**Lady Parts** Kathryn D. Blanchard, Jane S. Webster, 2012-11-13 How might women in the Bible tell their stories if they were prompted to do so by Eve Ensler s controversial play The Vagina Monologues This collection imagines some answers to that question The monologues herein are written by a variety of authors including scholars undergraduates clergy and laywomen the content of the narratives reflects this variety being at times faithful or irreverent tragic or even funny All seek to give twenty first century voices to women in canonical texts including the Hebrew Bible Deuterocanonical books and New Testament who are often speechless nameless or otherwise marginalized Not for the faint of heart these monologues not only end the silences but also add flesh and bone to characters whose experiences have too easily been justified metaphorized or altogether ignored By naming the torn places in these women s stories this volume invites readers to encounter both the biblical characters and their contemporary interpreters with an attitude of compassionate listening Our hope is that such compassionate listening may contribute not only to more just readings of sacred texts but also to the mission of Eve Ensler and V Day to end global violence against women and girls

**Shared Imagination** Mary Ann Archer,2018-05-22 Using imagination in meditation can connect people to the Divine and to each other and can deepen the spiritual experiences of daily life *Shared Imagination* delves into that notion offering a

creative and experiential channel to the Divine and describing the surprising ways this process can blossom in people's lives. The work centers on personal stories of spiritual encounters as told with permission by the women and men who have entered the world of prayerful imagining. These encounters or shared imaginations arose in a variety of settings: individual and group meditation meetings, recounted dreams, shared spiritual experiences, imaginative conversations with God, letters written to holy people of the past, and some mystical traveling conversations. The stories illustrate the interlacing of an individual's imagination with that of the Divine. Instructions on how to form and facilitate an imaginative meditation group are interspersed between the stories and detailed in three appendices. Arising from author Mary Ann Archer's experiences as a professional musician and spiritual director, this collection of personal spiritual narratives presents an exploration of the use of imagination in meditation for a clearer connection with the Divine.

*Dance in Scripture* Angela Yarber, 2013-10-16

*Dance in Scripture: How Biblical Dancers Can Revolutionize Worship Today* examines the dances of seven biblical figures: Miriam, Jephthah's daughter, David, the Shulamite, Judith, Salome, and Jesus. Each figure offers a virtue that has the potential to revolutionize worship today. Yarber combines feminist and queer hermeneutics with dance history to highlight the nuances of the texts that often go unnoticed in biblical scholarship while also celebrating the myriad ways the body can be affirmed in worship in creative, empowering, and subversive ways. Liberation, lamentation, abandon, passion, subversion, innocence, and community each contribute to the exciting ways embodied worship can be revolutionized. This is a book for those interested in biblical scholarship, dance, the arts, feminist and queer theory, or revolutionizing worship.

*Educating in the Divine Image* Chaya Rosenfeld Gorsetman, Elana Maryles Sztokman, 2013-10-01

Although recent scholarship has examined gender issues in Judaism with regard to texts, rituals, and the rabbinate, there has been no full-length examination of the education of Jewish children in day schools. Drawing on studies in education, social science, and psychology, as well as personal interviews, the authors show how traditional, mainly Orthodox day school education continues to reinscribe gender inequities and socialize students into unhealthy gender identities and relationships. They address pedagogy, school practices, curricula, and textbooks, as along with single sex versus coed schooling, dress codes, sex education, Jewish rituals, and gender hierarchies in educational leadership. Drawing a stark picture of the many ways both girls and boys are molded into gender identities, the authors offer concrete resources and suggestions for transforming educational practice.

**Belabored** Lyz Lenz, 2020-08-11

In *Belabored*, Lyz Lenz will make you cry in one paragraph and snort laugh in the next. Chloe Angyal, contributing editor at MarieClaire.com. Written with a blend of wit, snark, and raw intimacy, *Belabored* is an impassioned and irreverent defense of the autonomy, rights, and dignity of pregnant people. Lenz shows how religious, historical, and cultural myths about pregnancy have warped the way we treat pregnant people when our representatives enact laws criminalizing abortion and miscarriage, when doctors prioritize the health of the fetus over the life of the pregnant patient in front of them, when baristas refuse to serve visibly pregnant women caffeine. She also reflects on her own experiences of carrying her two children and seeing how the sacrifices

demanded during pregnancy carry over seamlessly into the cult of motherhood where women are expected to play the narrowly defined roles of wife and mother rather than be themselves Belabored is an urgent call for us to trust women and let them choose what happens to their own bodies from a writer who is on a roll Bitch Magazine      **Exodus and**

**Deuteronomy** Athalya Brenner, 2012-06-15 The Texts Contexts series gathers scholarly voices from diverse contexts and social locations to bring new or unfamiliar facets of biblical texts to light Exodus and Deuteronomy focuses attention on two books of the Torah that share themes of journey and of diverse experiences in or upon the land the echoes of the exodus across time space and culture of different understandings of male and female leadership and of the promise and problem posed by various aspects of biblical law These essays de center the often homogeneous first world orientation of much biblical scholarship and open up new possibilities for discovery      **Jewish Feminism** Esther Fuchs, 2018-03-12 In the last

three decades hundreds of books and essays have been published on women gender and Jewish Studies This burgeoning scholarship has not been adequately theorized contextualized or historicized This book argues that Jewish feminist studies is currently constrained by multiple frames of reference that require re examination a self critical awareness and a serious reflective inquiry into the models paradigms and assumptions that inform shape and define this area of academic interest This book is the first critical analysis of Jewish feminist scholarship tracing it from its tentative beginnings in the late 1970s to contemporary academic articulations of its disciplinary projects It focuses on the assumptions evasions omissions inconsistencies and gaps in this scholarship and notably the absence of debate contestation and interrogation of authoritative articulations of its presumed goals investments and priorities The book teases out implicit thinking about mapping direction and orientation from introductions to leading anthologies and engages critically with the few explicitly theoretical works on Jewish feminist studies contesting ideas that have become hegemonic in some areas and interrogating the limitations these theories impose on future trajectories in Jewish feminist studies Each chapter outlines the theoretical assumptions that inform salient publications in the field providing a close reading of scholarly texts that justify certain practices The book is divided into four chapters each of which focuses on a different frame of reference It outlines the way in which the various frames that have so far been imposed on Jewish feminism the ethnocentric liberal personal masculinist and essentialist have arrested its theoretical elaboration and articulation The book includes both interdisciplinary anthologies on gender and Jewish identity and disciplinary publications in history literature philosophy cultural studies and Holocaust studies      *The*

**The Lost Matriarch** Jerry Rabow,2014-09-01 The Lost Matriarch offers a unique response to the sparse and puzzling biblical treatment of the matriarch Leah Although Leah is a major figure in the book of Genesis the biblical text allows her only a single word of physical description and two lines of direct dialogue The Bible tells us little about the effects of her lifelong struggles in an apparently loveless marriage to Jacob the husband she shares with three other wives including her beautiful younger sister Rachel Fortunately two thousand years of traditional and modern commentators have produced many fascinating interpretations midrash that reveal the far richer story of Leah hidden within the text Through Jerry Rabow s weaving of biblical text and midrash readers learn the lessons of the remarkable Leah who triumphed over adversity and hardship by living a life of moral heroism The Lost Matriarch reveals Leah s full story and invites readers into the delightful provocative world of creative rabbinic and literary commentary By experiencing these midrashic insights and techniques for reading between the lines readers are introduced to what for many will be an exciting new method of personal Bible interpretation
