story of the gritty bloody and deadly experiences that underlie scientific progress Washington Post An eye opening and heroic story of pioneering heart surgeons structured around eleven operations For thousands of years the human heart remained the deepest of mysteries both home to the soul and an organ too complex to touch let alone operate on Then in the late nineteenth century medics began going where no one had dared go before The following decades saw the mysteries of the heart exposed thanks to pioneering surgeons brave patients and even sacrificial dogs In eleven landmark operations Thomas Morris tells us stories of triumph reckless bravery swaggering arrogance jealousy and rivalry and incredible ingenuity the trail blazing blue baby procedure that transformed wheezing infants into pink healthy children the first human heart transplant which made headline news around the globe And yet the heart still feels sacred just before the operation to fit one of the first artificial hearts the patient s wife asked the surgeon if he would still be able to love her The Matter of the Heart gives us a view over the surgeon s shoulder showing us the heart s inner workings and failings It describes both a human story and a history of risk taking that has ultimately saved millions of lives A thoroughly engaging history The Wall Street Journal Morris s expert guided tour of cardiac surgery and its quirky brilliant innovators covers a dazzling and dizzying array of procedures and hints at tantalizing prospects for future surprises Publishers Weekly starred review A well developed narrative with no end of heroes Kirkus Reviews Gripping John Crace The Guardian [The Heart of the Matter](#) Felicia Wade,2006-04 What is the legacy of health that we are leaving for our families and children The heart of

the matter is that we owe it to God to take care of the temple that He gave us Reading this book is just the beginning putting it into practice is the next step allowing God to change your heart and mind through to commit to health     The Heart of the Matter Pasquale De Marco,2025-03-18 The Second World War was the deadliest conflict in human history resulting in the deaths of tens of millions of people It was a global war that spanned six continents and all of the world s oceans The war began in 1939 when Nazi Germany invaded Poland and it ended in 1945 with the defeat of Germany Italy and Japan This book provides a comprehensive overview of the Second World War from its origins to its aftermath It examines the political economic and social factors that led to the outbreak of war and it follows the conflict from its early battles to its bloody conclusion The book also considers the war s impact on the lives of ordinary people and it explores the ways in which it has shaped the world we live in today In this book you will learn about The rise of Adolf Hitler and the Nazi Party in Germany The invasion of Poland and the outbreak of war The major battles of the war including the Battle of Stalingrad the Battle of Britain and the Battle of the Bulge The Holocaust and other atrocities committed by the Nazis The Allied victory and the end of the war The legacy of the war and its impact on the world today This book is essential reading for anyone who wants to understand one of the most important events in human history It is a comprehensive and balanced account of the war and it is written in a clear and engaging style Whether you are a student a historian or simply someone who is interested in learning more about the Second World War this book is for you If you like this book write a review     God's Finances-A Matter of the Heart J. Boudoin,2005-12     **At the Heart of the Matter** Dr. Eboni Ivory Green,2011-05-11 Caregivers have unique needs as they provide support and care for their loved ones At the Heart of the Matter ultimately enables caregivers to look at ways to better care for themselves and enhance their wellness while providing care for a loved one At the Heart of the Matter affords the caregiver an opportunity to personalize his or her caregiving journey based on their individual needs Special features included Famous quotes offering inspiration and hope to ease the turbulence often experienced during the complex matter of providing care for a sick or disabled loved one Points to ponder caregivers are guided through the spiritual journey as they are prompted to address questions at the end of each chapter Assessments to take a closer look at spiritual strengths find out what best interests individual caregivers and what strategies individuals feel most comfortable with when it comes to assisting a loved one or client Poems and interesting stories each chapter begins with a short story or poem which sets the tone for the spiritual journey and offers food for thought Concise chapters many caregivers do not have much free time The chapters in this book are concise so even caregivers with limited time have the opportunity to focus on how to continue to support a loved one while practicing the art of self care     *The Heart of the Matter* Susan M. contemplative way of life in which one is called to seek and to find and give oneself to God who is wholly poured out and given to us in the gift of life itself James Finley author of *The Healing Path* In the spirit of Thomas Merton's *The Sign of Jonas* come five decades of life at the Abbey of Gethsemani in Kentucky from the private journals of one of Merton's former novices Brother Paul Quenon Readers are introduced to multiple aspects the inwards and outwards of a monk's life Reflections meditations insights and wanderings are mingled with outward experiences in nature community and sketches of monks saintly comical or strange poetic moments Remarks are made on world events seen from a local and momentary perspective such as the war in Iraq or the end of the war in Vietnam Private discoveries of animal behavior and magical locations for prayer are experienced with wonder No daily chronology is followed but entries are arranged from the 1970s to the 2000s according to the decade they occurred in including the visit of the Dalai Lama and other occasions when this contemplative's life has intersected with spiritual teachers outside the monastery Overall a multi colored diverse and surprising display of what it is like to live an enclosed life

