Six Modern Authors And Problems Of Belief:

Six Modern Authors and Problems of Belief Patrick Grant, 1979-06-17 Textual Revisions Brian Baker, 2009 Textual Revisions is a collection of new essays which discusses adaptations for cinema and television of a variety of novels plays and short stories Works discussed include adaptations of novels by Austen Stoker Michael Cunningham Fowles and Tolkien plays by Shakespeare and Pinter and a short story by Philip K Dick Hymns and the Christian Myth Lionel Adey, 2011-11-01 From its beginnings in the Bible Christian hymnology has fulfilled three functions praise recital and teaching of the Myth and collective and personal adoration as well as the foundation and worship of the church In Hymns and the Christian Myth Lionel Adey demonstrates that over the centuries shifts emphasizing particular elements of the Christian faith accord with the interests and concerns of the times in which the hymns were composed Using a broad range of texts Adey deals with major themes of every period from biblical times to the early twentiet century. In tracing the changes in representation of the Father Son Holy Spirit and Four Last Things in early and medieval Latin hymns post Reformation chorales and psalm based hymns and English hymns from the time of Watts the book shows an increasing sense of personal response to the Incarnation and Passion of Christ and of participation in His redemptive work Chapters on hymnody of the Nativity and Passion illustrate the tendency of monastic poets the Learned tradition to focus on dogma mystery and paradox and carolists the Popular tradition to convey devotional tenderness Those on hymnody of the Holy Spirit illustrate a shift through the medieval period from representing pentecostal events to exploring their spiritual meaning During the Reformation and the Evangelical Revival the weight of hymnody shifts first to the Father and then to the Son's Passion and Atonement applied personally and inwardly re lived by the convert Most consistently hymnic representations of the Last Things shift their focus from collective to individual judgement from death as sleep until the general awakening to death as instant passage to reunion with family and friends As a hymnologist rather than a theologian Adey makes no pronouncements on the truth of Christian beliefs His focus is on how poets have expressed them over two millenia As such the book will interest not only students of religion but also those in such related disciplines as literature psychology history and sociology

Grant, 2001-09-19 During the Northern Irish Troubles of the past thirty years a war of words has accompanied and interpenetrated with the actual conduct of violence in highly complex ways This book considers how literature of the period

engages and participates in this war of words It draws on a range of contemporary authors and on a variety of printed sources including journalists reports political speeches interviews memoirs pamphlets and autobiography The book places the Northern Ireland conflict within a broad European debate about the legitimate use of force and provides an original analysis of the inter relationship between language literature and violence **Reading the New Testament** Patrick Grant, 1989-06-18 Recent literary criticism and biblical scholarship are used here to discuss the New Testament's depiction of faith The author argues that these tools can be used to present problems of religious belief imaginatively and to bring home the full challenge of faith The Role of Imagination in Culture and Society Astrid Diener, 2013-07-22 Owen Barfield 1898 1997 philosopher historian and literary theoretician is well known for his friendship with C S Lewis What is virtually unknown is that he was also admired and promoted by T S Eliot who in the 1920s became his publisher at Faber and Faber There can scarcely be two writers at greater variance than Lewis and Eliot that Barfield was admired by both showed that he was an independent thinker far more subtle and complex than has so far been recognized Diener's book about Barfield's early work is the first systematic study to trace the roots and the development of his thought It places Barfield in the tradition of British and European cultural and social critics including Coleridge Arnold Nietzsche and Rudolf Steiner In the light of this tradition Barfield's work emerges as a unique and constructive contribution to twentieth century thought God Behind the Screen Janko Andrijasevic, 2018-09-03 This interdisciplinary study of literary characters sheds light on the relatively under studied phenomenon of religious psychopathy God Behind the Screen Literary Portrais of Religious Psychopathy identifies and rigorously examines protagonists in works from a variety of genres written by authors such as Aldous Huxley Jane Austin Sinclair Lewis and Steven King who are both fervently religous and suffer from a range of T.
