The Vitality of Critical Theory Harry F. Dahms, 2011-05-19 States that the critical theory of the Frankfurt School is as important today if not more so as it was at its inception during the 1930s This title looks at the distinguishing features of this tradition and how it is critical yet also complementary of other approaches in the social sciences especially in sociology

International Communism and Transnational Solidarity: Radical Networks, Mass Movements and Global Politics, 1919-1939, 2016-11-21 This book provides an analysis of the articulation and organisation of radical international solidarity by organisations that were either connected to or had been established by the Communist International Comintern such as the International Red Aid the International Workers Relief the League Against Imperialism the International of Seamen and Harbour Workers and the International Trade Union Committee of Negro Workers The guiding light of these organisations was a radical interpretation of international solidarity usually in combination with concepts and visions of gender race and class as well as anti capitalism anti imperialism anti colonialism and anti fascism All of these new transnational networks form a controversial part of the contemporary history of international organisations Like the Comintern these international organisations had an ambiguous character that does not fit nicely into the traditional typologies of international organisations as they were neither international governmental organisations nor international non governmental organisations They constituted a radical continuation of the pre First World War Left and exemplified an attempt to implement the ideas and movements of a new type of radical international solidarity not only in Europe but on a global scale Contributors are Gleb J Albert Bernhard H Bayerlein Kasper Brask n Fredrik Petersson Holger Weiss

Comparative Sociology and Social Theory Graham Crow, 1997-06-09 Recent developments have made obsolete the division of the globe into three worlds of capitalist state socialist and underdeveloped countries This book traces the

interconnectedness of the disorganisation of capitalism in the industrialised west the transformation of former state socialist societies and the divergent fortunes of third world countries It argues that comparative sociology continues to have relevance in the age of globalisation and provides a framework within which these developments can be placed in their proper perspective

Free to Hate Martin Marinos,2023-11-21 Linking neoliberalism with the Right's global rise Bulgaria's media driven pivot to right wing populism parallels political developments taking place around the world Martin Marinos applies a critical political economy approach to place Bulgarian right wing populism within the structural transformation of the country's media institutions As Marinos shows media concentration under Western giants like Westdeutsche Allgemeine Zeitung and News Corporation have led to a neoliberal turn of commercialization concentration and tabloidization across media The Right have used the anticommunism and racism bred by this environment to not only undermine traditional media but position their own outlets to boost new political entities like the nationalist party Ataka Marinos's ethnographic observations and interviews with local journalists politicians and media experts add on the ground detail to his account He also examines several related issues including the performative appeal of populist media and the money behind it A timely and innovative analysis Free to Hate reveals where structural changes in media intersect with right wing populism
