the nature of practices in the community and some of the policy and practice issues which they confront in their work

**Treatment of Sex Offenders in Social Work and Mental Health Settings** John S. Wodarski, 1989 This timely book  
focuses on social work practice with sexual offenders in community mental health settings Practicing professionals and  
academicians present both theoretical and empirical material covering three major classifications the incest offender the  
violent offender and the social decency offender Because today's sexual offenders are often turned away from psychiatric  
hospitals and instead served in open community centers professionals in mental health centers and related human service  
agencies must be prepared to treat them In this remarkably candid and instructive volume experts equip psychiatrists  
psychologists social workers and other professionals in mental health settings with valid up to date techniques for working  
with sexually aggressive children mentally retarded sex offenders and incest families      **Families, Social Services, and
