Sister Ships And Other Stories King Penguin:

London Tanya Dalziell, 2024-08-13 Joan London's remarkable body of work including the award-winning novels and short fiction *The Golden Age*, *Gilgamesh* and *Sister Ships* tells everyday stories of family love and loss with her signature poetic vision. London's stories portray how ordinary people get caught up in extraordinary circumstances and come to live in a world of violence and fear of beauty and hope. In *London* Tanya Dalziell takes the reader through the literary career of the Western Australian living treasure, journeying through space and time to offer a unique insight into the development of Australian literature and women's writing across the past four decades. London engages deeply with Joan London's work to reflect on its artistry and the conversations it provokes with the changing times. Dalziell invites readers to traverse London's writing and discover the significant contributions she has made to the contemporary literary landscape. *Penguin Readers Level 2: Mulan and Other Tales of Heroes (ELT Graded Reader)* Penguin Books, 2021-09-30. It is well supported by illustrations which appear on most pages. These four stories are very old, and many of them are about special people or animals. Is your favourite hero in this book?
