Sociocultural Perspectives On Volatile Solvent Use:

Sociocultural Perspectives on Volatile Solvent Use Joseph Trimble, Fred Beauvais, 2021-12-12 Volatile solvent abuse is a growing problem that receives little research or treatment attention compared with other drug abuse problems Whereas prevention programs and other societal factors are reducing the experimentation with a majority of drugs solvent abuse appears to run its own independent course Sociocultural Perspectives on Volatile Solvent Use gives you groundbreaking vital information about the problem of solvent abuse among American Indian and Alaska Native youth Drug treatment providers clinical practitioners and the general community can use the information in this book to understand the patterns of solvent abuse and implement prevention and treatment strategies for other groups within the larger culture Among the first book length publications on this problem this volume helps you acknowledge the epidemic levels of solvent abuse and treat the problem with the urgency it deserves Sociocultural Perspectives on Volatile Solvent Use defines the three subtypes of solvent users young inhalant users adolescent polydrug users and adult users presents a biobehavioral model of drug taking behavior and identifies the principal factors related to volatile solvent use You will also learn the answers to prevention and treatment questions such as Why does the use of solvents often occur in rapidly cycling epidemics Can effective policy measures be introduced that will limit the availability of inhalable solvents What is the optimal length of time needed for effective treatment What level and type of neurological damage is caused by solvents and is this damage reversible What are the unique issues that must be addressed in relapse prevention and aftercare plans The peculiar nature of solvent use places it outside the normal range of substance abuse research thus knowledge of the phenomenon is quite limited Sociocultural Perspectives on Volatile Solvent Use addresses this challenge by bringing together a number of solvent abuse researchers to discuss the problem kindle ideas and interest among others to explore this drug taking behavior and show you the clear need for continued inquiry into the phenomena of solvent use and abuse

Substance Abuse Prevention in Multicultural Communities Jeanette Valentine, Judith Dejong, 2014-07-16 This insightful volume describes a sample of prevention demonstration projects of the Center for Substance Abuse Prevention CSAP Substance Abuse Prevention in Multicultural Communities illuminates various aspects of prevention theory practice and research with a focus on the design implementation adaptation and outcome of specific demonstration programs Researchers work with prevention professionals to describe measure and intensify effects of interventions upon both intermediate problems and the ultimate long term goal of decreasing substance abuse Chapters in Substance Abuse Prevention in Multicultural Communities demonstrate how the CSAP demonstration logic model works The process of prevention program design begins with an analysis of the root causes of the problem as defined by the specific community and illuminated by theory Comprehensive prevention programs that buttress community strengths and build on local resources are then designed to deal with these problems The programs you ll learn from include a leadership and substance abuse prevention program based on the social influence model for girls in

grades 6-8 from four geographically and ethnically diverse communities a program intricately designed to build resiliency and protective factors within young at risk American Indian children in a Head Start program which addresses school transition school readiness school attendance and classroom based prevention activities a family skills training program for African American parents in substance abuse treatment which evolved in response to client and evaluation feedback a program for Native American families which uses a culturally oriented curriculum emphasizing traditional values beliefs and practices a coalition of neighborhood agencies organized to provide a comprehensive array of school and community based prevention services which impacted gang membership in inner city Latino youth a prevention program specifically designed to serve the diverse needs of Asian American youth from five different Asian ethnic communities a model substance abuse prevention program implemented to provide counseling mentoring and academic support to Hispanic and African American students in an urban public middle school the nationally recognized FAST program which strengthens the family and brings parents and schools together in building up protective factors for high risk elementary students a program that combines several complementary strategies to develop personal and communal empowerment in Native American communities Substance Abuse Prevention in Multicultural Communities illustrates the wealth of information generated by demonstration programs Unlike a standard research protocol that imposes and tests a rigid single focused intervention under carefully controlled circumstances these programs do science in real life situations documenting and measuring effects of multiple interventions

