The Handbook of Social Work Research Methods Bruce Thyer, 2009-10-15
Click on the Supplements tab above for further details on the different versions of SPSS programs. The canonical Handbook is completely updated with more student friendly features. The Handbook of Social Work Research Methods is a cutting edge volume that covers all the major topics that are relevant for Social Work Research methods. Edited by Bruce Thyer and containing contributions by leading authorities, this Handbook covers both qualitative and quantitative approaches as well as a section that delves into more general issues such as evidence based practice, ethics, gender, ethnicity, International Issues, integrating both approaches and applying for grants. New to this Edition: More content on qualitative methods and mixed methods. More coverage of evidence based practice. More support to help students effectively use the Internet. A companion Web site at www.sagepub.com/thyerhdbk2e containing a test bank and PowerPoint slides for instructors and relevant SAGE journal articles for students. This Handbook serves as a primary text in the methods courses in MSW programs and doctoral level programs. It can also be used as a reference and research design tool for anyone doing scholarly research in social work or human services.

Theory & Practice in Clinical Social Work Jerrold R. Brandell, 2010-02-16
Today's clinical social workers face a spectrum of social issues and problems of a scope and severity hardly imagined just a few years ago and an ever widening domain of responsibility to overcome them. *Theory and Practice in Clinical Social Work* is the authoritative handbook for social work clinicians and graduate social work students that keeps pace with rapid social changes and presents carefully devised methods, models and techniques for responding to the needs of an increasingly diverse clientele. Following an overview of the principal frameworks for clinical practice including systems theory, behavioral and cognitive theories, psychoanalytic theory and neurobiological theory, the book goes on to present the major social crises, problems and new populations the social work clinician confronts each day. *Theory and Practice in Clinical Social Work* includes 29 original chapters, many with carefully crafted and detailed clinical illustrations by leading social work scholars and master clinicians who represent the widest variety of clinical orientations and specializations. Collectively, these leading authors have treated nearly every conceivable clinical population in virtually every practice context using a full array of treatment approaches and modalities. Included in this volume are chapters on practice with adults and children, clinical social work with adolescents, family therapy and children's treatment groups. Other chapters focus on social work with communities affected by disasters and terrorism, clinical case management, cross cultural clinical practice, psychopharmacology, practice with older adults and mourning and loss. The extraordinary breadth of coverage will make this book an essential source of information for students in advanced practice courses and practicing social workers alike.

The Practice of Generalist Social Work Julie

Birkenmaier, Marla Berg-Weger, 2017-05-29 The fourth edition of The Practice of Generalist Social Work continues to teach students to apply micro macro and mezzo social work skills This new edition strengthens the connection between the three levels of practice and is fully updated to the 2015 EPAS This edition also contains more illustrations of theory and more context for deciding which type of intervention is a good fit Most chapters now open with a case study and continually refer back to the case to provide additional connections between theory and real life practice Each chapter also incorporates a link to a Grand Challenge of Social Work from the American Academy of Social Work and Social Welfare which shows the connection between social work and the most significant societal challenges of today The Quick Guides within the text offer students guidance for their field experience and practice after graduation The text also comes with a rich companion website that includes support materials and six unique cases that encourage students to learn by doing Go to www.routledgesw.com to explore the cases and additional resources

Social Work and Human Rights Elisabeth Reichert, 2003 This is an overview of human rights concepts and laws for social workers that stresses the need to infuse human rights into social work policy and practice The volume covers the history and development of human rights from the passage of the Universal Declaration of Human Rights in 1948 onwards

Social Work in the Frame of a Professional Competencies Approach Ana Opačić,2022-10-19 This book serves as an introductory reader for understanding a professional competencies framework for social work through a new approach It not only discusses what professional competencies are and why they are significant but it also shows how to develop a professional competencies approach measure and research competencies and learn how to use them to empower professional identity and career development There has been growing interest to define the social work profession within a professional competencies framework Professional competencies are considered in their complexity as a triangle of knowledge skills and values They are not solely a tool for education and practice but they are also important for professional socialization and identity in social work A professional competencies approach has been used to define standards and expectations for social workers practitioners it is an evaluation tool for formal education and lifelong learning programs provides guidance for field practice and placements for social work students and could be a frame for distinguishing levels of professional expertise The volume provides an up to date comprehensive overview of a professional competencies approach in social work with 10 chapters organized in four sections Part I Understanding a Professional Competencies Approach including Criticisms of the Competency Based Education Approach Part II Major Areas of Professional Competencies including Leadership and Professional Socialisation Part III Measuring Professional Competencies and Education Outcomes including How to Conceptualise Operationalise and Measure Professional Competencies in Social Work Part IV Professional Competencies and Professional Development including A Model of Holistic Competence in Social Work and the unique Professional Capabilities Framework Social Work in the Frame of a Professional Competencies Approach is essential reading for social work instructors academics and national professional associations interested in developing or reviewing their professional competencies framework It is an invaluable resource for experts in statutory bodies that set up a legislative framework of social work practice or work in the accreditation of social work education programs The book is useful for social work students interested in understanding the theoretical background of social work as well as for field practitioners who wish to use professional competencies for their self reflection self evaluation and professional identity

