Social Dimensions Of Health The Israeli Experience:

Social Dimensions of Health Judith T. Shuval, 1992-11-30 The universality of health concerns and the complexity of dealing with them makes it increasingly important for professionals in sociology health care and policy making to become acquainted with the wide variety of strategies used in different social contexts Although Israel is in some ways unique in its social problems and its approach to health care many of its problems resemble those of other societies and many of its solutions can be applied in other countries Social Dimensions of Health looks at distinctive aspects of the Israeli health care system while at the same time drawing comparisons with other societies Judith Shuval discusses the health and health behavior of a variety of groups in Israeli society that have not been systematically considered in other analyses women the elderly alternative health care providers immigrants and Israeli Arabs Shuval analyzes the critical influence of ultraorthodox parties on health policy in the context of a tenuously balanced coalition government and shows how the pervasive conflict between Israel and the Arab world penetrates all aspects of social life including health Inequality in health is discussed with special reference to Israeli Arabs The study concludes with a discussion of what can be learned from the Israeli experience and how it can best be applied in other social contexts Social Dimensions of Health will prove useful to scholars health practitioners and lay people seeking a broad understanding of the social factors underlying health and health care

International Perspectives on Social Work in Health Care Gail K Auslander, 2014-02-04 In the new health care environment social workers are being called upon to act as case managers coordinators evaluators therapists and researchers International Perspectives on Social Work in Health Care brings together academics and practitioners to discuss what managed care cost containment corporatization and pre payment portend for social work s survival Its explanatory pages will help you understand the need for skills in networking mediation and advocacy how to link communities and institutions and how to conceptualize quantify and measure the outcomes of social work interventions In an effort to transcend traditional organizational and intellectual boundaries International Perspectives on Social Work in Health Care explores conflicts inherent to social work the need for new theoretical and practice models social work administration in changing health care organizations and developments in health social work research Seeking to unite policy and practice this guidebook addresses key issues trends and innovations in social work including services that enhance community health the transformation of health care in the U S into a market commodity a broader approach to health and health care to correct gender biases lifestyle changes and health promotion helping clients overcome patterns of denial fear and anger individual casework vs group community practice patterns of social work service provision in a rehabilitation hospital environment the effects of heterosexism on health and mental health services to lesbian and gay clients International Perspectives on Social Work in Health Care acts as a forum for contributing authors and readers to exchange and gain information and learn from each others experiences and expertise This is the book to help social work academics educators and practitioners work

together to meet the demands and challenges of the increasingly complex health care environment

Immigration to Israel Eliezer LeAiem, Judith T. Shuval, This eighth volume in the Studies of Israeli Society series presents a broad array of topics related to the sociology of immigration to Israel The focus is on immigration and migration during the 1980s and 1990s The chapters were selected from a list of approximately 450 articles on the subject by Israeli sociologists The book covers such issues as migrants in the occupational structure migration and health formal and informal mechanisms of integration ethnic identities and processes of integration and processes of migration and their implications Immigration to Israel opens with two papers written specifically for this volume The first is a theoretical historical chapter by the editors They discuss the role and contribution of Israeli sociologists to the ongoing literature of migration The second by Sergio DellaPergola provides a historical and comparative perspective of the underlying demographic characteristics of migration to Israel in the context of global Jewish migration processes Other chapters and contributors include New Entrepreneurs and Entrepreneurial Aspirations among Immigrants from the Former USSR in Israel by M Lerner and Y Hendeles New Immigrants as a Special Group in the Israeli Armed Forces by V Azarya and B Kimmerling Iranian Ethnicity in Israel by J L Goldstein Ethiopian Immigrants in Israel by S Kaplan and C Rosen The Attitudes of Israeli Youth Toward Inter ethnic and Intra ethnic Marriage by R Shachar and Jewish Immigrants from Israel in the United States by Z Eisenbach Immigration to Israel Sociological Perspectives concludes with a selected bibliography This volume contains a wealth of information and will be important to sociologists historians scholars of Israeli culture and ethnicity specialists

Social Work Diagnosis in Contemporary Practice Francis J. Turner, 2005-02-10 The unifying theme of this broad reaching volume is that responsible ethical and effective social work practice rests on the diagnostic skills of the practitioner Social work diagnosis refers to the conscious formulation of an ongoing set of decisions about the client and his or her situation which serve as the basis for intervention decisions for which the practitioner must be prepared to take responsibility Diagnostic skill development is an ongoing process principally enhanced by a continuous commitment to remain at the cutting edge of the profession s body of knowledge but one of the challenges for today s practitioner is keeping abreast of the rapidly expanding body of knowledge contained in some 200 important social work periodicals in circulation Francis J Turner a preeminent clinical scholar brings together in one volume some of the best work published since 2000 each reflecting new insights into understanding psychosocial situations and innovative methods of applying knowledge and skills in an increasingly effective manner Each of the 78 articles in this volume highlights some of the critical dimensions of contemporary social work practice guiding clinicians to address four key aspects in order to craft an accurate diagnosis The first section presents articles covering the developmental spectrum each of which fully explains various ages and stages of development The second section focuses on a range of specific situations helping practitioners and students enrich their understanding of different types of problems they meet in contemporary practice whether they are based in mental illness psychosocial issues or physical ailments The

third section addresses the crucial component of diversity demonstrating the complexity and critical importance of truly understanding clients and their lives The last section of the book discusses innovative approaches to practice selected to offer practitioners easy access to the latest interventions for a host of contemporary challenges facing clients and their therapists Broad in scope and tightly focused on the goal of providing the most up to date information necessary for accuracy in the diagnostic process this volume represents some of the best research available to today s social workers

