Social Work Skills

Pamela Trevithick

Social Work Skills:

The Social Work Skills Workbook Barry Cournoyer, 1991 *Social Work Skills and Knowledge: a Practice Handbook* Pamela Trevithick, 2011-11-16

What a sensible book a book born of much wisdom and practical experience Pamela Trevithick takes the reader on a wonderfully clear but thorough journey of social work s knowledge skills and values in which theories are elegantly put into practice The whole enterprise is reassuringly held together by a strong commitment to organised thinking and the value of the social work relationship For those who want to sharpen their ideas while keeping their practical feet firmly on the ground this is the book for you Professor David Howe University of East Anglia UK This new edition is an excellent resource for practitioners students and indeed managers in social work and social care who are committed to effective practice and service delivery Trevithick provides a comprehensive knowledge and skills framework and excellent practice examples to enable the reader to apply the knowledge to undertaking skilled and effective practice This is a clear readily understandable and comprehensive text which also integrates the complexity of practising social work I highly recommend it Professor Joyce Lishman recently retired as Head of School of Applied Social Studies Robert Gordon University UK A fantastic guide to social work practice and one I would recommend for the bookshelf of any social work student It has a user friendly style that presents issues in an accessible way Kate Grant Social Work Student University of Bristol UK A brilliant MUST BUY book for all social workers It covers an amazing range of issues which are easy to find using the index I will use it constantly throughout my career Amanda Moorcroft Social Work Practitioner UK Since its first publication in 2000 this best selling text has been an invaluable resource for thousands of social workers preparing for life in practice Written by an influential academic practitioner it is widely regarded as the leading book in its field The third edition has been thoroughly updated to include sections on theoretical factual and practice knowledge Key features include 4 new chapters that integrate theory and practice in a Knowledge and Skills Framework or map of professional practice 80 social work skills and interventions 12 appendices describing a range of different social work approaches A wide range of practice examples linking theory and practice Social Work Skills is essential reading for all social work students and a valuable reference tool for practising social workers social services managers and human service professionals Skills for Social Work Practice Andy Mantell, 2013-09-25 Social work skills are essential to good practice and more important than ever following changes to the social work curriculum Students must be able to demonstrate knowledge of core skills within policy law as well as demonstrating empathy and good communication This fully revised student guide previously published as Social Work Skills with Adults will help to cement these skills and includes chapters on intervention empowerment and advocacy skills for collaborative working self presentation and much more This book will equip social work students with the skills to meet the new and perennial challenges to achieving empowering practice with carers and people who use services There are chapters on working with families communities and individuals and how social policy affects all of these groups Case studies and

reflective exercises are used throughout to explore these issues and help link theory to practice Helping Skills for Social Work Direct Practice Jacqueline Corcoran, 2011-09-29 Direct practice foundation courses in social work prepare students for every step of the problem solving process yet too often emphasize the what and the why of practice at the expense of the how This practical easy to use and hands on guide bridges this gap by illustrating the helping skills that practitioners can actually use to influence people s lives in positive ways Integrating two major helping models motivational interviewing and solution focused therapy it equips students with the techniques and skills necessary for activating client strengths throughout the problem solving process Helping Skills for Social Work Direct Practice presents a wealth of sample dialogue exercises tips and do s and don t s all designed to encourage learning by doing This workbook helps make the links between theory and practice with these unique features Chapters logically organized by phases of the problem solving process Case demonstrations involving a variety of roles including case manager crisis intervention counselor medical social worker and school social worker Practice exercises that prompt students to apply and generalize skills to different practice settings and client problems Exhibits and reflection questions facilitate integration between classroom learning and the internship experience An online instructor s manual www.oup.com/us/helpingskills with detailed answers to discussion questions From the first meeting with clients to assessment goal setting evaluation and the ethics that guide the process throughout this is the nuts and bolts guide to helping clients using a strengths based perspective Direct Practice Skills for Evidence-Based Social Work Elizabeth C. Pomeroy, Renée Bradford Garcia, 2017-12-28 Featuring an evidence and strengths based approach to practice methods this new text teaches students how to apply social work skills in a variety of settings Designed to enhance self awareness professionalism ethical reasoning cultural sensitivity and an appreciation for social justice issues this text introduces readers to social work s core values and practice methods to help them assimilate the skills needed for working in the field Cases and skills based exercises demonstrate how to make accurate assessments and design effective intervention plans After laying the groundwork in theory values and ethics the authors review methods for working with individuals children and families from an individual and environmental strengths based perspective Client engagement assessment intervention evaluation and termination and documentation are then reviewed Readers are introduced to the foundational concepts of social work practice and through application learn to successfully work with clients Key Features Integrates the Council on Social Work Education s EPAS standards and core competencies throughout including engagement assessment intervention evaluation social justice ethics critical thinking professional conduct and decision making and cultural competency and diversity Case scenarios in client interview format that closely resemble actual interactions followed by questions test readers understanding of the practice skills needed to work in the field Skill building exercises including individual and group activities role plays simulations and discussion questions that provide an opportunity to apply one s knowledge and skill sets Personal reflections that encourage students to examine their own beliefs to help them assimilate

social work ethics and values into their professional demeanor Icons throughout the text that draw attention to useful tips for developing direct practice skills A strengths based approach that heightens understanding and results in a higher level of proficiency in the change process Introduces challenging situations often encountered in practice to help readers acquire the more advanced practice skills necessary for assessment and intervention Resources including PowerPoints test questions sample syllabi and suggested answers to text exercises and discussion questions