Introduction to Social Work The Open University,2005-01-01 Produced principally for unit HSW101 Introduction to social work offered by the Faculty of Health and Behavioural Sciences School of Health and Social Development in Deakin University s undergraduate Open Campus Program

Social Work, Mental Health, and Public Policy in Diverse Contexts Sheying Chen,2023-08-29 The discipline of social policy oftentimes deemed a part of social work

as a profession was born in the West Unlike social policy that started with the post war idea of a welfare state in the mid 20th century social work traces its roots to individual casework pioneered by the Charity Organization Society COS early social administration including state wide poverty relief an advocacy effort of the COS but with deep roots in the English Poor Laws of the 17th century and social action emphasizing political activities to improve social conditions originating from the Settlement House Movement which began in the 1880s The development of social work is historically intertwined with that of public welfare philanthropy and charity and is an inherently international subject This conception is broader than international social work as a discrete field of professional practice which crosses geopolitical borders and all levels of social and economic organizations with a focus on development However each nation has a story of its own in terms of professionalization of social work in the evolution of public welfare and philanthropic charitable undertaking within its particular economic political social and cultural settings A wide ranging and in depth study of various especially non Western country cases is essential to an adequate comprehensive understanding of the social work profession which is also a basic requirement of its value of diversity China is undoubtedly an important case with the largest population on earth It is also unique in view of so called Chinese characteristics which are sometimes fundamentally different from other particularly Western societies It is even intriguing given the country's lengthy complex history and its recent rapid rise to a global superpower with a claim of national goals and core values that seem to be rather considerable to social work as a helping profession Therefore any significant lessons learned from the Chinese experiences would help with a better international understanding and further advancement of social work and public welfare at a global scale

Macro Social Work

Practice Carolyn J. Tice, Dennis D. Long, Lisa E. Cox, 2019-08-07 Empower your students to become advocates for change Macro Social Work Practice Advocacy in Action shows students studying in macro social work practice how to enact change at the organizational community societal and global levels An emphasis is placed on engaging in macro practice using the tenets of the award winning author team's Advocacy Policy and Practice Model APPM that highlight the inclusion of economic and social justice supportive environment human needs and rights and political access Beginning with a history of macro practice and continuing with contemporary issues facing social workers this new text helps readers learn how to enact advocacy informed by key orientations and perspectives and grounded in timely and relevant examples and causes **FREE DIGITAL TOOLS INCLUDED WITH THIS TEXT** SAGE edge gives instructors and students the edge they need to succeed with an array of teaching and learning tools in one easy to navigate website *Exploring New Horizons for Decolonial Social Work Education* Carolyn Noble, Annaline Caroline Sandra Keet, 2024-11-01 This book presents current scholarship designed to decolonize reform and confront the Euro centric dominance in social work education and practice This compact volume strings together new content from internationally recognised authors in the field of social work to address this need Decolonising social work seeks to weaken the effect of colonialism and create opportunities to promote traditional practices

in contemporary settings Its focus is to draw attention to the effects of globalisation and the universalization of social work education methods of practice and international development that fail to embrace and recognise local knowledges and methods by bringing new and fresh perspectives to social work It can also be seen as a significant contribution to social work s more critical stance and long standing struggle to challenge the hegemonic Euro centric epistemology With decoloniality becoming a global imperative this collection brings together case studies from world scholars and decolonial voices in order to explore opportunities challenges and trends to decolonize through culturally relevant curricula including Social Work and Decolonisation Student Social Workers Understanding of the Concepts of Culture Cultural Identity and Decolonisation Developing Curriculum for Criminal Justice Social Work from the Field New Directions in Trauma Work Cultural Trauma Theory as an Instrument to Contextualise and Address Histories of Pain in Global Communities Analysing and Understanding Intersections Using Nayak s Intersectional Model of Reflection in Social Work Teaching Decolonizing Social Work Education and Curriculum Utilizing Cultural Competemility and Professionalism Approach Exploring New Horizons for Decolonial Social Work Education is essential reading for practitioners policy makers instructors researchers and other social work professionals The book may be used as a supplemental text for social work courses The national and international focus of the volume will be highly relevant to all social work programmes across the globe
