The Reinvention of Jewish Tradition

ERICH S. GRUEN

# The Heritage Of Hellenism

**Erich S. Gruen**

## **The Heritage Of Hellenism:**

**The Heritage of Hellenism** John Ferguson,1973      **Heritage and Hellenism** Erich S. Gruen,2023-07-28 The interaction of Jew and Greek in antiquity intrigues the imagination Both civilizations boasted great traditions their roots stretching back to legendary ancestors and divine sanction In the wake of Alexander the Great s triumphant successes Greeks and Macedonians came as conquerors and settled as ruling classes in the lands of the eastern Mediterranean Hellenic culture the culture of the ascendant classes in many of the cities of the Near East held widespread attraction and appeal Jews were certainly not immune In this thoroughly researched lucidly written work Erich Gruen draws on a wide variety of literary and historical texts of the period to explore a central question How did the Jews accommodate themselves to the larger cultural world of the Mediterranean while at the same time reasserting the character of their own heritage within it Erich Gruen s work highlights Jewish creativity ingenuity and inventiveness as the Jews engaged actively with the traditions of Hellas adapting genres and transforming legends to articulate their own legacy in modes congenial to a Hellenistic setting Drawing on a diverse array of texts composed in Greek by Jews over a broad period of time Gruen explores works by Jewish historians epic poets tragic dramatists writers of romance and novels exegetes philosophers apocalyptic visionaries and composers of fanciful fables not to mention pseudonymous forgers and fabricators In these works Jewish writers reinvented their own past offering us the best insights into Jewish self perception in that era The interaction of Jew and Greek in antiquity intrigues the imagination Both civilizations boasted great traditions their roots stretching back to legendary ancestors and divine sanction In the wake of Alexander the Great s triumphant successes Greeks      **The Heritage of Hellenism** John Ferguson,1973      *The Heritage of Hellenism* Nicholas Vlahogiannis,1997      **The History of the Diadochoi in Book XIX of Diodoros' ›Bibliothēke‹** Alexander Meeus,2022-02-21 Diodoros of Sicily s book XIX is the main source for the history of the Diadochoi Alexander the Great s Successors from 317 to 311 BCE With the first full scale commentary on this text in any language Alexander Meeus offers a detailed and reliable guide to the complicated historical narrative and the fascinating ethnographic information transmitted by Diodoros which includes the earliest accounts of Indian widow burning and Nabataean culture Studying both history and historiography this volume elucidates a crucial stage in the creation of the Hellenistic world in Greece and the Near East as well as the confusing source tradition Diodoros a long neglected author indispensable for much of our knowledge of Antiquity is currently enjoying growing scholarly interest An ample introduction discusses his historical methods and sheds light on his language and style and on the manuscript transmission of books XVII XX By negotiating between diametrically opposed scholarly opinions a new understanding of Diodoros place in the ancient historiographical tradition is offered The volume is of interest to scholars of ancient historiography Hellenistic history Hellenistic prose and the textual transmission of the Bibliothēke      **The Construct of Identity in Hellenistic Judaism** Erich S. Gruen,2016-09-12 This book collects twenty two previously published essays and

