Weems, 1988 Weems has created a milestone in women's literature a book that sheds light on the relationships of biblical women in new and meaningful ways that connect women across class culture race and time **The Bridge to Wholeness** Jean Benedict Raffa, 1992 **Forthcoming Books** Rose Army, 2003-04 *Liberating Eschatology* Letty M. Doyle, 2024-05-16 It s human nature to want and expect to be loved and accepted God made us that way Because God loves us and accepts us we expect family and friends to feel the same way That doesn t always happen not even in Christian homes We are spirit and we have a soul and we live in a body There is a uniqueness that God places in each one of us It is what makes us different from one another Our innateness is created by God That is what is inside the person Abuse can cloud and even destroy the person inside Nothing is more personal than abuse It is an intentional direct attack on the personhood of an individual It is the canceling the erasing of the naturalness of a person The abuser is committing a do over on the child or spouse or whomever whether it be physical sexual or psychological abuse I am a delivered and healed survivor of child abuse I received deliverance and inner healing from Jesus Christ He has set the person inside free to be who he created me to be And he can do the same for you My hope is that everyone be delivered from their past and healed of their wounds *Drawing from the Women's Well* Joan C. Borton, 1992 *Out of the Skin Into the Soul* Dorothy Albracht Doherty, Mary Colgan McNamara, 1993
Women, Ritual, and Power Elizabeth Ursic, 2014-09-30 Reveals the triumphs and struggles of contemporary Christian congregations to express female imagery of God in worship Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In *Women Ritual and Power* Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community

identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy Women Ritual and Power is an important contribution to the theological world Elizabeth Ursic sheds light on what has enabled churches to include female images for the divine and provides multiple narratives of the negative reactions to such images As she displays how gender is understood in Christian worship with evidence that some churches do include feminist imagery the continuing presence of patriarchy is also revealed The book is basically about the constructive function of the inclusion of feminine images for all One of the main reasons we need this book is that Ursic perceives there is a much wider larger group of Christians who would love to have more feminist images than is recognized in churches and church practices Mary McClintock Fulkerson author of *Changing the Subject Women's Discourses and Feminist Theology* **God's Forgotten Daughter** Katherine Christine Schneider-Aker, 1992 Wrestling the Light, 1991 Loder gives expression to the depths and joys of the human struggle in these intensely personal prayers complimented by six powerful stories **Butterfly Awakens** Meg Nocero, 2025-07-30 One woman's dark night leads her on a journey to find her light Butterfly Awakens depicts the story of the extraordinary transformation of a forty something Italian American attorney as she moves through unimaginable grief and sadness watching her beloved mother lose her battle to breast cancer This tumultuous life experience shifts her world causing her to question her life choices and opening her up to her soul's calling Nocero brings readers along on her journey through a dark night of the soul as she deals with the grieving process a toxic work environment and intense stress that results in depression anxiety and an acquired somatic nervous disorder called tinnitus Through it all she never gives up instead looking for the help she needs to start to heal and find her light In the end like the metamorphosis from caterpillar to butterfly this story is a beautiful love letter that honors Nocero's mother's legacy while detailing the awakening of her own There are many stories about breast cancer and grief but none are quite like this one Throughout her tale Nocero pulls the reader deep into her story through the intensity of her emotions and in the end after resigning from her career as a federal prosecutor due to a toxic administration she searches for the lighthouse she saw in a vision when her mother died Embarking on a spiritual pilgrimage on El Camino de Santiago in Northern Spain to get to the lighthouse at Cap Finisterre she sets out to wake up and live again the butterfly connection and stark honesty of her writing offers readers important lessons learned from moving through grief so that each person can shine their light again **No Place for Abuse** Catherine Clark Kroeger, Nancy Nason-Clark, 2010-10-12 In this thoroughly revised and updated edition Catherine Clark Kroeger and Nancy Nason Clark share with readers a further ten years of experience in listening to the voices of women from around the world and especially to those in the church They help us hear their cries and find concrete ways to respond so that no home will be
