Six Klimt Cards Gustav Klimt, 2003-03-31 Magnificent works by the great Austrian artist whose exotic figures seem trapped in a bejeweled background Includes The Kiss Salome The Black Feather Hat Portrait of the Baroness Elisabeth Bachofen Echt Lady with a Fan and Danae **Diaries, 1898-1902** Alma Mahler-Werfel, 2000-05 The manuscript of Alma Mahler's Diaries a pile of old exercise books lay unread and seemingly illegible in the library of an American university In search of the truth about Alma and Alexander Zemlinsky Antony Beaumont read them and found what he was looking for But he found far more the authentic saga of one of the century's most charismatic personalities The Diaries depict in intimate detail the four years during which Alma grew from adolescence into womanhood Opening with her first heady affair with Gustav Klimt they break off shortly before her marriage to Gustav Mahler To me writes Beaumont reading The Diaries is like raising a curtain behind which stands the Vienna of 1900 in all its majesty and so close that one can almost reach out and touch it The vitality of everyday life eye witness accounts of significant artistic events unique insights into the behavioral patterns and linguistic conventions of homo austriacus all these serve to make the book unique Having come to grips with Alma's handwriting Beaumont and his coeditor for the German edition Susanne Rode Breymann added meticulously researched commentaries and annotations The German edition was published in the autumn of 1997 *Six Modernist Moments in Poetry* David Young, 2006 Along with the four poems written in English the two non English poems are presented and discussed in Young's own translations He describes the provenance of each of the six poems puts it in the context of its time and the poet's career and surrounds it with references to other poems that are quoted generously In this way each poem is not only fully explicated but also presented as a kind of preeminent example representing other poems of its type Combining close reading with contextual discussion this book is a significant contribution to the fields of poetry and modernism **BOOK JACKET** **Gustav Klimt** Frank Whitford, 1993 **The Publishers Weekly**, 2005 Library Catalog of the Metropolitan Museum of Art Metropolitan Museum of Art (New York, N.Y.).
