*The Two Walter Raleighs* Fred B. Tromly,2018-12-10 Sir Walter Raleigh s biographers have given little attention to his tragic relationship with his son Wat Walter They began in proud identification each seeing himself in the other But after the father s political downfall and imprisonment for treason he lost his authority in the family and the son began to reject paternal advice and his studies and to engage in violent quarrels and duels Often the father used his influence to rescue his son from his rash acts Things came to a head after Wat was sued by a young woman for violent assault and imprisoned The aged Raleigh had been freed from the Tower to lead an expedition to Guiana and as recently discovered documents reveal he delivered his son from the law by commissioning him as a captain on his flagship ominously named the Destiny In a shared tragedy Wat was killed in a skirmish and the grieving Raleigh returned to England broken in spirit and ready for the execution that awaited him University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles University of California (System).