**Getting to the Heart of the Matter** Carl Levin, 2021-03-02 Former senator Carl Levin's memoir demonstrates the value of pragmatism empathy and compromise Representing Michigan for thirty six years in the U S Senate Carl Levin the longest serving senator in Michigan history was known for his dogged pursuit of the truth his commitment to holding government accountable and his basic decency *Getting to the Heart of the Matter* My 36 Years in the Senate is his story from his early days in Detroit as the son of a respected lawyer to the capstone of his career as chair of both the Senate Armed Services Committee and the Senate Permanent Subcommittee on Investigations Levin's career placed him at the center of some of our nation's most critical points in modern times from the aftermath of the 1967 Detroit riots to the Clinton impeachment through 9 11 and the wars in Iraq and Afghanistan and the 2008 financial crisis He met with numerous world leaders including Egypt's Anwar Sadat and China's Jiang Zemin *Getting to the Heart of the Matter* recounts Levin's experiences thoughts and actions during these historic moments Consisting of seventeen chapters the book takes the reader through Levin's early life in Detroit of the 1940s 50s and 60s where he met his wife started a family practiced law and served as the first General Counsel for the newly created Michigan Civil Rights Commission and the chief appellate defender for Detroit's Legal Aid Office Elected to the Detroit City Council in 1969 where Levin served for eight years including four as Council president the book describes how his fight against the Department of Housing and Urban Development's devastating housing practices in the neighborhoods of Detroit led him to run for the U S Senate with a pledge to make government work more effectively Winning election six times Levin had an illustrious career in the Senate where he challenged leaders in government and the private sector for the greater good of the nation Levin describes how as a Democrat throughout his time in the Senate he worked with Republican senators who often held different policy positions in order to find common ground to achieve national goals and how he and his Senate staff searched for creative solutions to trade issues support for the auto industry and manufacturing sector U S military action in Iraq and Afghanistan and efforts to protect the Great Lakes and the

environment among many other issues Levin's hope in writing this memoir is that by sharing his deeply held beliefs about the responsibility of elected officials the book will serve as a resource for people beginning a career in or contemplating running for public office Readers with an interest in politics history facts and perseverance will find kinship in this book     **The Heart of the Matter by Graham Greene (Book Analysis)** Bright Summaries,2019-04-03 Unlock the more straightforward side of The Heart of the Matter with this concise and insightful summary and analysis This engaging summary presents an analysis of The Heart of the Matter by Graham Greene the tragic tale of one man's anguish as he gradually spirals into corruption and infidelity The man in question is Major Scobie a British police officer living in colonial Africa who finds himself drawn into an affair with a younger woman while his wife is out of the country When a local criminal threatens to make their affair public knowledge Scobie is forced to abandon his personal integrity setting him on a difficult path which ultimately leads to his doom The Heart of the Matter is considered one of Graham Greene's seminal Catholic novels and is also known for its portrayal of life in colonial Africa Find out everything you need to know about The Heart of the Matter in a fraction of the time This in depth and informative reading guide brings you A complete plot summary Character studies Key themes and symbols Questions for further reflection Why choose BrightSummaries.com Available in print and digital format our publications are designed to accompany you on your reading journey The clear and concise style makes for easy understanding providing the perfect opportunity to improve your literary knowledge in no time See the very best of literature in a whole new light with BrightSummaries.com     The Heart Of The Matter: Perspectives On Emotion In Marital Susan M. Johnson,Leslie S. Greenberg,2013-08-21 First published in 1995 Intimate relationships are at the core of our emotional life There is no other context so infused by and responsive to the ebb and flow of human emotion A large part of human communication is emotional communication involving minute signals concerning closeness and distance and dominance and submission This information is of central importance in organizing interactions with significant others In addition the social interactions most crucial to our senses of well being positive adaptation and physical and emotional health are those that occur with significant others on whom we depend for our sense of security and belonging in the world This book examines the role of affect in intimate relations and in the redefinition of such relationships in therapy     A Matter of the Heart: Education in india Anurag Behar,2024-03-04 About the Book A BOOK ON THE STATE OF EDUCATION IN INDIA BEYOND THE MAIN CITIES AND AN ODE TO EDUCATORS WHO ARE SHAPING THE FUTURE OF OUR COUNTRY Education is the possibility of building something better a better future a better community a better society a better world But what really is education What does it mean to build a better future And how does one build this future beyond the metropolitan cities and the schools for the elite In this collection of essays Anurag Behar takes us to schools in remote villages of India He gives us insight into where our nation stands on education and through that lens into the nation itself He shows us an India that is waiting for better infrastructure and one where the right to education is in constant struggle with the need for survival But

what emerges is the heart warming and life affirming story of how people and communities energised from within are changing lives of individuals and the nation This book is testimony to the essence of education The heart of the matter is that it is a matter of the heart
