

From the man who brought you "Mr. Mom" & "National Lampoon's Vacation"

It's the time of your life that may last a lifetime.

Samantha Baker is turning sixteen and she's fallen in love for the first time. It should be the best time of her life.

But...her family is so preoccupied with her sister's wedding they totally forget her birthday, the boy she loves doesn't know she exists and the class clown is putting the move on her.

And...she still has to go to school, ride the bus, put up with an annoying younger brother, a hopelessly vain older sister, four delirious grandparents and a whacked-out foreign exchange student.

Well, hang in there, Samantha. The day's not over yet. You may still get one wish.

Sixteen Candles

Turning sixteen isn't easy when you've fallen in love...for the first time.