one new one by Erich S Gruen who has written extensively on the literature and history of early Judaism and the experience of the Jews in the Greco Roman world His many articles on this subject have however appeared mostly in conference volumes and Festschriften and have therefore not had wide circulation By putting them together in a single work this will bring the essays to the attention of a much broader scholarly readership and make them more readily available to students in the fields of ancient history and early Judaism The pieces are quite varied but develop a number of connected and related themes Jewish identity in the pagan world the literary representations by Jews and pagans of one another the interconnections of Hellenism and Judaism and the Jewish experience under Hellenistic monarchies and the Roman empire *The Early Hellenistic Peloponnese* D. Graham J. Shipley, 2018-06-14 Using all available evidence literary epigraphic numismatic and archaeological this study offers a new analysis of the early Hellenistic Peloponnese The conventional picture of the Macedonian kings as oppressors and of the Peloponnese as ruined by warfare and tyranny must be revised The kings did not suppress freedom or exploit the peninsula economically but generally presented themselves as patrons of Greek identity Most of the regimes characterised as tyrannies were probably in reality civic governorships and the Macedonians did not seek to overturn tradition or build a new imperial order Contrary to previous analyses the evidence of field survey and architectural remains points to an active even thriving civic culture and a healthy trading economy under elite patronage Despite the rise of federalism particularly in the form of the Achaean league regional identity was never as strong as loyalty to one s city state polis **The Hellenistic Court** Andrew Erskine, Lloyd Llewellyn-Jones, Shane Wallace, 2017-12-14 Hellenistic courts were centres of monarchic power social prestige and high culture in the kingdoms that emerged after the death of Alexander They were places of refinement learning and luxury and also of corruption rivalry and murder Surrounded by courtiers of varying loyalty Hellenistic royal families played roles in a theatre of spectacle and ceremony Architecture art ritual and scholarship were deployed to defend the existence of their dynasties The present volume from a team of international experts examines royal methods and ideologies It treats the courts of the Ptolemies Seleucids Attalids Antigonids and of lesser dynasties It also explores the influence on Greek speaking courts of non Greek culture of Achaemenid and other Near Eastern royal institutions It studies the careers of courtesans concubines and friends of royalty and the intellectual ceremonial and artistic world of the Greek monarchies The work demonstrates the complexity and motivations of Hellenistic royal civilisation of courts which governed the transmission of Greek culture to the wider Mediterranean world and to later ages *Hellenistic History and Culture* Peter Green, 2023-09-01 In a 1988 conference American and British scholars unexpectedly discovered that their ideas were converging in ways that formed a new picture of the variegated Hellenistic mosaic That picture emerges in these essays and eloquently displays the breadth of modern interest in the Hellenistic Age A distrust of all ideologies has altered old views of ancient political structures and feminism has also changed earlier assessments The current emphasis on multiculturalism has consciously deemphasized the Western

Greco Roman tradition and Nubians Bactrians and other subject peoples of the time are receiving attention in their own right not just as recipients of Greco Roman culture History like Herakleitos river never stands still These essays share a collective sense of discovery and a sparking of new ideas they are a welcome beginning to the reexploration of a fascinatingly complex age In a 1988 conference American and British scholars unexpectedly discovered that their ideas were converging in ways that formed a new picture of the variegated Hellenistic mosaic That picture emerges in these essays and eloquently displays the breadth of

Art in the Hellenistic Age Jerome Jordan Pollitt,1986-06-12 This 1986 book is an interpretative history of Greek art during the Hellenistic period

**The Heritage of World Civilizations** Albert M. Craig,1986

**The Hellenistic Age** Peter Green,2008-05-13 The Hellenistic Age chronicles the years 336 to 30 BCE a period that witnessed the overlap of two of antiquity's great civilizations the Greek and the Roman Peter Green's remarkably far ranging study covers the prevalent themes and events of those centuries the Hellenization by Alexander's conquests of an immense swath of the known world the lengthy and chaotic partition of this empire by rival Macedonian bands the decline of the city state as the predominant political institution and finally Rome's moment of transition from republican to imperial rule It is a story of war and power politics and of the developing fortunes of art science and statecraft spun by an accomplished classicist with an uncanny knack for infusing life into the distant past and applying fresh insights that make ancient history seem alarmingly relevant to our own times Spectacular filled with Mr Green's critical acumen The Wall Street Journal Green draws upon a lifetime of scholarship to brilliantly sum up the three hundred year Hellenistic age Happily this book's brevity admirable in itself and in its concision elegance and authority isn't achieved at the expense of subtlety and complexity The Atlantic Monthly An interesting and well written overview Students of world history are in Green's debt The Philadelphia Inquirer Marvelous splendid a brilliant introduction to this crucial transitional period Publishers Weekly starred review

*The History of Hellenistic Period* J. B. Bury,E.A. Barber,Edwyn Bevan,W.W. Tarn,2019-06-03 This book explores the art exploration literature theatre architecture music mathematics philosophy science and the most important social questions of The Hellenistic Age the period between the conquest of Alexander the Great and the emergence of the Roman Empire Contents The Hellenistic Age and the History of Civilization Alexandrian Literature Hellenistic Popular Philosophy The Social Question in the Third Century