The Military and Militarism in Israeli Society Edna Lomsky-Feder,Eyal Ben-Ari,2012-02-01 The Military and Militarism in Israeli Society systematically examines the cultural and social construction of things military within Israel Contributors from comparative literature film studies sociology anthropology geography history and cultural studies explore the arenas in which the centrality of military matters are produced and reproduced by the state and by other public bodies Analysis is presented using three perspectives the production and reproduction of collective representations the dynamics of gender voice and resistance and the construction of individual life worlds

Circles of Exclusion Dani Filc, 2011-03-15 In its early years Israel s dominant ideology led to public provision of health care for all Jewish citizens regardless of their age income or ability to pay However the system has shifted in recent decades becoming increasingly privatized and market based In a familiar paradox the wealthy the young and the healthy have relatively easy access to health care and the poor the old and the very sick confront increasing obstacles to medical treatment In *Circles of Exclusion* Dani Filc both a physician and a

human rights activist forcefully argues that in present day Israel equal access to health care is constantly and systematically thwarted by a regime that does not extend an equal level of commitment to the well being of all residents of Israel whether Jewish Israeli Palestinians migrant workers or Palestinians in the Occupied Territories Filc explores how Israel s adoption of a neoliberal model has pushed the system in a direction that gives priority to the strongest and richest individuals and groups over the needs of society as a whole and to profit and competition over care Filc pays special attention to the repercussions of policies that define citizenship in a way that has serious consequences for the health of groups of Palestinians who are Israeli citizens particularly the Bedouins in the unrecognized villages and to the ways in which this structure of citizenship affects the health of migrant workers The health care situation is even more dire in the Occupied Territories where the Occupation especially in the last two decades has negatively affected access to medical care and the health of Palestinians Filc concludes his book with a discussion of how human rights public health and economic imperatives can be combined to produce a truly equal health care system that provides high quality services to all Israelis

Current Catalog National Library of Medicine (U.S.),1993-04 *Immigration and Integration in Post-Industrial Societies* Naomi Carmon,2016-01-13 Naomi Carmon has brought together a group of distinguished scholars from post industrial countries to discuss changes in immigration flows their impact on the receiving countries and alternative policy responses Experts in sociology economics political science geography and urban planning base their analyses on evidence from USA Australia Britain France and Israel They examine past experience and analyze the present situation in which new types of immigrants in changing circumstances are creating new patterns of settlement and integration

Fertility Policy in Israel Jacqueline Portuguese,1998-08-30 An examination with feminist perspective of Israel s fertility practices and policies surrounding abortion family planning in vitro fertilization and the welfare state This book exposes the complex web of issues actors and power relations that shape the Israeli political agenda At the same time it contributes to ongoing feminist debates concerning the politics of reproduction and the role of the state in contributing to the oppression of women Israel s commitment to Zionist ideals and policies its ambiguous relationship with Jewish Orthodoxy and the intersection of the two at the level of gender relations have played a great role in determining the shape scope and direction of many government policies This book explores the relationship between these three ideological and institutional forces in the context of development of fertility policy In the process it touches upon various points of interest including the state s treatment of the Palestinian Arab minority and its relationship with the wider Palestinian national movement the power relations and political agenda underlying policy making in Israel the development of Israeli social and political identity and the use of gender to explain both the status of Israeli women and the overall unfolding of politics and policy making

The Chosen Body Meira Weiss,2004-11-15 This book examines how the social and cultural paradigms of contemporary Israel are articulated through the body To construct a panoramic view of how the Israeli body is chosen regulated cared for and ultimately made perfect the author draws upon some twenty years of

ethnographic research in Israel in a range of subjects These include premarital and prenatal screening the regulation of the body and its imagery among appearance impaired children and their families the screening and sanctifying of the body as part of the bereavement and commemoration of fallen soldiers and the discourse of the chosen body as it surfaces during terrorist attacks military socialization war and the peace process

Studies of Israeli Society: Immigration to Israel : sociological perspectives ,1998 **Assisting Reproduction, Testing Genes** Daphna Birenbaum-Carmeli,Marcia C.

Inhorn,2009 Following the routinization of assisted reproduction in the industrialized world technologies such as in vitro fertilization preimplantation genetic diagnosis and DNA based paternity testing have traveled globally and are now being offered to couples in numerous non Western countries This volume explores the application and impact of these advanced reproductive and genetic technologies in societies across the globe By highlighting both the cross cultural similarities and diverse meanings that technologies may assume as they enter multiple contexts the book aims to foster understanding of both the technologies and the settings Enhanced by cross cultural perspectives the book addresses the challenges that globalization presents to local understandings of science technology and medicine Social Critique and Commitment Majid

Al-Haj,Michael Saltman,Zvi Sobel,2005-03-15 A compilation of primarily original essays that deal with Israel form a critical position **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1993

Social Dimensions Of Health The Israeli Experience Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Dimensions Of Health The Israeli Experience has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Dimensions Of Health The Israeli Experience has opened up a world of possibilities. Downloading Social Dimensions Of Health The Israeli Experience provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Dimensions Of Health The Israeli Experience has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Dimensions Of Health The Israeli Experience. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Dimensions Of Health The Israeli Experience. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading

Social Dimensions Of Health The Israeli Experience, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Dimensions Of Health The Israeli Experience has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
