

A photograph of a person rock climbing on a steep, textured rock face. The climber is positioned in the lower-left quadrant of the frame, facing away from the viewer and slightly to the right. They are wearing a dark shirt and shorts. The rock face is composed of large, light-colored, irregularly shaped blocks. To the right of the rock face is a dark, vertical area, possibly a shadow or a different part of the rock. The overall scene is dramatic and emphasizes the height and texture of the rock.