Skills and Methods in Social Work John Haines,1975

Social Work Skills Demonstrated Judith Sevel,Linda Cummins,Cesar Madrigal,Jim Cummins,1999

Video clips are used to demonstrate various techniques used in social work interviews Text definitions of terms text synopses of the situations used in the video clips and a self paced quiz are also provided in the program The student guide includes background information on social work techniques examples and exercises

Essential Social Work Skills: A Practical Guide Glen Hong,2019-02-27

Essential Social Work Skills A Practical Guide effectively bridges the gap between social work theory and application equipping future social workers with the critical knowledge they need to pass their licensing exams and provide quality care to clients The guide features detailed instructions for implementing specific interventions as well as how social work operates at the micro mezzo and macro levels This guide focuses on the application of interventions at the micro level including diagnosis treatment planning and the use of individual and family therapy models It begins with chapters that outline the role of the clinical social worker and ethical decision making Proceeding chapters cover valuing diversity and advocating for clients how to eliminate counterproductive communication treatment planning and assessing motivation Building upon this knowledge readers learn how to apply these processes and skill sets to a full treatment plan for a client from initial assessment through the conclusion of treatment Designed to provide future social workers with a foundational framework for their practice Essential Social Work Skills is an ideal textbook for introductory courses in social work Glen Hong is a clinical psychologist in private practice and an adjunct professor and practicum committee member in the master s of social work program at California State University Los Angeles He also works at California State University Fullerton as a Mental Health Crisis Counselor providing crisis services to all students on the campus He has served as a mental health clinical supervisor for the Los Angeles County Department of Mental Health ACCESS Center a center that handles crisis calls throughout Los Angeles County and dispatches crisis evaluators to assess for hospitalization Hong has experience working with the chronically and severely mentally ill at risk youth the Latino African American and Asian American communities as well as all socioeconomic populations within the county of Los Angeles

Teamworking Skills for Social Workers Ruben Martin,2013-06-16

Ruben Martin is an Honorary Senior Lecturer in Social Work at the University of Kent where he was previously Director of Studies for the BA Hons Social Work programme for seven years Since his retirement from his full time post he has continued work as a part time lecturer consultant freelance practice educator and writer What is your optimal role in a team environment How do teamworking skills differ between various contexts and groups Written by a highly

experienced lecturer and practitioner of social work this book explores the dynamics of teamworking in the context of social work whether in collaboration with colleagues or professionals from other fields It provides a practical and applied overview of the different types of teams that social workers encounter and outlines in an accessible format the core teamworking skills social workers must develop in order to practice effectively This is achieved by way of specific links to the Professional Capabilities Framework checklists for self evaluation and reflective social work practice activities and case examples Together these resources make this guide to teamworking a must have for students of social work and practitioners involved in continuous professional development Topics covered include The characteristics of individuals within a team including the formal and informal roles they play and leadership Emotional intelligence and resilience The application of teamworking skills to working in organisations multidisciplinary teams and interagency collaboration and partnership This book forms part of the Social Work Skills in Practice series The series focuses on key social work skills required for working with children and adult service users families and carers The books offer both theoretical and evidence informed knowledge alongside the application of skills relevant for day to day social work practice They are an invaluable resource for pre qualifying students newly qualified social workers academics teaching and researching in the field as well as social work practitioners including practice educators pursuing continuous professional development At a time when social workers are being castigated for failures in team working in recent child abuse enquiries this book is extremely timely I am not aware of a similar book which is able to convey the basic tenets of team working as well as the necessary skills to do team working well It is an important book which should be on the course lists of all early stage social workers The book brings together social work theory relating to team work within an ecological framework Students are given activities to reflect on their current level of skills Excellent case studies illustrate the issues The book is totally up to date linking into recent material from the College of Social Work I strongly recommend this book I think students will find the material engaging and accessible but they will also learn much about the essential team working skills for social work Ann Buchanan Emeritus Professor of Social Work University of Oxford UK

[Skill Training for Social Workers](#) Sudha Datar,Ruma Bawikar,Geeta Rao,Nagmani Rao,Ujwala Masdekar,2010-03-09 Integrating social development with social work education this book meets a crucial need for social work educators scholars and students Unlike theory works which list out the skills required for the practice of social work methods but do not enable development of these skills this manual discusses concrete exercises for the development of method linked skills The book carries a continuous thread of discourse on how to develop interactive work ability in individuals to ensure holistic professional development It facilitates the inculcation of professional and global competencies essential for a social worker in a student
