ASAP Recovery Chuck Chapman, 2024-10-28 The Bible says freedom is the birthright of every child of God who has been born again into His Kingdom Therefore whether you are here for sin addiction loss brokenness burnout needing a fresh move of God in your life or to find healing for the pains of the past or for your damaged emotions the Word of God promises that this freedom is available to all of His children And yet how many people do you know who are truly walking in this promised freedom *ASAP Recovery Building on the Right Foundation* addresses this disconnect between promise and experience by firmly reestablishing three foundational truths that the church has always believed but forgotten somewhere along the way All of the Bible is Inspired or written by God 2 Timothy 3 16 17 All of the Bible is Inerrant or without errors Psalm 18 30 All of the Bible is Infallible or incapable of failing to deliver on any of the things it says it will Isaiah 55 11 The reason these three foundational truth claims should matter to those in the church and especially to those of us in the recovery community is If you don t believe the first claim that God wrote the Book then you will never believe the second claim that it is without errors And if you never believe this second claim then you will never trust in nor experience for yourself the victory that the Word of God offers you over any and all addictions and willful sin in its third claim to be infallible By the end of this book you will know beyond a reasonable doubt that the Bible is the very words of God Himself and therefore above reproach thus establishing it as the only foundation to build our life and recovery on Furthermore you will also find that no matter who you are where you ve been what you ve done or how far gone you may be this book was written to take both the addicted and defeated Christian alike down the same path of Scripture until they arrive at their destination and heart s desire freedom

ABOUT THE AUTHOR Having lost everything Chuck Chapman came to know Christ while in jail in 2007 Today he is the founder and director of *ASAP Recovery Inc* a faith based recovery program for those seeking cure over maintenance for any addiction or life controlling issue He is also the Pastor of Recovery Community Church in Covington KY Chuck has a major burden for biblical truth as well as the lost especially those who are bound by addiction He is a graduate of Teen Challenge International of Southwest Florida having overcome his own demons

of addiction After rehab Chuck went on to acquire a Bachelor's Degree in Bible and Theology from God's Bible School College in Cincinnati Ohio He is also an ordained pastor in the Church of the Nazarene Chuck is the author of ASAP Recovery Tearing Out the Old Foundation and It Is Written A Field Guide to Spiritual Warfare He has now been sober and working with people in recovery and the church for over sixteen years His partner in ministry is his supportive wife Lisa They are currently in the process of writing the third book in the ASAP Recovery series *The Little Sins of daily life*, 1855 What the Bible Says about the Dangers of Self-Deception Joseph K. Pak, 2024-10-17 How do people know if they are deceiving themselves Self deception is something everyone practices to one degree or another and it is closely related to other deception deceiving other people and Satan's deception as the father of lies John 8:44 How dangerous is self deception It can cost people their eternal destiny if they are deceiving themselves about their salvation Self deception has been a topic of keen interest among philosophers theologians and psychologists and is also a significant theme in the Bible This book first introduces what the fields of philosophy theology and psychology say about self deception and then examines many Bible passages that address the topic of self deception to gain a biblical understanding of what it is and how to prevent it **Topical Analysis of the Bible** Walter A. Elwell, 2012 This imperative resource addresses the need for understanding basic Christian teachings It makes the theological content of the Bible accessible to a wide audience in an easy to follow format Fifteen key Christian doctrines are explored chapter by chapter including The Personal God Sanctification Christian Living Responsibilities to Others and Nature Jesus Christ and more Each of these chapters includes a detailed outline and complete citations This is an unparalleled affordable resource for ministers and laymen alike who want a more in depth resource at their fingertips and who long to be more thoroughly grounded in their faith Special Features Includes approximately 35 000 Scripture references from the popular New International Version **Blaise Pascal on Duplicity, Sin, and the Fall** William Wood, 2013-07-04 Blaise Pascal's account of the cognitive consequences of the Fall is clearly set out by William Wood in the first book on Pascal's theology to appear in English in more than forty years Wood's central claim is that for Pascal the Fall is a fall into duplicity Pascal holds that as fallen selves in a fallen world human beings have an innate aversion to the truth that is also at the same time an aversion to God According to Pascal we are born into a duplicitous world that shapes us into duplicitous subjects and so we find it easy to reject God continually and deceive ourselves about our own sinfulness Pascal's account of the noetic effects of sin has long been overlooked by theologians but it is both traditional and innovative It is robustly Augustinian with a strong emphasis on the fallen will the darkened intellect and the fundamental sin of pride Yet it also embraces a view of subjectivity that seems strikingly contemporary For Pascal the self is a fiction constructed from without by an already duplicitous world The human subject is habituated to deception because it is the essential glue that holds his world together This book offers more than just a novel interpretation of Pascal's Pensées Wood demonstrates by exegetical argument and constructive example that Pascalian theology is both possible and fruitful *What Happened on the Cross* Nick

Peros,2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him **T&T Clark**

True Destiny Erica Wilkins,2014-03-18 True Destiny is based on the True Gospel of Jesus Christ who God sent into this world to set the captives free from bondage and to save them that are lost to call them to acknowledge that they are sinners and to confess their sins by repenting and turning away from their wicked ways And to turn to him trusting him to shape and form their ways as he guides their steps into a life of Freedom Love and Peace down a path of righteousness into a journey that cant be explained but only experienced by purposed destiny filled with unspeakable joy as you are led into a world of riches and glory not made by man God Bless You All In Jesus Name Jesus Is Coming Repent *The Secret Place* Dale A.

unique it is the first book of its kind that challenges the theory of evolution by the word of God In the text it will be proved

beyond doubt that the word of God is powerful with a two edged sword It divides asunder and exposes the counterfeit and the false Not only that but it proves the validity of the arguments by using medical and surgical studies of the patients ailments The author is a scientist and a surgeon He studied anatomy and embryology in full details that makes him argue with confidence The doctrine of creation has a solid foundation which is the true word of God The author used the results of surgical procedures that are done by spiritual knowledge compared to others done by natural man whose knowledge is based on the theory of evolution These have changed the procedures from difficult and complicated to a single day procedure with financial gains to the patient and to the public The relation between sin diseases and death is studied and proved beyond doubt The salvation by justification sanctification and righteousness is explained and also proved beyond doubt Man is created and evolved to a higher degree of holiness by the working power of the Holy Spirit contrary to evolution by genetic mutation and natural selection that might promote the man to a high intellectual standard but this usually brings low moral value with it that at the end lead to death from moral decay alcoholism and drug addiction The evolution is produced by knowledge and experience and it carries with it away from God all the destructive elements to humans **Lange's**