Encyclopedia of Death and Dying Glennys Howarth, Oliver Leaman, 2003-12-16 In recent years there has been a massive upsurge in academic professional and lay interest in mortality This is reflected in academic and professional literature in the popular media and in the proliferation of professional roles and training courses associated with aspects of death and dying Until now the majority of reference material on death and dying has been designed for particular disciplinary audiences and has addressed only specific academic or professional concerns There has been an urgent need for an authoritative but accessible reference work reflecting the multidisciplinary nature of the field This Encyclopedia answers that need The Encyclopedia of Death and Dying consolidates and contextualizes the disparate research that has been carried out to date The phenomena of death and dying and its related concepts are explored and explained in depth from the approaches of varied disciplines and related professions in the arts social sciences humanities medicine and the sciences In addition to scholars and students in the field from anthropologists and sociologists to art and social historians the Encyclopedia will be of interest to other professionals and practitioners whose work brings them into contact with dying dead and bereaved people It will be welcomed as the definitive death and dying reference source and an essential tool for teaching research and independent study

Race, Culture, Psychology, and Law Kimberly Barrett, William H George, 2005 In a diverse democracy law must be open to all All too often however our system of justice has failed to live up to our shared ideals because it excludes individuals and communities even as they seek to use it or find themselves caught up in it The

research presented here offers hope The abstract doctrines of the law are presented through real cases Judges lawyers scholars and concerned citizens will find much in these pages documenting the need for reform along with the means for achieving our aspirations The issues presented by race ethnicity and cultural differences are obviously central to the resolution of disputes in a nation made up of people who have in common only their faith in the great experiment of the United States Constitution Here the challenges are met in an original accessible and thoughtful manner Frank H Wu Howard University and author of *Yellow Race in America Beyond Black and White* Kim Barrett and William George have taken on an enormous task which is matched only by its timeliness Cultural competence and cultural diversity pass off our lips as eternally valued ideals but Barrett and George have brought a critical and edifying eye to these ideas Racism is similarly easy to acknowledge but difficult to account for in the everyday lives of ordinary people of color What we discover in this impressive volume is not only that race and culture matter but how they matter in the minds of people who are clients and the minds of people who attempt to serve them and in the courts of law that attempt to mete out justice *Race Culture Psychology and the Law* is essential reading for anyone with a professional or personal interest in social justice and psychological well being James M Jones Ph D Director Minority Fellowship Program American Psychological Association This is an extraordinary and daring compilation of cutting edge commentaries that should prove invaluable to students scholars and practitioners working in social work clinical and forensic psychology juvenile justice immigration adjustment Native American advocacy and child and adult abuse It is a quality text that tackles key topics bridged by psychology and the law with clarity succinctness complexity and evenhandedness William E Cross Jr Ph D Graduate Center City University of New York American ethnic and racial minority groups immigrants and refugees to this country are disparately impacted by the justice system of the United States Issues such as racial profiling disproportionate incarceration deportation and capital punishment all exemplify situations in which the legal system must attend to matters of race and culture in a competent and humane fashion *Race Culture Psychology and Law* is the only book to provide summaries and analyses of culturally competent psychological and social services encountered within the U S legal arena The book is broad in scope and covers the knowledge and practice crucial in providing comprehensive services to ethnic racial and cultural minorities Topics include the importance of race relations psychological testing and evaluation racial profiling disparities in death penalty conviction immigration and domestic violence asylum seekers deportations and civil rights juvenile justice cross cultural lawyering and cultural competency in the administration of justice *Race Culture Psychology and Law* offers a compendium of knowledge historical background case examples guidelines and practice standards pertinent to professionals in the fields of psychology and law to help them recognize the importance of racial and cultural contexts of their clients Editors Kimberly Holt Barrett and William H George have drawn together contributing authors from a variety of academic disciplines including law psychology sociology social work and family studies These contributors illustrate the delivery of psychological legal and
