The Special Ministries of Women Wayne O'Donnell, 2020-04-28 All my books can be read online free at wayneodonnell.com Freely you have received freely give Mt 10 8 God uniquely created women for special ministries to the Lord their families their churches and society These ministries include submission modesty quietness affection and chastity Such services women render to the Lord are like the precious ointment Mary of Bethany poured on the head and feet of Jesus Women have performed some of the greatest spiritual works of all time Only a woman believed Jesus when he said he was going to die and anointed him for his burial Mt 26 12 13 And only a woman was given the privilege of not merely of being the first to see Jesus after his resurrection but of seeing him even before he ascended to the Father Jn 20 16 18 The first section of this book covers the Headcovering of 1 Corinthians 11 a church meeting observance like the Lord's Supper in the same chapter that God gave the church through the apostles to keep the church different from the world in regards to authority structures and gender roles during this age of apostasy and rebellion when the mystery of lawlessness is already at work 2 Thess 2 7 The second section is about the Song of Solomon God's engagement marriage and lovemaking manual that he gave us in the Bible because marriage and love making are so important to him our creator The Song of Solomon is the only book in the Bible written entirely from a woman's perspective including even her thoughts by inspiration of the Spirit of God though it was written by her husband I present her story in the form of a play adding a few comments but mostly just helping the reader understand each scene and who is speaking The

third section is about the one flesh union and its implications for chastity adultery polygamy divorce and remarriage Egalitarianism has made people misunderstand the one flesh union the Biblical definition of adultery and polygamy which has made people misinterpret Jesus statements about divorce and remarriage which has resulted in untold amounts of suffering over the centuries A recurring theme of this book is that modern egalitarian Bible teachers will bear the responsibility for the harm they do by letting their culture determine their interpretation of the Bible instead of letting the Bible determine their evaluation of their culture This book covers some difficult topics I recommend considering other interpretations of the passages I dealt with as long as they re based on the details of the text itself and not imposed on the text by the interpreter because of his culture This book is intended to be both practical and polemical for women laymen and theologians and as a contribution to the battle of loving patriarchy against the increasing egalitarianism in modern societies which does so much harm to women I think you ll see from these chapters that I strongly believe in giving HONOR unto woman as unto the weaker vessel 1 Pet 3 7 I also try to interpret the Bible according to the law of kindness Prov 31 26
